04/27/2020	This court was contacted by email, by the Defendant's Attorney, on April 25, 2020 regarding a proposed motion to continue. This court instructed Defendant's Attorney that it would entertain such motion Monday morning at 9am, in the presence of Plaintiff's Attorney and a Court Reporter. The court further instructed Defendant's Attorney to forward any emails sent to the court, and from the court, to the Plaintiff's Attorney. Later that same day, Defendant's Attorney inquired if the court would be available to argue a motion to continue in the afternoon. The court indicated that it would accomodate that request, if agreed to by the Plaintiff. Accordingly, at 3pm on 4/25/2020, by teleconference and on the record, by a Court Reporter provided by the Defendant, the parties argued Defendant's Motion to continue, which this court denied. In the interest of transparency and to ensure the record is complete, attached is an email chain regarding the motion to continue teleconference on 04/27/2020. Docket entry to attorneys of record.
