04/16/2020	45	ORDER. Frederick Banks's Motion 44 to intervene is DENIED. The only conceivable and proper role, and scope, of Movant's participation in this lawsuit is as that of a putative class member. The class-certification aspects of this lawsuit having not yet been adjudicated, Movant's request to intervene is premature. See generally United Airlines, Inc. v. McDonald, 432 U.S. 385, 394 (U.S. 1977) (discouraging intervention where allowance "would only... ma[ke] the [movant] a superfluous spectator"). Signed by Judge Cathy Bissoon on 4/16/20. Staff note: On the Court's next business day, a copy of this filing will be sent, via First-Class U.S. Mail, to Movant at the return address listed on his letter of submission (Frederick Banks, 120759 6F, Allegheny County Jail, 950 2nd Avenue, Pittsburgh, PA 15219). 04/26/2020		IMPORTANT NOTICE: The United States District Court for the Western District of Pennsylvania will be upgrading its current CM/ECF system to the Next Generation of CM/ECF on May 26, 2020. Complete information, including a checklist of actions regarding the WDPA NexGen CM/ECF implementation, can be found here . Preparing for NextGen is a two-step process. The first step is to upgrade any legacy PACER accounts. Each attorney must have an individual upgraded PACER account in order to electronically file after our conversion to NextGen. The second step will be to link that upgraded PACER account with your WDPA CM/ECF account after the Court goes live with NextGen. To link your account, you will need your current e-filing credentials from our Court. If your CM/ECF login contains a special character (such as &, @, \$, *), you will need to change it as logins with those characters will be unable to link to PACER accounts. <u>No later than Thursday, May 21, 2020</u> , you should log into both PACER and the current version of CM/ECF to (1) review and record your current e-filing credentials for both, as you will need to know them in order to e-file after May 23, 2020 and (2) ensure that your primary email address to receive Notices of Electronic Filings (NEF) is accurate. Failure to provide an accurate email address may result in a delay in receiving NEFs after the Court converts to NextGen. (Administrator,) (ADI) (Entered: 04/26/2020)

To link your account, you will need your current e-filing credentials from our Court. <u>If your CM/ECF login contains any special characters (anything other than a letter or number), you will need to change it as logins with those characters will be unable to link to PACER accounts. 08/17/2020	88	ORDER. Plaintiffs' counsel have contacted the undersigned's Chambers, requesting a telephonic conference to discuss allegations

		of noncompliance with the Consent Order (Doc. 71). Although Plaintiffs' counsel are correct that the Consent Order generally directs the parties to contact Chambers before proceeding to motions-practice, the Court's review of Plaintiffs' written summary of grievances reveals them not to be amenable to informal resolution. In addition, there is no indication that the parties have engaged the carefully-drawn procedures for resolving claims of non-compliance, detailed in paragraphs 11-13 of the Consent Order. The parties shall engage those procedures, and Defendants' date-of-notice is deemed to be today, the date of this Order. If engagement in the aforementioned procedures does not result in a resolution, Plaintiffs may file a motion to enforce and/or for contempt, without further request for a telephonic conference.
