Case No. 66 C 1459

ORDER

MARVIN E. ASPEN, Chief Judge:

This matter coming to be heard on the motion of plaintiffs to schedule a chambers conference, and the Court having considered the same, in the exercise of the Court's continuing jurisdiction over this matter,

IT IS HEREBY ORDERED:

1. A chambers conference to consider the matters set forth in plaintiffs' motion is scheduled for 10:00 A.M. on Wednesday, October 20, 1999.

2. In addition to counsel for the parties and the Receiver, the Court requests the attendance of the following persons at such conference:

- Phillip Jackson, Executive Director of defendant CHA
- Daniel E. Levin, the Receiver (jointly with The Habitat Company) in this action
- Julia Stasch, Chief of Staff, Office of the Mayor, City of Chicago

- Linda A. Wawzenski, Assistant United States Attorney
- John R. Schmidt, Chair, West Haven Security Working Group
- Mamie Bone, President, Horner Local Advisory Council
- Ernest Gates, President, Near West Side Community Development Corporation
- William P. Wilen, plaintiffs' lead counsel in the *Horner* litigation.

3. The Court further requests that the participants in such chambers conference be prepared to describe the steps that have been taken, are scheduled to be taken, or ought to be taken to address the following issues respecting the Court's orders of August 14 and March 9, 1995, including the timetable for implementation:

- (i) The prompt repair of damaged housing.
- (ii) The adequacy of housing management procedures to identify tenants whose occupancy of Horner units should be deferred or who are in violation of their leases, and (in the latter cases) promptly to terminate occupancy or otherwise address the problems caused thereby.
- (iii) The adequacy of policing and other security measures, social services and other programs, and marketing procedures designed to maximize assurance that the economic mix of tenants contemplated by the Order of August 14, 1995, will be created and maintained.

The Court's preference is that the persons invited to such chambers conference be accompanied by no more than one person. The Court would expect counsel for the parties and the Receiver to abide by such preference.
