Executive Order 13993 of January 20, 2021

Revision of Civil Immigration Enforcement Policies and Priorities

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

Section 1. Policy. Immigrants have helped strengthen America's families, communities, businesses and workforce, and economy, infusing the United States with creativity, energy, and ingenuity. The task of enforcing the immigration laws is complex and requires setting priorities to best serve the national interest. The policy of my Administration is to protect national and border security, address the humanitarian challenges at the southern border, and ensure public health and safety. We must also adhere to due process of law as we safeguard the dignity and well-being of all families and communities. My Administration will reset the policies and practices for enforcing civil immigration laws to align enforcement with these values and priorities.

Sec. 2. Revocation. Executive Order 13768 of January 25, 2017 (Enhancing Public Safety in the Interior of the United States), is hereby revoked. The Secretary of State, the Attorney General, the Secretary of Homeland Security, the Director of the Office of Management and Budget, the Director of the Office of Personnel Management, and the heads of any other relevant executive departments and agencies (agencies) shall review any agency actions developed pursuant to Executive Order 13768 and take action, including issuing revised guidance, as appropriate and consistent with applicable law, that advances the policy set forth in section 1 of this order.

Sec. 3. General Provisions. (a) *Nothing in this order shall be construed to impair or otherwise affect:*

- (i) the authority granted by law to an executive department or agency, or the head thereof; or
 - (ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.
- (b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

SUBJECT: **Review of and Interim Revision to Civil Immigration
Enforcement and Removal Policies and Priorities**

This memorandum directs Department of Homeland Security components to conduct a review of policies and practices concerning immigration enforcement. It also sets interim policies during the course of that review, including a 100-day pause on certain removals to enable focusing the Department's resources where they are most needed. The United States faces significant operational challenges at the southwest border as it is confronting the most serious global public health crisis in a century. In light of those unique circumstances, the Department must surge resources to the border in order to ensure safe, legal and orderly processing, to rebuild fair and effective asylum procedures that respect human rights and due process, to adopt appropriate public health guidelines and protocols, and to prioritize responding to threats to national security, public safety, and border security.

This memorandum should be considered Department-wide guidance, applicable to the activities of U.S. Immigration and Customs Enforcement (ICE), U.S. Customs and Border Protection (CBP), and U.S. Citizenship and Immigration Services (USCIS).

A. Comprehensive Review of Enforcement Policies and Priorities

The Chief of Staff shall coordinate a Department-wide review of policies and practices concerning immigration enforcement. Pursuant to the review, each component shall develop recommendations to address aspects of immigration enforcement, including policies for prioritizing the use of enforcement personnel, detention space, and removal assets; policies governing the exercise of prosecutorial discretion; policies governing detention; and policies regarding interaction with state and local law enforcement. These recommendations shall ensure that the Department carries out our duties to enforce the law and serve the Department's mission in line with our values. The Chief of Staff shall provide recommendations for the issuance of revised policies at any point during this review and no later than 100 days from the date of this memo.

The memoranda in the attached appendix are hereby rescinded and superseded.

B. Interim Civil Enforcement Guidelines

Due to limited resources, DHS cannot respond to all immigration violations or remove all persons unlawfully in the United States. Rather, DHS must implement civil immigration enforcement based on sensible priorities and changing circumstances. DHS's civil immigration enforcement priorities are protecting national security, border security, and public safety. The review directed in section A will enable the development, issuance, and implementation of detailed revised enforcement priorities. In the interim and pending completion of that review, the Department's priorities shall be:

1. **National security.** Individuals who have engaged in or are suspected of terrorism or espionage, or whose apprehension, arrest and/or custody is otherwise necessary to protect the national security of the United States.
2. **Border security.** Individuals apprehended at the border or ports of entry while attempting to unlawfully enter the United States on or after November 1, 2020, or who were not physically present in the United States before November 1, 2020.
3. **Public safety.** Individuals incarcerated within federal, state, and local prisons and jails released on or after the issuance of this memorandum who have been convicted of an "aggravated felony," as that term is defined in section 101(a) (43) of the Immigration and Nationality Act at the time of conviction, and are determined to pose a threat to public safety.

These priorities shall apply not only to the decision to issue, serve, file, or cancel a Notice to Appear, but also to a broad range of other discretionary enforcement decisions, including deciding: whom to stop, question, and arrest; whom to detain or release; whether to settle, dismiss, appeal, or join in a motion on a case; and whether to grant deferred action or parole. In

addition, all enforcement and detention decisions shall be guided by DHS's ability to conduct operations and maintain custody consistent with applicable COVID-19 protocols.

While resources should be allocated to the priorities enumerated above, nothing in this memorandum prohibits the apprehension or detention of individuals unlawfully in the United States who are not identified as priorities herein. In order to ensure appropriate allocation of resources and exercise of prosecutorial discretion, the Acting Director of ICE shall issue operational guidance on the implementation of these priorities. This guidance shall contain a protocol for the Acting Secretary to conduct a periodic review of enforcement actions to ensure consistency with the priorities set forth in this memorandum. This guidance shall also include a process for the Director of ICE to review and approve of any civil immigration enforcement actions against individuals outside of federal, state or local prisons or jails.

These interim enforcement priorities shall go into effect on February 1, 2021 and remain in effect until superseded by revised priorities developed in connection with the review directed in section A.

C. Immediate 100-Day Pause on Removals

In light of the unique circumstances described above, DHS's limited resources must be prioritized to: (1) provide sufficient staff and resources to enhance border security and conduct immigration and asylum processing at the southwest border fairly and efficiently; and (2) comply with COVID-19 protocols to protect the health and safety of DHS personnel and those members of the public with whom DHS personnel interact. In addition, we must ensure that our removal resources are directed to the Department's highest enforcement priorities. Accordingly, and pending the completion of the review set forth in section A, I am directing an immediate pause on removals of any noncitizen¹ with a final order of removal (except as noted below) for 100 days to go into effect as soon as practical and no later than January 22, 2021.

The pause on removals applies to any noncitizen present in the United States when this directive takes effect with a final order of removal except one who:

1. According to a written finding by the Director of ICE, has engaged in or is suspected of terrorism or espionage, or otherwise poses a danger to the national security of the United States; or
2. Was not physically present in the United States before November 1, 2020; or
3. Has voluntarily agreed to waive any rights to remain in the United States, provided that he or she has been made fully aware of the consequences of waiver

¹ "Noncitizen" as used in this memorandum does not include noncitizen nationals of the United States.

and has been given a meaningful opportunity to access counsel prior to signing the waiver;² or

4. For whom the Acting Director of ICE, following consultation with the General Counsel, makes an individualized determination that removal is required by law.

No later than February 1, 2021, the Acting Director of ICE shall issue written instructions with additional operational guidance on the further implementation of this removal pause. The guidance shall include a process for individualized review and consideration of the appropriate disposition for individuals who have been ordered removed for 90 days or more, to the extent necessary to implement this pause. The process shall provide for assessments of alternatives to removal including, but not limited to, staying or reopening cases, alternative forms of detention, custodial detention, whether to grant temporary deferred action, or other appropriate action.

D. No Private Right Statement

These guidelines and priorities are not intended to, do not, and may not be relied upon to create any right or benefit, substantive or procedural, enforceable at law by any party in any administrative, civil, or criminal matter.

² A voluntary waiver encompasses noncitizens who stipulate to removal as part of a criminal disposition.
