ORDER APPROVING AMENDMENT OF SUPPLEMENTAL ADR/APPLICANT FUND

Plaintiffs' Counsel and Defendant Rent-A-Center, Inc. have filed their Joint Status Report with a request that the Court approve an Amendment to the Supplemental ADR/Applicant Fund Agreement previously approved by this Court. This Court finds that the Amendment to the Supplemental ADR/Applicant Fund Agreement is intended to aid in the fulfillment of those representations and promises made to the Court on March 5, 2002, and the Court approves Class Counsel's entry into said Amendment to Agreement. This Court further finds that the Supplemental ADR/Applicant Settlement Process is fair and reasonable, and that the Amendment of said Supplemental ADR/Applicant Settlement Process is in furtherance of the promises made to this Court on March 5, 2002. Accordingly, the Court hereby approves the Amendment to the Fund as set forth in the Joint Status Report. All other requirements and terms of the Court's Order of July 15, 2002 shall remain in full force and effect.

IT IS SO ORDERED.

DATE: December 13, 2002
