04/13/2020	12	ENDORSED ORDER Regarding Phone Calls to Chambers. The following rules apply in this and all other civil matters pending before Judge Marcia G. Cooke: 1. Do not call Chambers to ask about the status of pending motions, including motions for extension of time. The Court is aware of all pending motions and will address each of them in due course. 2. Do not call Chambers if the information you seek, or seek to provide, can be conveyed through a filing on the docket. 3. Do not call Chambers if the information you seek is available from other sources, including Court Orders and the Local Rules. 4. If you call Chambers for a permissible purpose, counsel for all affected parties must be on the line. Calls from non-attorneys and *ex parte* calls will not be accepted. Signed by Judge Marcia G. 04/14/2020	15	PAPERLESS ORDER Setting Emergency Telephonic Status Conference for 4/14/2020 at 4:15 PM in the Miami Division before Magistrate Judge Jonathan Goodman. Attendance may be made by following the call-in procedures: (1) dial 1-888-684-8852; (2) enter Access Code Number 8004594, followed by the # sign; and (3) enter Security Code Number 1213, followed by the # sign. The Undersigned prefers that the primary advocate attorneys use a landline, but the Court understands that attorneys may now be working remotely and lack landline access, so those attorneys may use cell phones without placing them on mute. Cellphone attendees other than the primary participating attorneys (such as co-counsel, members of the public, etc.), after noting their appearances, must remain on mute. Counsel should be prepared to discuss an expedited briefing schedule and the scheduling of an emergency hearing. Signed by Magistrate Judge Jonathan Goodman on 4/14/2020. (jzn) (Entered: 04/14/2020)
04/14/2020	16	NOTICE of Attorney Appearance by Natalie Diaz on behalf of Field Office Director, Miami Field Office, U.S. Immigration and Customs Enforcement, U.S. Attorney General. 04/14/2020	17	PAPERLESS ORDER Setting Telephonic Motion Hearing on 4 Plaintiffs' Motion for Temporary Restraining Order and Motion for Preliminary Injunction for 4/17/2020 at 4:00 PM in the Miami Division before Magistrate Judge Jonathan Goodman. Attendance may be made by following the call-in procedures: (1) dial 1-888-684-8852; (2) enter Access Code Number 8004594, followed by the # sign; and (3) enter Security Code Number 1213, followed by the # sign. If feasible, counsel who will be arguing the motion or speaking at the hearing must dial in from a landline; cellphone attendees other than the primary participating attorneys (such as co-counsel, members of the public, etc.), after noting their appearances, must remain on mute. The Undersigned prefers that the primary advocate attorneys use a landline, but the Court understands that attorneys may now be working remotely and lack landline access, so those attorneys may use cell phones without

04/14/2020	18	POST-HEARING ADMINISTRATIVE ORDER. Signed by Magistrate Judge Jonathan Goodman on 4/14/2020. *See attached document for full details.* (jzn) (Entered: 04/14/2020)
04/14/2020	19	SUPPLEMENTAL PAPERLESS ORDER re 18 Order Following Telephone Hearing. This Order supplements the post-hearing Order [ECF No. 18] I entered this afternoon. It imposes an additional disclosure requirement on the Defendants. The Defendants shall, by noon on Thursday, April 16, 2020, explain in a declaration whether any of the 34 named class action plaintiffs have been transferred out of an immigration detention facility after the lawsuit was filed. If the answer is "yes," then the Defendants shall provide the name of each plaintiff transferred, when the transfer occurred and the facility to which the detainee was transferred. The person who signs this declaration need not be the same person who signs a declaration concerning the allegations in the Verified Complaint and emergency motion for a TRO, though it certainly can be that same person (or persons). Signed by Magistrate Judge Jonathan Goodman on 4/14/2020. (JG) (Entered: 04/14/2020)
04/14/2020	20	PAPERLESS ORDER re 18 Order. This Order clarifies the post-hearing administrative order. Specifically, it provides more-specific information about the phrase "staff members" in numbered paragraph 2 of the Order. "Staff members" is not limited to actual ICE employees or employees of the United States or one of its agencies or departments. To the contrary, it is designed to encompass anyone and everyone who works at the three facilities -- including, by way of example, employees of third party contractors who provide services and personnel to the detention centers. Thus, to provide one specific illustration, if a company, such as Akima, provides services or employees at the Krome detention facility, then Akima employees who work as guards (or nurses or counselors or administrative aides or any other position at the detention center) would be included in the term "staff members."

