3-7-80		ME, The (D) School Board's motion to continue having been considered, the court having conferred by telephone w/ the atty's for the Govt. Mr. Flanagan and the (P)'s Mr. Berry because of the lack of time for formal response, both the Govt. and the (P) opposed the continuance but could not dispute that the motion just filed by the Govt. and by the (P)'s had introduced substantial issues before the court which had not previously been filed or alluded to. We find that these motions do add substantially to the matters at issue, that in some instances the demands of these parties conflict w/in themselves and with each other, that the matter, as shown in (D)'s motion, is not in a posture for T. It is therefore ordered that the T date presently set for Monday March 10, 80, be continued w/out date and that a status conf. for the purpose of clarifying the issues and setting a new date for T be set for Tuesday, March 11, 80, 1:00, in Alex. 3-11-80		ME, a status conference was held in case in open court in Alex., La. The court ordered that all parties refrain from filing additional pleadings except for the proposed desegregation plan which will be filed by the (P)'s no later than March 21, 80. The court will accept the Govt's motion to immediately implement their proposed desegregation only as a proffer. All parties were directed to file discovery (interrogatories and requests for admissions) no later than March 21, 80. Any replies to this discovery must be filed no later than March 28, 80. The (D) must file all discovery relating to the (P)'s proposed plan for desegregation motion for SJ must be filed no later than March 28, 80. and the (D) will have until April 9, 80, to reply to same. Any authorities the US may wish to file on (P)'s motion for SJ should be filed no later than April 9, 80. The court took under advisement and will set a date for the T. of this matter by Thursday March 13, 80. (NSS)/bg noeAO	
3-13-80		ME, the court having set this matter for hearing on Tuesday, April 22, 80, this setting having been made w/out consultation w/ any of the parties involved, immediate notice of the setting having been given by telephone to each of the parties involved, the (D) attorney having informed the court at that time that the National School Board Assc. Convention commences on the 17th of April 80 and continues through the 23rd of April, 80. that various members of the (D) School Board and staff are scheduled to attend That the (D) attorney has additional obligations at such function since he is a member of the executive committee of the National council of School Attys. considering also that the delay involves only one week and that the court would no have set the case for April 22, 80, had it consulted w/ the attorneys. Let the setting on April 22, 80 be continued and reset for Tuesday April 29 80 at 9:00 in Alex. NOE AO
