V.		
CITY OF PHILADELPHIA,		
Defendant.		

I. PRELIMINARY MATTERS

A. Plaintiffs in this matter are Tony Brooks, Liam Dougherty, Fran Fulton, Louis Olivo, Liberty Resources, Inc., Disabled in Action of Pennsylvania, Inc., and Philadelphia ADAPT. Defendant in this matter is the City of Philadelphia ("the City"), a public entity. The City and the Plaintiffs shall be referred to in this Settlement Agreement ("Agreement") individually as a "Party" and collectively as the "Parties."

B. Tony Brooks, Liam Dougherty, Fran Fulton, and Louis Olivo are individuals with an impairment or impairments that affect their mobility and who use or will use pedestrian rights of way in the City of Philadelphia ("Individual Plaintiffs"). Each of the Individual Plaintiffs is an individual with a disability within the meaning of Section 3(2) of the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101, 12102 ("ADA") and Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. §§ 705(20), 794(a) ("Section 504"). Plaintiffs Liberty Resources, Inc., Disabled in Action of Pennsylvania, Inc., and Philadelphia ADAPT are

organizations within the City of Philadelphia who provide services to and/or advocate on behalf of people with disabilities ("Organizational Plaintiffs").

C. On July 7, 2020, this Court certified this case as a class action pursuant to Federal Rule of Civil Procedure 23(a) and (b)(2). The certified class is defined as a class of all persons with disabilities or impairments that affect their mobility—including, for example, people who use wheelchairs or other mobility devices, as well as those who are blind or have low vision—and who use or will use pedestrian rights of way in the City of Philadelphia. The Court appointed Plaintiffs Liberty Resources, Inc., Disabled in Action of Pennsylvania, Inc., Philadelphia ADAPT, Tony Brooks, Liam Dougherty, Fran Fulton, and Louis Olivo as class representatives. David Ferleger and Disability Rights Advocates were appointed as class counsel ("Class Counsel").

D. During the pendency of this Action, the Parties undertook extensive fact and expert discovery and engaged in extensive discussions regarding a potential resolution and settlement of the alleged claims, including in mediation before Magistrate Judge Elizabeth Hey. As a result of such discussions, the Parties now wish to effect a complete resolution and settlement of the claims, disputes, and controversies relating to the allegations of Plaintiffs and the Settlement Class, and to resolve their differences and disputes by settling such claims, disputes, and controversies under the terms set forth in this Agreement.

E. In entering into this Agreement, the Parties intend to resolve any and all claims that either were or could have been asserted in this Action on behalf of individuals with Mobility Disabilities with respect to the City's Pedestrian Facilities, subject to the Release of Claims set forth in Section 12 below.

F. In entering into this Agreement, the City does not admit that it has violated or failed to comply with, or has any liability to Plaintiffs or the Settlement Class under, any provisions of the ADA, Section 504, or any applicable laws of the State of Pennsylvania relating to accessibility for persons with Mobility Disabilities to the City's Pedestrian Facilities, any regulations or guidelines promulgated pursuant to those statutes, or any other applicable laws, regulations, or legal requirements. The City expressly denies and disputes, and continues to deny and dispute, the claims and contentions by Plaintiffs, and does not admit any liability to Plaintiffs or the Settlement Class. Neither this Agreement nor any of its terms or provisions, nor any of the negotiations connected with it, shall be construed as an admission or concession by the City of any such violation or failure to comply with any applicable law. This Agreement and its terms and provisions shall not be offered or received as evidence for any purpose whatsoever against the City in any action or proceeding, other than a proceeding to enforce the terms of this Agreement. By entering into this Agreement, the Plaintiffs do not concede any lack of merit in their allegations as stated in their Complaint as to the Defendant's alleged non-compliance with Title II of the Americans with Disabilities Act, 42 U.S.C. § 12181, *et seq.*, *as amended*, and the Rehabilitation of 1973, 29 U.S.C. § 794, as amended, *et seq.*, and their implementing regulations.

G. Section titles and other headings contained in this Agreement are included only for ease of reference and shall have no substantive effect.

1.19. "Technical Infeasibility Form" means a PennDOT Technical Infeasibility Form, substantially in the form attached to this Agreement as Exhibit D, or any other form adopted by PennDOT or the City for the purpose of documenting technical infeasibility of curb ramps. The

City shall notify Plaintiffs if any substantive changes are made to the Technical Infeasibility Form during the Settlement Period.

1.20. "Year" means a Fiscal Year of the City of Philadelphia, which runs from the first day in July to the last day in June, unless otherwise specified. For example, Fiscal Year 2023 begins on July 1, 2022, and ends on June 30, 2023.

