

1 A Around about 11:00 or 12:00.

2 Q In the morning?

3 A In the afternoon.

4 Q Okay.

5 A So they refused to take the guy out. We couldn't handle the
6 guy. We don't have no medication for him, so we asked them
7 whether they was going to give the man some medication. They
8 said the doctor wasn't in on Sunday, the doctor wasn't there
9 and we had to wait until Monday, so he started having another
10 attack around 2:30.

11 Q This was the third attack?

12 A This was the third attack.

13 Q Go on.

14 A We got tired of it, so we started keeping up a lot of noise
15 and the depts called the rest of the depts, the goon squad, they
16 came out there. The guy was still laying out on the rock
17 foaming at the mouth, eyes bugging, but he had toothbrushes
18 in his mouth. He was going through a lot of unnecessary
19 changes (sic), so we asked them to get the man to the hospital
20 or do something for him because we couldn't do nothing for
21 him up there in the jail, so they sent us to the hole and
22 carried the man up there with us and like they made us take
23 our things, strip and searched us again and then put us in the
24 hole and what happened to him, I don't know.

25 Q How many people went up to the hole?