		This same definition applies for all three detention centers. The purpose of the declarations is to provide the Court with *information*, and the information should be comprehensive and not limited by technicalities, such as whether a guard or officer is a government employee or an employee of a third party contractor or contracting vendor. For purposes of gauging the health risk to detainees, it matters little whether a COVID-19-infected guard or officer receives a paycheck from the United States or from Akima (or some other company). If this clarification requires Defendants to obtain information from Akima and/or other contracting parties, then so be it. The point is, I don't want to be on the short end of the information stick. Signed by Magistrate Judge Jonathan Goodman on 4/14/2020. (JG) (Entered: 04/14/2020)

04/15/2020	27	PAPERLESS ORDER denying 26 Without Prejudice Plaintiffs' Motion For Supplemental Questions. Plaintiffs' motion asks for supplemental questions, but their request is more akin to a comprehensive written discovery package. In effect, it is a request for production of documents, interrogatories and a *de facto* Rule 30(b)(6) deposition of a government entity. In reality, because most of proposed supplemental questions contain multiple sub-parts, it essentially seeks detailed information about more than 110 topics. Moreover, it asks for the information about three separate facilities, which means it actually seeks answers to more than 330 inquiries. Remarkably, it asks that I order the Defendants to respond by tomorrow at noon and to include the answers in the declarations previously ordered. Alternatively, Plaintiffs' motion asks that Defendants include the supplemental information and documents and produce all of it by noon on Friday. Wow. Notwithstanding the massive effort which would be required to adequately respond to these questions and requests for documents and fact-specific details, Plaintiffs say they do not want the requested discovery to delay the hearing -- scheduled for 4:00 p.m. the day after tomorrow.

		Although the requested information may well be relevant, it is patently unreasonable to expect Defendants to comply by either of the two incredibly tight deadlines proffered by Defendants. Plaintiffs' motion represents that they want the hearing to go forward, so I am taking them at their word and will not postpone the hearing. But, by the same token, I will not impose an unreasonable burden on Defendants and set them up for failure by requiring the impossible. Perhaps the information and documents requested in the motion will be required at some point in this case. But it surely won't be within 48 hours. 04/16/2020	30	NOTICE by Field Office Director, Miami Field Office, U.S. Immigration and Customs Enforcement, U.S. Attorney General *of Filing Declarations* (Attachments: # 1 Exhibit A, # 2 Exhibit B) (Diaz, Natalie) (Entered: 04/16/2020)
04/16/2020	31	VACATED per DE# 36 , PAPERLESS ORDER re 30 Notice (Other) filed by Field Office Director, Miami Field Office, U.S. Immigration and Customs Enforcement, U.S. Attorney General

About half an hour ago, Defendants filed a notice of filing declarations, and they attached two declarations. The notice does not expressly say that it and the declarations were being filed under seal. Defendants did not file a motion for leave to file under seal. Nevertheless, these materials were, in fact, filed under seal.

There are three major problems with this.

First, Plaintiffs' counsel cannot access these materials, so how are they going to be prepared for tomorrow afternoon's emergency hearing? If defense counsel emailed copies to Plaintiffs' counsel, then this development was not explained to the Undersigned.

Second, Defendants have not established good cause to file these materials under seal, nor have they even tried to accomplish that goal. As a federal magistrate judge involved in this case, I have access to the materials, and I have reviewed them. But others outside of Court staffers do not.

I see nothing there which cries out for under-seal status. The materials do not mention the names of any specific detainees or staff members or independent contractors. They do not disclose social security numbers or other personal identification information. Not only are the materials not confidential, but they are relatively bland and innocuous.

Third, there may well be a public interest in this case. Our courts are presumed to be open. Filing documents under seal without leave of Court and without a sound basis for confidential treatment is inherently at odds with the basic principle of open courts.

So Defendants shall re-file the notice and attached declarations as public filings on CM/ECF or they shall immediately file a motion seeking leave and explaining why the materials must remain secret and hidden from the public and Plaintiffs' counsel.

One final point:

It appears to me that additional declarations will be forthcoming because the two which were filed (albeit under seal) do not address all the topics which should have been covered and because nothing was filed in connection with one of the three detention centers (i.e., Glades).

Therefore, any additional, similar filings shall be public and not under seal, unless Defendants obtain an Order permitting under-seal status.