2. Settlement Period

This Agreement shall become effective on the Effective Date and shall remain in effect for 15 years. If Class Counsel dispute that the Installation or Remediation of Compliant Curb Ramps has been completed, this Agreement shall remain in effect pending the conclusion of any dispute resolution proceedings or action to enforce the Agreement. The foregoing time period is referenced herein as the "Settlement Period."

3. New Construction, Alterations, and Maintenance

3.1. For the duration of the Settlement Period, whenever the City (or a third-party acting on the City's behalf) newly constructs a road or street with a pedestrian walkway, it will Install accessible curb ramps, as required by 28 C.F.R. § 35.151(a), except where the City can demonstrate that Installation of accessible curb ramps is technically infeasible or where the City has banned pedestrian crossing for all pedestrians due to safety concerns.

3.2. For the duration of the Settlement Period, whenever the City (or a third-party acting on the City's behalf) alters a road or street with a pedestrian walkway, it will Remediate existing but non-compliant curb ramps, and/or Install new accessible curb camps, as required by 28 C.F.R. § 35.151(b), except where the City can demonstrate that Remediation or Installation of accessible curb ramps is technically infeasible or where the City has banned pedestrian crossing for all pedestrians due to safety concerns.

3.3. Any treatment installed to indicate that the City has banned pedestrian crossing for all pedestrians at a particular location shall be consistent with PennDOT standards and in the sole discretion of the City.

3.4. For the duration of the Settlement Period, the City shall maintain curb ramps over which it has responsibility in operable working condition as required by 28 C.F.R. § 35.133.

4. Curb Ramp Obligation

4.1. Beginning on the Effective Date, the City shall ensure the Installation or Remediation of at least 10,000 curb ramps by the end of the Settlement Period (the "Curb Ramp Obligation").

4.2. For the purposes of this Agreement, the Curb Ramp Obligation includes the Installation and Remediation of curb ramps anywhere within the City, whether as part of street resurfacing on the Local or FAM Streets Networks, through the Request System set forth under Section 5, or as a result of any other third-party activity within the City for which the City requires a Compliant Curb Ramp, including, for example, work done by utilities, Related Entities, and in conjunction with development projects.

4.3. The City shall fulfill the Curb Ramp Obligation in Section 4.1 in accordance with the following schedule of tri-annual milestones for curb ramp Installation or Remediation:

4.3.1. 2,000 curb ramps by the end of Year three (3);

4.3.2. 4,000 curb ramps by the end of Year six (6);

4.3.3. 6,000 curb ramps by the end of Year nine (9);

4.3.4. 8,000 curb ramps by the end of Year twelve (12); and

4.3.5. 10,000 curb ramps by the end of Year fifteen (15).

4.4. The tri-annual milestones set forth in Section 4.3 are cumulative such that, if in any given milestone period the City exceeds the milestone for the Installation or Remediation of curb ramps, excess curb ramps shall count towards the satisfaction of any following milestone. For example, if the City has ensured the Remediation of 2,125 curb ramps by the conclusion of Year 3, ensuring the Installation or Remediation of an additional 1,875 curb ramps during Years 4, 5, and 6 would satisfy the milestone of 4,000 curb ramps by the conclusion of Year 6.

4.5. There will be instances when it will be technically infeasible for a curb ramp Installed or Remediated to be constructed in full and strict compliance with the requirements of the 2010 ADA Standards because of physical or site constraints. In such circumstances, the City must Install or Remediate curb ramps that provide Accessibility to the maximum extent feasible. Before reaching a conclusion about technical infeasibility, the City will consider the extent to which physical or site constraints can be addressed by alternative curb ramp designs as documented by a Post Construction Inspection Form and Technical Infeasibility Form.

5. Curb Ramp Request System

5.1. By the conclusion of Year 3 following the Effective Date and through the end of the Settlement Period, the City shall enable City residents to submit requests for the Installation, Remediation, or Maintenance of a curb ramp at any crossing on the Local Streets Network or FAM streets (the "Request System").

5.2. The City shall not be obligated to Install or Remediate more than fifty (50) curb ramps under the Request System in any given Year.

5.3. The City shall not be obligated to Maintain more than fifty (50) curb ramps under the Request System in any given Year.

5.4. Requests may be submitted by City residents using the City's existing 311 service request system via website, dedicated mobile phone application, telephone, or in person. Plaintiffs and Settlement Class members shall not be restricted from using the Request System.

5.5. Requests submitted shall be investigated as follows:

5.5.1. The City will use Best Efforts to investigate each request within thirty (30) days of the date the request was received.

5.5.2. Investigations shall include a determination of whether any existing curb ramp requires Maintenance or Remediation, or for requests regarding any location without an existing curb ramp, whether a curb ramp should be Installed.

