01/14/2021	34	Minute Entry for proceedings held with chambers of Magistrate Judge Bernard G. Skomal: Plaintiff's counsel contacted Judge Skomal's chambers regarding the filing of a motion for expedited discovery on January 14, 2021. Before any briefing may be filed, the parties must meet and confer. If the parties can agree on a proposal, they may file a joint motion with their proposal. If they do not agree after meeting and conferring, they may file a joint statement setting forth each parties' position on the issue. The parties must meet and confer by January 27, 2021 and file either a joint motion or a joint statement by February 8, 2021. It must include the parties' proposed date to file their Rule 26(f) report and proposed deadlines for completion of fact and expert discovery. Additionally, if either party seeks discovery related to any particular topics on an expedited basis the scope of that discovery should be specifically identified. If a joint statement is filed, it is limited to five pages each with any exhibits summarized or quoted within the briefing. Because joint statements must include not only each parties' position, but a parties' response to the opposing party, the parties must exchange their briefing in advance of the deadline to submit a joint statement to allow each party to respond to the other's arguments.(no document attached) (rxa) (Entered: 01/15/2021)