04/16/2020	35	PAPERLESS ORDER re 30 Notice (Other) filed by Field Office Director, Miami Field Office, U.S. Immigration and Customs Enforcement, U.S. Attorney General, 31 Order,,,,,,,,,, This Order is an apology to Defendants and their counsel for incorrectly and unfairly criticizing them for purportedly filing two declarations under seal. They did not do that. I mistakenly believed that they had. My error happened under the following scenario: Earlier today, at my instruction, Defendants filed [ECF No. 30] two declarations. I assumed (incorrectly, as it turns out) that Defendants filed the documents under seal. I reached this conclusion because the same notice -- "Warning! This document is restricted" -- which accompanies sealed documents appeared. Half an hour later, I entered an Order [ECF No. 31] which took issue with the purported "under-seal" filing, noting that Defendants had not obtained Court approval to make an under-seal submission and observing the non-confidential nature of the information in the declarations. Defendants then explained [ECF No. 32] that they did not file the declarations under seal and never sought to restrict access to the documents. Defense counsel, a high-ranking and well-respected AUSA, advised that the Pacer docket might be restricted because this case is an immigration case and might not be available to the public.

		Apparently, the Clerk's Office imposes a restricted access designation to all immigration cases -- and does so *automatically.* This case concerns immigration detention centers in South Florida and appears to be classified as an "immigration case." In any event, this restricted access permits the parties and their attorneys to have remote electronic access to the case file. However, it permits "other persons" (e.g., the public) remote electronic access only at the courthouse. Moreover, the "other persons" may at the courthouse review only the docket and opinions, orders, judgments and "other dispositions of the Court." Other parts of the case file -- such as Defendants' submission of the declarations -- are not available to the public (i.e., "other persons"). *See* Federal Rule of Civil Procedure 5.2(c). Neither the Clerk's Office nor Defendants (including the AUSAs who represent them) acted improperly. The defense lawyers merely filed the declarations and the Clerk's Office simply followed the Rule. The only person who goofed was me. Therefore, I owe Defendants and their attorneys an apology. I am sorry that I incorrectly assumed that you tried to file the declarations under seal or otherwise restrict access to them. I regret my mistake and the entry of that incorrect Order. I will vacate it. Signed by Magistrate Judge Jonathan Goodman on 4/16/2020. (JG) (Entered: 04/16/2020)

04/17/2020	41	PAPERLESS ORDER granting 39 Motion for Leave to File. *Clerks Notice: Filer must separately re-file the amended pleading pursuant to Local Rule 15.1, unless otherwise ordered by the Judge*. Plaintiffs ask the Court to "accept" supplemental exhibits in connection with this afternoon's scheduled emergency hearing on their motion for a TRO and a preliminary injunction. This Order permits Plaintiffs to submit the exhibits, which consist primarily of two declarations from Dr. Homer Venters, an expert witness who submitted the declarations in a federal lawsuit pending in California.

		I'm not sure what Plaintiffs mean when they ask me to "accept" the exhibits. They are now part of the file and are now of record. Like any submission, they can be afforded great weight, little weight or no weight. I have not yet determined what weight, if any, I will give them. These exhibits, however, are now part of the record and the parties can make arguments about their significance (or lack of significance). Although I have not yet had time to thoroughly review the declarations, I note that they do not refer to the three detention centers involved in the instant case, do not mention the declarations filed in the instant case, and do not discuss the allegations of the instant lawsuit. Instead, the declarations opine on conditions *in general* and appear to largely focus on a comparison between guidelines, mandatory procedures and best practices, based on the doctor's experience with the medical treatment provided in the State of New York's prisons and his familiarity with some ICE detention facilities. Plaintiffs need not refile the exhibits, however. Signed by Magistrate Judge Jonathan Goodman on 4/17/2020. (JG) (Entered: 04/17/2020)

04/18/2020	44	PAPERLESS ORDER concerning additional information. By noon on Monday, April 20, 2020, Defendants shall file a notice listing the detainee census in each of the three detention centers. This notice probably needs to be no more than one sentence: e.g., As of April 20, 2020 at 8:00 a.m., there are _____ detainees at Krome, _____ detainees at Broward and _____ detainees at Glades. The Undersigned anticipates that this is a relatively easy task, as defense counsel advised during yesterday's hearing that he could find out, and he implicitly suggested that the information could be obtained quickly.