5.5.3. Existing curb ramps with damaged detectable warning surfaces, in need of asphalt adjustments to address excessive lips or drainage at the base of the curb ramp, or other repairs that can be fixed with concrete patches, or where the path of travel is blocked by debris or objects, shall be scheduled for Maintenance. No work described in this Section shall constitute an Alteration under 28 C.F.R. § 35.151.

5.5.4. Existing curb ramps that have serious cracking or damage, or other major structural defects, will be scheduled for Remediation.

5.5.5. Locations without an existing curb ramp that serve a pedestrian crossing shall be scheduled for Installation unless the pedestrian crossing has been banned due to safety concerns. A crossing ban shall only be implemented, however, after an investigation and approval by a professional engineer. Investigation determinations shall be in the sole discretion of the City; however, such discretion shall not alter the City's obligations under Section 5. The investigation determination, or need for additional information, shall be communicated to the requestor after the investigation is complete.

5.6. Where the City has identified Installation, Remediation, or Maintenance is required in response to a request regarding a curb ramp at any crossing on the Local Streets Network the City shall perform such work as soon as practicable but no later than the following timelines:

5.6.1. The City shall use Best Efforts to complete Maintenance within nine (9) months of the conclusion of an investigation.

5.6.2. The City shall use Best Efforts to complete Installation or Remediation within twelve (12) months of the conclusion of an investigation unless (a) site-specific conditions, such as a limited right of way or existing utilities, buildings, walls, or vaults, require the curb ramp to be designed prior to construction; or (b) the curb ramp location is on a street scheduled to be resurfaced within the next twelve (12) months. For such curb ramp locations, the City shall use Best Efforts to complete Installation or Remediation within twenty-four (24) months of the conclusion of an investigation. In the event that site-specific conditions prevent the City from Installing or Remediating a curb ramp within twenty-four (24) months, despite Best Efforts, the City shall notify the person who made the request and complete such work within a reasonable period of time given the nature of the conditions.

5.7. Work performed in response to requests regarding a curb ramp at any crossing on the Local Streets Network shall be prioritized in accordance with the following:

5.7.1. Generally, the City shall prioritize work performed in response to requests based on the order in which the requests were received.

5.7.2. Should the City receive requests that warrant Installation, Remediation, or Maintenance in excess of the limits described in Sections 5.2 and 5.3, such work shall be prioritized based on (a) the Accessibility Score, or an equivalent accessibility need metric, for

that curb ramp location; and (b) whether the curb ramp location in question serves a crossing on a street scheduled for resurfacing within twelve (12) months of the conclusion of the investigation. The City shall make the methodology used to develop the Accessibility Score or equivalent accessibility need metric public on the City's official website.

5.8. Sections 5.6 and 5.7 shall only apply to curb ramps crossing the Local Streets Network and shall not apply to any other streets network within the City.

5.9. Where the City has identified Installation, Remediation, or Maintenance is required in response to a request regarding a curb ramp at any crossing on the FAM Network, the City shall perform such work subject to funding and contract requirements applicable to FAM projects.

6. Reporting

6.1. The City shall make publicly available the number and location of curb ramps for which the City has noticed work to proceed for Installation or Remediation within a reasonable time period after the finalization of any such notice to proceed for the duration of the Settlement Period.

6.2. The City shall make publicly available on an annual basis a single Status Report containing:

6.2.1. The number and location of curb ramps the City has ensured have been Installed or Remediated, over the prior year, whether as part of street resurfacing on the Local or FAM Streets Networks, through the Request System set forth under Section 5, or as a result of any other third-party activity within the City for which the City requires a Compliant Curb Ramp, including, for example, work done by utilities, Related Entities, and in conjunction with development projects for the duration of the Settlement Period.

6.2.2. The number and location of curb ramps for which the City has noticed work to proceed for Installation or Remediation within the prior year as part of street resurfacing on the Local or FAM Streets Networks or through the Request System set forth under Section 5.

6.2.3. The number, location, and basis of any banned pedestrian crossings.

6.3. Each Status Report will be made available to the public on the City's website in a format that complies with the Web Content Accessibility Guidelines published by the Web Accessibility Initiative (WAI) of the World Wide Web Consortium. Each Status Report will also be made available to Class Counsel, together with a declaration that the information therein accurately reflects the City's business records.

6.4. The City will provide to Class Counsel the Post Construction Inspection Forms and Technical Infeasibility Forms, if applicable, upon reasonable request.

6.5. Within forty-five (45) days of the Effective Date of the Agreement, the City will provide Class Counsel with copies of the current version of the Post Construction Inspection and Technical Infeasibility Forms, and any standard curb ramp design plans used by the City.

7. Training

The City shall ensure that City personnel involved with any curb ramp Installation, Remediation, or Maintenance performed by the City shall be trained regarding such work and any relevant requirements as set forth under this Agreement, including ADA accessibility laws regarding curb ramps.

