1970	LAFAYETTE			
8-6-70 KCont/d.	The Court held that Deft. plan as respects E.St.Mary Parish is constitutionally valid, but that it must meet the six criteria delineated by Supreme Court in Green Case. AS TO FACULTY, the Court separates HN school district into two areas - E.St.Mary Parish & W.St.Mary XXXXXX Parish, with fx faculty ration of 70%-30% for E.St.Mary & faculty ration of 65% for W.St.Mary. As to E.St.Mary Parish the Board was ordered to fill all vacancies xxx occurring with faculty members of opposite race from that of teachers leaving system until parish-wide ration of 66% white & 33% Negro is reached; and that with respect to W.St.Mary Parish that same policy be followed until faculty ration of 66%white & 33% negro is reached on parish-wide basis. The alternate plan filed this date by Deft. Board for W.St.Mary Parish, identified as School Board Exhibit No. 2, is K a constitutionally acceptable plan as to school organization & student allocation and assignment. The Court will not require pairing of the two schools in the Glencoe-Gibbs area. White students in the area served by these 2 schools may continue to exercise their choice of schools. Since Attys for Pltfs. & Defts. have not reached any firm agreement as to this plan, it is approved by the Court subject to right of Attys for Pltfs. to file objections thereto, within five days, along with K any objections they may have to the faculty distribution on E.&W. Division of St.Mary Parish. Attys for Pltfs. shall inform the Court at earliest possible time (TOMORROW) (OR NEXT DAY) as soon as they are able to consult with their other associates in this case as to what their objections will be so that a hearing can be set as soon as possible.
