ORDER

This matter coming to be heard on the motion of plaintiffs for an order enlarging the Horner Revitalizing Area ("HRA") to include an area of approximately sixteen square blocks bounded by Madison Street on the North, Washtenaw Avenue on the East, Van Buren Street on the South and Kedzie Avenue on the West (the "Enlarged Area"); and

The Receiver, Daniel Levin and The Habitat Company, having represented to the Court that the Enlarged Area is an appropriate and desirable location for approximately 60 replacement housing units; and

The Court having heard the views of the parties;

Now, therefore, IT IS HEREBY ORDERED:

1. The Receiver shall be free to develop within an area bounded by Madison Street on the North, Washtenaw

Avenue on the East, Van Buren Street on the South, and Kedzie Avenue on the West approximately 60 units of the public housing previously authorized by the Court's Order of April 15, 1996, to be developed within the expanded HRA west of Western and north of Madison;

2. All conditions embodied in this Court's order of August 14, 1995, shall apply to units developed in the Enlarged Area, including the requirement that 50% of the replacement housing dwelling units are to be occupied by families whose incomes are in the range of 50-80% of the metropolitan area median income; and

3. The modification of the CHA Tenant Assignment Plan embodied in this Court's order of August 23, 1995, shall apply to units developed in the Enlarged Area.

4. This order shall be without prejudice to any party's future request to authorize the Receiver to develop approximately 60 previously authorized additional public housing replacement units within the Horner Revitalizing Area, as enlarged, or to authorize the Receiver to develop

replacement units therein in addition to such units
previously authorized.