8. Force Majeure

Any obligation on the City set forth in this Agreement may be postponed or altered if the postponement or alteration is caused or attributable to a force majeure (that is, due to acts of God, war, government regulations (other than regulations promulgated by the City), terrorism,

disaster (including power outages), strikes, civil disorder, recession, government declared fiscal emergency, pandemic or other emergency beyond the City's control that makes it illegal or impossible for the City to perform any such obligation. Any postponement or alteration of an obligation or obligations set forth in this Agreement as a result of an event outlined in this section shall only impact the relevant obligation or obligations and shall not impact any other unaffected obligation the City has agreed to undertake in this Agreement. If any event in this paragraph impacts the City's ability to meet its tri-annual milestones, such milestones shall be extended by the duration of any such event.

Notwithstanding this Section, Plaintiffs may challenge a postponement or alteration of any obligation under this Agreement using the dispute resolution process outlined at Section 13.

9. Enforcement

The Parties agree to and request that the U.S. District Court for the Eastern District of Pennsylvania retain jurisdiction over this matter for the purposes of enforcement of the terms and conditions of this Settlement Agreement, or any extension thereof. Notwithstanding the foregoing, this provision shall not prevent the Parties from seeking legal recourse under federal or state law for a breach of the terms herein.

10. Inspection

Throughout the Settlement Period, the Plaintiffs, Class Counsel, and/or any third party hired by Plaintiffs or Class Counsel may inspect work done in the City's pedestrian rights of way to install Compliant Curb Ramps, or to Remediate and repair non-compliant curb ramps in order to monitor compliance with the Agreement. Any review by Plaintiffs, Class Counsel, and/or a third party shall be undertaken in a manner to assure it will not unreasonably interfere with the City's operations.

11. Attorneys' Fees and Costs

11.1. The Parties agree that as a complete and total resolution of any and all attorneys' fees and costs to be sought in connection with this Action, except as provided in Sections 11.3 and 11.4, the City shall pay to Class Counsel the sum of $1,100,000 for all attorneys' fees, costs, and expenses.

11.2. Conditioned upon the District Court granting Final Approval of this Agreement, the City shall deliver payment in the amount agreed in Section 11.1 within forty-five (45) business days of the Effective Date.

11.3. The City shall pay Class Counsel their reasonable attorneys' fees, expenses, and costs incurred for performing all work reasonably necessary to monitor, implement, and administer the Agreement subject to a tri-annual cap of $60,000. Class Counsel's costs may include reasonable payment to a third party retained to provide technical expertise in monitoring the Agreement.

11.4. In the event that Plaintiffs seek to enforce the Agreement as set forth in Section 13.3, reasonable fees and costs shall be awarded for relief granted by the Court. The City shall be entitled to an award of reasonable fees and costs only if Plaintiffs' enforcement action is frivolous, unreasonable, or without foundation.

12. Release of Claims

12.1. Effective upon entry of judgment of Final Approval of the Agreement by the District Court, and in consideration for the City's commitments set forth in the Agreement, each of the Individual and Organizational Plaintiffs, on behalf of themselves and their respective heirs, assigns, successors, executors, administrators, agents, and representatives, ("Plaintiff Releasing Parties") will, upon the Effective Date, fully and finally release, acquit and discharge

the City from any and all claims, allegations, demands, damages, charges, complaints, actions, lawsuits, rights, liabilities, losses, injuries, obligations, disputes and causes of action of any kind, and whether known or unknown, suspected or unsuspected, asserted or unasserted, or actual or contingent, for monetary, injunctive, declaratory, or other relief, however described, that were brought, could have been brought, or could be brought now or in the future by the Plaintiff Releasing Parties that in any way relate to or arise from any of the City's or Related Entities' alleged actions, omissions, incidents, or conduct under the ADA, Section 504, or similar statutes related to the Accessibility, Installation, Remediation, or Maintenance of the City's Pedestrian Facilities at any time prior to the end of the Settlement Period (the "Plaintiff Released Claims"). Such Plaintiff Released Claims, however, shall not include any claims to enforce the terms of Agreement.

12.2. Effective upon entry of judgment of Final Approval of the Agreement by the District Court, and in consideration for the City's commitments set forth in the Agreement, the members of the Settlement Class, on behalf of themselves and their respective heirs, assigns, successors, executors, administrators, agents, and representatives, ("Class Member Releasing Parties") will, upon the Effective Date, fully and finally release, acquit and discharge the City from any claim for injunctive or declaratory relief that arises from any of the City's or Related Entities' alleged actions, omissions, incidents, or conduct under the ADA, Section 504, or similar statutes related to the Accessibility, Installation, Remediation, or Maintenance of the City's Pedestrian Facilities, at any time prior to the end of the Settlement Period (the "Class Member Released Claims").

