02/02/2021	224	ORDER DENYING 211 MOTION FOR EXTENSION OF TIME by Hon. Michelle L. Peterson. The Court finds an extension of the discovery and dispositive motions' deadlines are unwarranted at this time. Because the Court has yet to rule on the 209 Report and Recommendation regarding class certification, this matter is not a class action and the current deadlines are sufficient to address the permitted discovery regarding Petitioner Khan. Petitioner's motion is DENIED. Should the Court grant Petitioner's 21 Motion for Class Certification, Petitioners may renew their motion and identify the additional proposed discovery they seek for court approval.
