06/08/2016		ORDER re 71 : In view of the parties' agreement to select Dr. Eugene A. Bourquin to serve as the monitor provided for in the Consent Decree, the telephone conference scheduled for June 9, 2016 at 2:30 is cancelled. The Court is constrained, however, to note its concern about the County's apparent less than diligent attitude towards compliance with the terms of the Consent Decree. This concern arises from, among other things, the County's failure to timely respond to the motions for attorney's fees in accordance with the Court's local rules, and to meaningfully engage in the selection of a monitor within the three month time limit set forth in the Consent Decree. In each instance, the County's inaction was not remedied until after it was brought to the attention of the Court by plaintiffs. While the Court remains available to enforce the terms of the Consent Decree, it expects that the parties will proceed in good faith to comply with their obligations thereunder. Ordered by Judge Denis R. Hurley on 6/8/2016. (Gapinski, Michele) (Entered: 06/08/2016)