12.3. The Release provided in this Section is expressly intended to assure that no further lawsuits for Plaintiff Released Claims or Class Member Released Claims are maintained

or instituted at any time during the Settlement Period and that the City will not be subject to conflicting judgments regarding the ADA-compliance or Accessibility of the City's Pedestrian Facilities. The Parties agree that during the Settlement Period, the Plaintiff Releasing Parties and the Class Member Releasing Parties will therefore refrain and forbear from commencing, instituting, or prosecuting any lawsuit, action, or other proceeding, in law, equity or otherwise, against the City and its Related Entities arising out of or relating to any of the Plaintiff Released Claims or Class Member Released Claims, including, without limitation, an action claiming that this Agreement was fraudulently induced. The Parties agree that monetary damages alone are inadequate to compensate for injury caused or threatened by a breach of this covenant not to sue, and that preliminary and permanent injunctive relief restraining and prohibiting the prosecution of any action or proceeding brought or instituted in violation hereof is a necessary and appropriate remedy in the event of such a breach or threatened breach. Such covenant not to sue, however, shall not include any claims to enforce the terms of this Agreement.

12.4. With respect to any claim to enforce the terms of this Agreement, the Parties agree that no claim, action, or proceeding alleging any violation of or failure to perform any provision of this Agreement shall be filed, commenced, or maintained unless and until the Parties have complied with all of the Dispute Resolution procedures set forth in Section 13 below.

13. Dispute Resolution

13.1. Meet and Confer Obligation: If any Party believes that a dispute exists relating to any violation of or failure to perform any of the provisions of the Agreement ("Dispute"), it shall notify the other Party in writing and describe the alleged violation or failure to perform with particularity. For any Dispute relating to the compliance of a curb ramp Installed or Remediated under this Agreement, such notice must occur within two (2) years of the date the curb ramp was

Installed or Remediated. For all other Disputes relating to obligations under this Agreement, such notice must occur within one (1) year of the date when the party knew or should have known about the alleged violation. The Party alleged to have committed the violation or failure to perform shall provide a written response within fifteen (15) business days of receipt of such notice and shall have a period of forty-five (45) days from receipt of notice from the other Party that they have violated or failed to perform to cure the alleged violation or failure to perform. If the Party alleging a violation or failure to perform maintains that the violation or failure to perform has not been cured, the Parties shall meet and confer and attempt to resolve the Dispute on an informal basis for a period of no more than sixty (60) days following the expiration of the time to cure the alleged violation, unless the parties mutually agree to an extension. Each party shall bear its own costs during this process.

13.2. Mediation Obligation: If the Parties are unable to resolve a Dispute through the meet and confer process described above, the Parties shall mediate in an effort to resolve the matter. The Parties shall have thirty (30) days to jointly select a mediator. The mediation shall be conducted in the manner determined by the mediator, and the Parties shall engage in good faith efforts to resolve the Dispute through such mediation. The Parties shall bear their own costs during the mediation and any costs associated with the mediator shall be equally divided between the Parties. If the Parties are unable to resolve a Dispute through mediation within 120 days of initiating mediation, either Party may enforce the agreement as provided in Section 13.3.

13.3. Agreement Enforcement Following Mediation: If the Parties are unable to resolve a Dispute through the mediation process described above, either Party may provide the other with written notice of its intent to enforce the Agreement. Thereafter, either Party may file a motion with the District Court to enforce the Agreement.

13.4. Governing Law: The terms of this Agreement shall be construed pursuant to the laws of the State of Pennsylvania with respect to principles of common law contract interpretation, and in accordance with the substantive law of the ADA and Section 504, as applicable.

14. Settlement Approval Process

14.1. Court Approval: This Agreement will be subject to approval by the District Court. However, nothing in this Agreement will be deemed to authorize the District Court to change or modify any of its terms. Any change, modification, or rejection of any of the provisions of this Agreement by the District Court or any other court will constitute a material modification of this Agreement, will prevent the Judgment from becoming Final, and will give any Party the right to terminate this Agreement in its entirety.

14.2. Preliminary Approval by the District Court: Within fifteen (15) days of circulating the fully executed Agreement, the Plaintiffs and the City will jointly submit a request to the District Court for Preliminary Approval of this Agreement, along with a request for an order from the District Court (substantially in the form attached to this Agreement as Exhibit E) (the "Preliminary Approval Order"): (i) preliminarily approving this Agreement; (ii) conditionally certifying the Settlement Class; (iii) appointing the Plaintiffs as class representatives for the Settlement Class; (iv) appointing Class Counsel to represent the Settlement Class; (v) directing notice to the Settlement Class as provided in this Agreement; (vi) setting forth procedures and deadlines for objections as provided in this Agreement; (vii) scheduling a Fairness Hearing; and (viii) enjoining Settlement Class members from asserting or maintaining any claims to be released by this Agreement pending the Fairness Hearing.

