04/10/2020	<u>68</u>	ORDER: The Court has received inquiries from media representatives who wish to listen to the April 14, 2020, motion hearing telephonically. Although the usual rule is that federal district courts may not broadcast their proceedings, the Executive Committee of the Judicial Conference recently issued a guidance document that "approve[s] a temporary exception to the policy to allow a judge to authorize the use of teleconference technology to provide the public and the media audio access to court proceedings while public access to federal courthouses generally, or with respect to a particular district, is restricted due to health and safety concerns during the Coronavirus Disease (COVID-19) pandemic." Given this development, public access to the April 14, 2020 hearing telephonically will be permitted. Those seeking access are directed to call (866) 390-1828; Access Code: 9667260 at least five minutes before the scheduled hearing. Participants are reminded that audiotaping the proceedings is prohibited. Ordered by Judge Dominic W Lanza on 4/10/20. This is a TEXT ENTRY ONLY. There is no PDF document associated with this entry.