		The Undersigned is asking for the information because of the significant disparity between the census estimates (guesstimates, actually) proffered by the parties during yesterday's hearing. Plaintiffs' counsel provided an estimate of 1,600 detainees at all three centers while defense counsel suggested only slightly more than a 1,000. That's quite a difference. In addition, the notice should advise on ICE's willingness to not transfer to other immigration detention facilities any of the current detainees pending the same circumstances and whether it is willing to not accept in any new detainees to the three detention centers pending the same circumstances. 		Juan Carlos Alfaro Garcia, Ruben Orlando Flores Ramos, Irvin Medoza Silis, Darwyn Yovanny Navarrette Sanchez, Maykel Valera Ramirez, Mohamed Hasan, Aparicio P. Jeronimo, Rene Jonathan Rosas Cardenas, Roseline Ostine This Order concerns the under-seal declarations which the proposed new Plaintiffs filed earlier today. I permitted counsel to file them under seal because they contain private personal medical information. I have reviewed only the first two declarations, from Julio Edward and Eitan Yefet. They contain precious little confidential medical information. Mr. Edward's declaration (pp. 2-4, out of 180 pages) contains fourteen (14) numbered paragraphs. Only paragraph 5, one sentence in paragraph 5(b) and paragraph 7 contain information which might be deemed so personal that it must be filed under seal. The remainder of the declaration is not personal or related to his medical condition at all. Instead, the remainder consists of **observations** he made about conditions at the detention center (e.g., amount of soap, whether the guards have masks or gloves, etc.) Similarly, Mr. Yefet's declaration (pp, 8-10, out of 180 pages)) also contains fourteen (14) paragraphs. Only paragraph 5 contains information which is so personal that it might justify under-seal status. The remainder of his declaration, just like the first declaration, contains the same types of non-confidential observations. I have not yet reviewed any declaration other than the first two, but I assume they are all substantially similar. Given this development, Petitioners' counsel will need to *publicly* refile, on CM/ECF, all of the declarations which were filed earlier today under seal -- but the few scraps of legitimately personal, medical information may be redacted. The declarations do not need to be resigned. All that needs to happen is for someone (or more than one person) to mechanically cover up (or cross out or block out or otherwise render unreadable) the small amount of personal information. All remaining portions, which are not confidential and not worthy of being deemed a secret from the public, will be on the docket, available to be reviewed -- just like other submissions filed in our open, usually-not-secret court system.

		This assignment should not take long to complete. The mechanical aspect of redacting should not take more than one minute per declaration. The parties should by now know my strong preference for publicly-filed submissions and my general aversion to requests to secretly file things under seal. Therefore, future requests to obtain approval for under-seal filings, from either side, should take this approach into consideration. Thus, to provide an illustration, if Petitioners wanted to add five more detainees and support the request with declarations, the motion to seal would explain that only one or two sentences are confidential and would seek leave to make two filings (i.e., one public, but slightly redacted, and one under seal, but unredacted). Everyone should now be on board. Signed by Magistrate Judge Jonathan Goodman on 4/22/2020. (JG) (Entered: 04/22/2020)

05/05/2020	83	PAPERLESS ORDER setting briefing schedule on 81 Plaintiffs' Expedited Motion For Class Certification. The Undersigned will honor Plaintiffs' request for expedited briefing. The response is due by Saturday (yes, Saturday), May 9, 2020, at noon. The optional reply is due by Tuesday, May 12, 2020, at noon. There will be a Zoom hearing on Thursday, May 14, 2020, at 3:00 p.m. in the Miami Division before Magistrate Judge Jonathan Goodman on 81 Plaintiffs' Expedited Motion for Class Certification. The Court will issue a separate order in a few days with the specific log-in information for the Zoom hearing. The parties may, by May 13, 2020, at 6:00 p.m., file under seal an optional list of three (3) specific, succinct questions which they would like the Undersigned to ask opposing counsel at the hearing. The questions may be about the factual record, the law, exhibits, the arguments raised in the briefing or any other issue relevant to the Undersigned's analysis of the motion. To the extent that the questions (which should be precise and pinpoint) concern exhibits, the parties may attach relevant exhibits to the under-seal list of questions. However, the parties should not indiscriminately file massive numbers of exhibits, nor should they file exhibits which run on for dozens of pages. It is highly unlikely that the Undersigned will be

		inclined to review more than an extremely modest number of pages of exhibits attached to the questions. By providing this alternative, the Undersigned is by no means suggesting that a party should attach exhibits to the questions. In fact, it might be better to simply refer to exhibits already filed (assuming the exhibits are not voluminous but, instead, are manageable and capable of being reviewed in the brief gap between the filing of the questions and the hearing). Although the Undersigned will carefully review all questions submitted, the mere fact that a party submitted a question does not necessarily mean that the Undersigned will in fact ask that specific question (or any of the questions, for that matter). The Undersigned may ask a question, may modify a question, may combine the question with another or may decide to skip the question entirely. To alleviate any conceivable concern that this procedure constitutes some type of ex parte procedure, the Undersigned will read out loud on the record every optional question submitted under seal by the parties, regardless of whether I will actually ask each question. At the risk of stating the obvious (but I do so because other counsel in other cases have asked), the under-seal questions need not be served on opposing counsel and need not be publicly filed on CM/ECF. Signed by Magistrate Judge Jonathan Goodman on 5/5/2020. (jzn) (Entered: 05/05/2020)