14.3. Conditional Certification of Settlement Class: The Parties acknowledge and agree that the Court has certified a class in this case and agree that the Settlement Class is identical to the class previously certified by the Court: all persons with disabilities or impairments that affect their mobility—including, for example, people who use wheelchairs or other mobility devices, as well as those who are blind or have low vision—and who use or will use pedestrian rights of way in the City of Philadelphia. The Parties further agree that the Settlement Class will be conditionally certified, in accordance with the terms of this Agreement, for the purposes of effectuating the settlement embodied in this Agreement.

14.4. No Opt-Out: The Parties agree that the Settlement Class will be certified in accordance with the standards applicable under Rule 23(b)(2) of the Federal Rules of Civil Procedure and that, accordingly, no Settlement Class member may opt out of any of the provisions of this Agreement.

14.5. Notice to Settlement Class: The Parties will jointly request approval by the District Court of notice to the Settlement Class as set forth in this Section 14.5.

14.5.1. Following the District Court's issuance of the Preliminary Approval Order, the Parties will provide notice of the proposed Agreement, advising the members of the Settlement Class of the terms of the proposed Agreement and their right to object to the proposed Agreement. Such notice will include the terms required by the District Court, which are anticipated to be as follows: (i) a brief statement of this Action, the settlement embodied in this Agreement, and the claims released by the Settlement Class; (ii) the date and time of the Fairness Hearing and/or Final Approval Hearing of the proposed Agreement; (iii) the deadline for submitting objections to the proposed Agreement; and (iv) the web page, address, and telephone

numbers that may be used to obtain a copy of the Settlement Agreement (substantially in the form attached to this Agreement as Exhibit F).

14.5.2. The Notice of Settlement will be published as follows:

14.5.2.1. Within twenty (20) days after the District Court has issued the Preliminary Approval Order, the City will cause a copy of the Notice of Settlement in English and Spanish and a copy of the Settlement Agreement to be posted and remain posted on the City's official website (www.phila.gov) through the deadline for any member of the Settlement Class to submit an objection.

14.5.2.2. Within twenty (20) days after the District Court has issued the Preliminary Approval Order, each firm making up Class Counsel will post on its website a copy of the Notice of Settlement in English and Spanish (as provided by the City) and a copy of the Settlement Agreement. Additionally, Class Counsel will distribute the Notice of Settlement to local disability rights organizations.

14.5.2.3. Within thirty (30) days after the District Court has issued the Preliminary Approval Order, the City will cause the Notice of the Settlement to be published in a main local media outlet in English and Spanish, and/or as the District Court may otherwise order.

14.6. Objections to the Agreement: Members of the Settlement Class will have an opportunity to object to the proposed Agreement but may not opt-out. The Parties will request that the District Court order the following procedures for assertion of objections, if any, to the Agreement:

14.6.1. Any Settlement Class member may object to this Agreement by mailing written objections to the District Court at least thirty (30) days before the Fairness Hearing, with a copy of such objections mailed concurrently to Class Counsel and Counsel for the City.

14.6.2. With respect to any and all objections to this Agreement received by Class Counsel, Class Counsel will provide a copy of each objection to counsel of record for the City, by messenger delivery or electronic-mail delivery, within two (2) court days after receipt of such objection.

14.6.3. Responses by Class Counsel and/or the City to any timely-filed objections will be filed with the District Court in conjunction with the Parties' motion for final approval, or as otherwise ordered by the Court.

14.7. Additional Steps: The Parties will take all procedural steps regarding the Fairness Hearing that may be requested by the District Court and will otherwise use their respective best efforts to consummate the settlement embodied in this Agreement, and to obtain approval of this Agreement, and entry of the Judgment.

14.8. Fairness Hearing: The Parties will jointly request that the District Court schedule and conduct a Fairness Hearing to decide whether Final Approval of the Agreement will be granted. At the Fairness Hearing, the Parties will jointly move for entry of the Judgment (substantially in the form as attached to this Agreement as Exhibit G), providing for: (i) Final Approval of this Agreement as fair, adequate, and reasonable; (ii) final certification of the Settlement Class for settlement purposes only; (iii) final approval of the form and method of notice of the Judgment to the Settlement Class; (iv) final approval of the appointment of Class Counsel for the Settlement Class; (v) final approval of the appointment of Plaintiffs as class representatives of the Settlement Class; (vi) final approval of the release of the City from the

Plaintiff Released Claims and Class Member Released Claims; (vii) final approval of the Parties and all members of the Settlement Class to be bound by the Judgment; (viii) final approval of attorneys' fees and costs, and (ix) the District Court's retention of jurisdiction over the Parties to enforce the terms of the Judgment throughout the Settlement Period.

