05/14/2018	100	Minute Entry for proceedings held before Magistrate Judge Laurel Beeler: Settlement Conference held on 5/14/2018. The court held a settlement conference with the parties and put an agreement in principle on the record. The parties agreed to the terms of the settlement and a process going forward to resolve the injunctive relief. The settlement put on the record today resolves the damages and injunction trial now set for June 25, 2018. The parties agreed that they would resolve the pending motions as follows. The plaintiff will withdraw the motion for class certification at ECF No. 85 without prejudice. The parties stipulate that the plaintiffs may file the proposed third amended complaint at ECF No. 89-1, which will terminate the motion at ECF No. 89 for leave to file that complaint and which will render moot the three motions to dismiss at ECF Nos. 78, 79, and 81. The parties agreed that the defendants' deadline to file motions to dismiss the third amended complaint will be extended until after the parties work through the injunctive relief components. The parties devised a process that includes the undersigned's assistance at a further mediation. The parties will update the court in a written submission during the week of July 2, 2018 and will propose a second in-person mediation at that time. The parties also will submit a stipulation to the trial judge memorializing

09/30/2019	150	Minute Entry for proceedings held before Magistrate Judge Laurel Beeler: Settlement Conference held on 9/30/2019. The court held an in-person settlement conference and sets a further settlement conference for Friday, 11/22/2019 at 10:00 a.m. The parties will confer on the final written settlement agreement (after reviewing the audio recording and any transcript that the parties request) within two weeks and will update the court by 10/15/2019 by email to lbsettlement@cand.uscourts.gov and the court's personal email about their progress. Within that same time period, the County will provide the grievance forms for the past four months for blocks 21 and 24 (as discussed at the settlement conference), will circulate a written settlement proposal with the terms discussed, and will update the court by email (to the same addressees). During that time period, the plaintiffs will request from the County and CFMG any specific information about any specific incidents so that the County and CFMG may provide responsive reports. As to CFMG, the parties will arrange a site visit to take place after October 21, will schedule depositions of the two plaintiffs with individual damages claims (to take place after the next settlement conference, and presumably in December or January), and will update the court by email by 10/15/2019 about their progress. The court's expectation is that by November 15, 2019, the Aramark settlement will be finalized, and there will be one round of exchanges (at minimum) of written settlement proposals for the County and CFMG cases. The parties must lodge these

		proposals with the court no later than 11/15/2019 at 2 p.m. and may do so by email. Settlement Conference set for 11/22/2019 at 10:00 AM in San Francisco, Courtroom B, 15th Floor. 11/21/2019	153	CLERK'S NOTICE VACATING SETTLEMENT CONFERENCE: The court has had multiple settlement conferences with the parties. The court had follow-up settlement conversations this week. The court vacates the settlement conference. It will hold any future settlement conference only if

		the parties can cometo the settlement conference prepared to resolve any differences. For example, if the plaintiffs need to do a site visit before addressing the medical claims, they must have that visit. The court reminds the parties that settlement agreements usually have enforcement mechanisms that are a more efficient and certain way of ensuring compliance than litigation. <i>(This is a text-only entry generated by the court.