05/29/2020	125	ENDORSED ORDER SETTING HEARING. A Zoom Hearing on 4 Petitioners' Emergency Motion for Temporary Restraining Order and Motion for Preliminary Injunction for Proposed Class is set for June 2, 2020, at 10:00 A.M. in the Miami Division before the Honorable Marcia G. 06/01/2020	126	**ENDORSED ORDER.** On May 22, 2020, Magistrate Judge Goodman issued 111 a Report and Recommendations (R&R) on Petitioners' Motion for Class Certification with filed Objections due on June 5, 2020. However, on May 29, 2020, Judge Goodman *sua sponte* issued 123 an Amended R&R on the Motion for Class Certification expanding his discussion on the issue of how transfer of detainees affects jurisdiction and updating the procedural history. Other than these revisions, "the Amended Report is substantively identical to the first version." (ECF No. 123 at 1, n.1.) The Amended R&R extended the time to file Objections by an additional 14 days to June 12, 2020. To promote judicial economy and preserve resources, the Court has determined that it is in the best interest of justice to address the merits of the Motions for Preliminary Injunction and Class Certification in one Order. Accordingly, on May 31, 2020, the Court requested that the parties consent to extend the TRO until June 15,

		2020, to allow the parties the opportunity to submit any Objections to the Amended R&R before the Court issued an Order. On June 1, 2020, Respondents notified the Court that it did not agree to an additional extension. Pursuant to the Local Rules of this jurisdiction, "[a]ny party may appeal from a Magistrate Judges order determining a motion or matter... within fourteen (14) days after being served with the Magistrate Judges order, **unless** a different time is prescribed by the Magistrate Judge or District Judge." L.R.4(a) (emphasis added.) In light of Respondents decline of the Courts request and the Courts determination that the Motions for Preliminary Injunction and Class Certification should be addressed in one Order, it is hereby **ORDERED and ADJUDGED** that the parties shall file their Objections to 123 the Amended R&R on or before June 3, 2020. Signed by Judge Marcia G. Cooke on 6/1/2020. (kou) (Entered: 06/01/2020)

08/28/2020	306	ENDORSED ORDER denying 302 Emergency Motion with Certification of Emergency. The Emergency Motion is not properly certified as an emergency because it is missing critical language required by Local Rule 7.1(d)(1). More specifically, Local Rule 7.1(d)(1) requires that all emergency motions contain the following certification: [a]fter reviewing the facts and researching applicable legal principles, I certify that this motion in fact presents a true emergency (as opposed to a matter that may need only expedited treatment) and requires an immediate ruling because the Court would not be able to provide meaningful relief to a critical, non-routine issue after the expiration of seven days. I understand that an unwarranted certification may lead to sanctions. S.D. Fla. L.R. 7.1(d)(1). The Emergency Motion at issue here, however, fails to include all of the above-required language. Additionally, the Emergency Motion fails to provide the date by which a ruling is necessary, and the reason the ruling is needed by the stated date both of which are required under Local Rule 7.1(d)(1). Moreover, Local Rule 7.1(d)(1) cautions that unless a motion will become moot if not ruled on within seven (7) days, the motion should not be filed as an emergency motion. Id. Here, there is no indication that the Emergency Motion will become moot unless it is ruled upon within