14.9. Media Communications Regarding Settlement: The Parties agree that after the full execution of this Agreement, they and their respective counsel may issue a press release and discuss the settlement set forth in this Agreement with the media but will use their best efforts to refrain from disparaging the other Parties or their counsel in connection with the settlement and the matters set forth in this Agreement.

14.10. Waiver: The failure of any party to assert any of its rights hereunder shall not constitute a waiver of such rights.

14.11. Final Approval.

14.11.1. The Parties agree that, upon Final Approval the District Court will enter the Judgment under Rule 54(b) of the Federal Rules of Civil Procedure (substantially in the form attached to this Agreement as Exhibit G) dismissing this Action with prejudice.

14.11.2. Should the District Court deny the Parties' request to enter the Judgment, should this Agreement not receive Final Approval by the District Court for any reason, or should this Agreement not become Final for any reason in accordance with its terms: (i) this Agreement will be null and void and of no force and effect; (ii) nothing in this Agreement will be deemed to prejudice the position of any of the Parties with respect to any matter; and (iii) neither the existence of this Agreement, nor its contents, will be admissible in evidence, referred to for any purpose in any litigation or proceeding, or be deemed an admission by the City of any fault, wrongdoing, or liability.

14.11.3. This Agreement, upon Final Approval, will be binding upon the City, Plaintiffs, and all Settlement Class members and, to the extent specifically set forth in this Agreement, upon Class Counsel; will extinguish all Plaintiff Released Claims and Class Member Released Claims and will constitute the final and complete resolution of all issues addressed herein. This Agreement is the complete and final disposition and settlement of any and all Plaintiff Released Claims and Class Member Released Claims, as detailed in Section 12.

Instructions

The Curb Ramp Inspection Form (CS-4401) will be used for the inspection of all altered curb ramps within the project limits to ensure compliance to PennDOT standards or the contract documents. This includes newly constructed curb ramps and existing curb ramps not reconstructed. Refer to Publication 13M - Design Manual Part 2, Chapter 6 for additional information on “alterations.”

A thorough and rigorous inspection to ensure an ADA compliant curb ramp must be completed. All newly constructed curb ramps or curb ramps located within the project limits must be inspected/measured in the field for compliance to RC-67M Standards. The slopes indicated in RC-67M are absolute maximum slopes. Only slopes that are equal to or less than the indicated slopes are acceptable.

Where fully meeting the RC-67M standards is “Technically Infeasible”, access must be provided to the maximum extent possible. When this occurs, curb ramps or other pedestrian facilities must be constructed in accordance with the contract documents. See Publication 13M - Design Manual Part 2, Chapter 6 for additional information on Technically Infeasible.

The Curb Ramp Inspection Form (CS-4401) will record all measurements and serve as a record that PennDOT has constructed the curb ramps to current standards or provided access to the maximum extent feasible. The form will contain the field measurements, pictures of the constructed curb ramps, and images of the Technically Infeasible Form (if applicable).

The completed form must be submitted electronically, **in EXCEL**, to the ADA Coordinator upon completion and acceptance of the curb ramp construction. The data from the form will be extracted into a database for record keeping purposes.

INSTRUCTIONS
Before you Begin:
When saving the file, use Excel Macro-Enabled Workbook format with a *.xlsm extension. Do not use a different file format.

The following tabs are included in the form:
Tab 1. Inspection Form
Tab 2. Inspection Form Continued
Tab 3. Pictures

TAB 1 - INSPECTION FORM
All “blue filled” cells require information to be entered. Many cells have a drop down selection with a header.
The header is used for filling out a printed version. The header must be changed to the appropriate selection.
For example: “☐ No ☐ Yes” would be the header. Either “No” or “Yes” must be selected.

Date of Investigation
Enter the year, month, and day of the investigation (format yyyy mm dd).

Field Investigators
Insert the name(s) of the investigator(s).

Engineering District Code
Insert the engineering district code.

County Name
Insert the appropriate county. (The county code will automatically fill in once the appropriate county is selected).

Municipality Name
Insert the appropriate municipality name.
(The municipality code will automatically fill in once the appropriate municipality name is entered).

Instructions

Construction Phase
Select the appropriate status of the curb ramp being investigated.

☐ Constructed. Select this phase for newly constructed curb ramps for inspection purposes.
☐ Existing-Survey. Select this phase for documenting existing curb ramps.
☐ Missing. Select this phase for documenting missing curb ramps.

