09/09/2020		Minute Order [non-document] On September 8, 2020, the Court held a teleconference. The Court discussed Plaintiffs' motion for preliminary injunction and related state court case with the parties. Defendant's counsel represented that it is their position that the statute at issue does not allow for more than one drop box per county. However, if a court directs otherwise, the Secretary will follow that order and allow additional drop boxes. The Court will adhere to the principle that it is to construe statutes to avoid constitutional conflict. Therefore, the parties shall address in their briefing, and at the hearing, whether the statute prohibits any County Board of Elections from authorizing more than one secure drop box, and at sites other than the Board itself. Due to the urgency of a final decision, the Court's Order will consolidate Plaintiffs' motion for preliminary injunction and permanent injunction pursuant to Fed. R. Civ. P.65(a)(2). Defendant shall file its response to Plaintiffs' motion for preliminary injunction no later than September 16, 2020, and Plaintiffs shall file its reply to Defendant's opposition motion no later than September 21, 2020. The parties shall exchange exhibits, with copies sent to the Court, no later than 12:00 noon on September 21, 2020. A hearing will be held via Zoom on September 23, 2020, at 9:30 am. The Court will provide the parties with instructions as to how to access the hearing. Plaintiffs shall file a notice addressing, if the Court grants their requested relief, whether Plaintiffs intend to bring legal action against counties in the event that they decide to exercise their discretion by not providing more than one drop box, no later than 12:00 noon on September 9, 2020. 10/02/2020		Order [non-document] - On September 25, 2020, the Court issued an Order directing the Secretary to work closely with the Cuyahoga County board of elections to develop and implement a plan to alleviate the looming crisis for voters who plan to personally deliver their ballots for the November 3 election rather than returning them by mail. The Court instructed the Secretary to file a report on those efforts by 4:00 pm on September 30, 2020. On September 30, 2020, the Secretary filed his report informing the Court that the Secretary approved the portion of the Board's Plan ("Plan") that proposes to have Board staff collect absentee ballots in the parking lot of 3100 Chester Avenue. On October 1, 2020, Plaintiffs filed a response to the Secretary's report discussing the Secretary's efforts to comply with the Court's September 25 Order. Precisely, Plaintiffs assert that the Secretary implicitly rejected the portions of the Plan that called for additional collection locations at public libraries without any basis for doing so. The Secretary shall file a reply to Plaintiffs' response to the Secretary's report no later than noon on October 5, 2020. Specifically, the Secretary's reply shall address why he is prohibiting the Cuyahoga County board of elections plan to implement additional collection locations at public libraries.