		seven days. Indeed, presently, there are two other motions to intervene which are currently pending before the Court that were filed within the past several weeks. Thus, there is no basis to conclude that Mr. Pena's request to intervene will become moot if not ruled upon within the next seven days. As a result, counsel for Mr. Pena is directed to re-file the Motion along with the Petition for Writ of Habeas Corpus (as an exhibit) on a non-emergency basis. Meaning, the Motion should be re-filed as a regular motion not an emergency motion. Furthermore, counsel is cautioned that any future improper use of emergency certifications will result in sanctions. Signed by Judge Marcia G. Cooke on 8/28/2020. 09/15/2020	357	PAPERLESS Order****TIME CHANGE ONLY**** The 343 Telephonic Discovery Hearing set for 9/16/2020 will take place at **3:30 PM** in the Miami Division before Magistrate Judge Jonathan Goodman. Attendance may be made by following the call-in procedures: (1) dial 1-888-684-8852; (2) enter Access Code Number 8004594, followed by the # sign; and (3) enter Security Code Number 1213, followed by the # sign. If feasible, counsel who will be speaking at the hearing should dial in from a landline; cellphone attendees other than the primary participating attorneys (such as co-counsel, members of the public, etc.), after noting their appearances, must remain on mute. The Undersigned prefers that the primary advocate attorneys use a landline, but the Court understands that attorneys may now be working remotely and lack landline access, so those attorneys may use cell phones without placing them on mute. **Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the court.** Signed by Magistrate Judge Jonathan Goodman on 9/15/2020. 10/26/2020	416	PAPERLESS ORDER granting 395 Motion to Intervene. Movant Lathario Glenwood Rolle filed his motion to intervene on October 2, 2020. Respondents have not responded and the time to do so has expired. Likewise, Respondents did not file a motion for enlargement of time, nor did they seek any other type of relief concerning the motion. Petitioner Rolle, who is detained at Krome and who is already a member of the class which the Court previously certified, submitted his proposed petition as an exhibit to his motion to intervene.

		The Undersigned finds that his motion to intervene is appropriate under Federal Rule of Civil Procedure 26(b)(1) and therefore grants the motion. *See generally* Omnibus Order on Motions to Intervene. [ECF No. 356]. Movant must, however, separately refile, as a uniquely-filed document, the draft petition (which will now be an *actual* petition) for a writ of habeas corpus that he attached as an exhibit to his motion to intervene. Mr. Rolle shall do this by Friday, October 30, 2020. Signed by Magistrate Judge Jonathan Goodman on 10/26/2020. (JG) (Entered: 10/26/2020)

02/08/2021	538	PAPERLESS ORDER granting 393 Expedited Motion. Plaintiffs' counsel has now, in response to a question from the Undersigned, advised that the immediate exigency giving rise to the request for expedited treatment has passed. Nevertheless, counsel also advised that he would still like access to the entire Special Master's Report. In response to that notice [ECF No. 523], the Undersigned (on January 26, 2021) ordered [ECF No. 524]the Special Master to file a notice on his position about the requested relief by February 2, 2021]. February 2, 2021 has come and gone but the Special Master has not complied with the Order and has not filed a motion for additional time or otherwise submitted anything concerning the failure to comply with the Order. Given this procedural history, the Undersigned grants the motion by default. The Special Master shall give Plaintiffs' counsel full access to his Report by February 14, 2021. In order to make sure that this Order is also not ignored, counsel for *both* sides shall forward a copy of this Order to the Special Master's email address and shall also contact him by telephone, advising him of these developments. If the February 14, 2021 deadline for providing complete access is unworkable or logistically cumbersome, then the Special Master and the Special Master may agree on a different deadline. 03/05/2021	583	ENDORSED ORDER granting 581 Motion for Leave to File Surreply and Exhibits. Respondents shall separately file their surreply and exhibits by 10 pm today (March 5, 2021). The Court notes its disappointment with the Parties for their late filing of witness lists, etc. for the upcoming hearing. The Court set this hearing on January 15, 2021 (See ECF No. 508); yet, both Petitioner and Respondents have waited until the eve of the hearing to file witness lists, etc. This is not a very good practice if the Parties actually hope that the Court will thoroughly review and digest their filings before the 10:30 am hearing on March 8, 2021. As such, in the future all such witness lists and surreplies must be filed seven (7) days before a scheduled hearing in this case. Failure to comply with this Order may result in the Court not considering any such late filed documents. *Clerks Notice: Filer must separately re-file the amended pleading pursuant to Local Rule 15.1, unless otherwise ordered by the Judge*. Attendance for the hearing may be made by following the call-in procedures: (1) dial 1-888-684-8852; (2) enter Access Code Number 8004594, followed by the # sign; and (3) enter Security Code Number 1213, followed by the # sign. If feasible, counsel who will be arguing the motion or speaking at the hearing must dial in from a landline; cellphone attendees other than the primary participating attorneys (such as co-counsel, members of the public, etc.), after noting their appearances, must remain on mute. The Undersigned prefers that the primary advocate attorneys use a landline, but the Court understands that attorneys may now be working remotely and lack landline access, so those attorneys may use cell phones without placing them on mute. **Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings.
