AGREED ORDER

This matter coming to be heard on the Joint Motion of Plaintiffs and Defendant Chicago Housing Authority, for 1) an order to waive Gautreaux locational restrictions and authorize the development of 83 new non-elderly public housing units in several mixed-income developments to be located in an area bounded by 40th Street to the north, Root Street to the south, State Street to the east, and the railroad embankment west of Federal Street to the west, on a site previously occupied by CHA's Robert Taylor public housing development, and 2) to amend the Tenant Assignment Plan to require that the 83 public housing units that are the subject of this motion be made available to eligible families relocating under CHA's Plan for Transformation; and

The Court having heard from the Parties concerning the proposed order, including that the Receiver, Daniel Levin and The Habitat Company LLC support the Joint Motion; and

The Court being cognizant that the principal remedial purpose of the orders previously entered in this case has been to provide Plaintiff class families with desegregated housing opportunities; and

The Court having retained jurisdiction to issue orders in this case "designed . . . to achieve results consistent with [the Judgment Order]," 304 F. Supp. 736, 741 (N.D.Ill. 1969); and

The Court being of the view that based on the representations of the Parties and the Receiver, the proposed 83 public housing units are designed to achieve results consistent with the Judgment Order previously entered in this case;

Now, therefore, IT IS HEREBY ORDERED:

(A) The Receiver, previously appointed by the Court to develop new non-elderly public housing on behalf of the Defendant, Chicago Housing Authority, shall be free to develop or cause to be developed 83 units of public housing in mixed-income buildings on the site previously occupied by CHA's Robert Taylor public housing development provided, however, that (1) the planned 68 affordable and 30 market-rate rental units in the buildings that are the subject of this motion are built and marketed roughly simultaneously with the development of the 83 public housing units to be authorized pursuant to this motion, and the 57 for-sale units (not including the 16 homeownership units to be built once the city relocates the Fire Station currently located within the development area), planned for the immediate area are marketed roughly simultaneously with such development and (2) the public housing units are and remain well-distributed among the non-public housing units across the developments that are the subject of this motion.

(B) The Chicago Housing Authority Tenant Assignment Plan, originally approved by the Order of this Court on November 24, 1969, and amended by further orders dated September 12, 1983, June 9, 1989, October 1, 1990, October 6, 1994, August 14, 1995,

July 20, 2001, August 29, 2002, March 24, 2003, August 5, 2003, December 16, 2003, March 30, 2004, and November 22, 2005 is hereby amended to require that the 83 public housing units that are the subject of this Order be made available to eligible families relocating under CHA's Plan for Transformation.