Ramp Crosses
Select what type of roadway the ramp crosses or services.

Ramp Surface
Select ramp surface type (Brick, Concrete or Other). If “Other”, enter the surface type in the cell immediately to the right.

Surface Stable, Firm, and Slip Resistant
Indicate if the curb ramp surface is stable, firm, and slip resistant.

Elevation Differences > ¼”
Indicate if any vertical elevation differences between sections of sidewalk found anywhere on the curb ramp that are greater than 1/4” exist. If vertical elevation differences exist, measure to the nearest 1/16 of an inch. For example, if measured 1/2” enter “8” (8/16) on the form, or if measured 2” enter 32 (32/16) in the form.

Grate Openings or Gaps > ½”
Indicate if any grate openings or gaps greater than 1/2” are located within the immediate pedestrian path. If horizontal gaps exist, measure to the nearest 1/16 of an inch. For example, if measured 1/2” enter “8” (8/16) on the form, or if measured 2” enter 32 (32/16) on the form.

Utilities in Path of Travel
Indicate if there are any utilities that obstruct the path of travel.

Water Ponding in Path of Travel
Indicate if any water ponding exists within the travel path of the curb ramp.

Detectable Warning Surface (DWS)
Indicate if a detectable warning surface is present.

DWS Type
If “Yes” is answered in previous question, indicate what type of DWS is present. If “Other”, fill in the cell to the right to indicate what type of DWS is being used.

Pedestrian Crossings
Indicate if a pedestrian crossing exists. If a pedestrian crossing does not exist, a curb ramp is not needed. The crossing may be marked or unmarked. If “Yes”, the cell to the right will become highlighted with blue fill, requiring it to be completed.
☐ Single Ramp with Single Cross Walk
☐ Single Ramp with Double Cross Walk

Ramp at Stop or Yield Controlled Crosswalk
Indicate if the ramp serves a Stop or Yield controlled crosswalk.

Ramp Leads to Accessible Path
Indicate if the ramp leads to an accessible path, such as a sidewalk or a pedestrian pushbutton.

Instructions

Longitudinal / Cross Slope in Front of Ramp
Enter the longitudinal and cross slope values (as a percentage) in the appropriate cells. The longitudinal slope is equal to the slope parallel to the direction of the ramp (in the street); the cross slope is equal to the slope perpendicular to the direction of the ramp (in the street).

Turning Maneuver in Street
Indicate if pedestrians must perform turning maneuvers in the street. If “Yes”, a landing is required in the street.

Turning Maneuver at Top of Ramp (Smax)
Indicate if pedestrians must perform turning maneuvers at the top of the ramp. If “Yes”, Smax is required.

ECMS #
Enter the ECMS # for the project that altered the curb ramp.

Algebraic Δ Grade (Algebraic Change in Grade)
Enter the maximum algebraic change between the ramp slope and roadway slope (as a percentage).

Intersection Ramp # of #
Enter the number for the ramp being investigated followed by the total number of ramps being investigated at the intersection. For example, if the ramp at the intersection of Ramp “X” of “Y” is being investigated, “Y” is the total number of the ramps at the intersection and “X” is the number assigned to the specific ramp being investigated.

Ramp Location
Using the intersection figure shown, select the appropriate button for which the investigated curb ramp is located.

North Leg/North Leg Description
Include the name of the roadway (if applicable) for the northbound roadway. Then directly below that cell, indicate the type of roadway (state route, boulevard, road, street, etc.). If the roadway is a state route number (format: 0000), also include the Segment # (format: 0000) and Offset # (format: 0000) of the intersection. If the roadway is a local road, include the name of the local road and description.
Complete this for all legs of the intersection.

	North Leg	Description	Segment	Offset
Example 1:	00016	SR	0010	0020
Example 2:	Oak	ST	n/a	n/a

Curb Ramp Type
Indicate the type of ramp being investigated. Depending on curb ramp type, complete all of the required dimensions on Tab 2 - Inspection Form Continued. Each cell is color-coded to indicate whether the information entered meets RC-67M. If data is entered and the cell becomes highlighted with green fill, the data meets RC-67M. If the cell becomes highlighted with red fill, the data does not meet RC-67M. If the cell becomes highlighted with yellow fill, the data does not match RC-67M but this may be due to tie-ins with the existing site. The chart located to the right of the data entry form indicates the minimum measurement requirements (compliance check).

Accessible Pedestrian Push Buttons
Indicate if pedestrian push buttons are accessible.

Asset #
The Asset Number will be automatically completed as information is entered into the data entry form.

ADA Technically Infeasible Form (TIF) Instructions

The Technically Infeasible Form will be used for existing sites where it is technically infeasible to construct pedestrian facilities to fully meet current PennDOT standards, as determined by using sound engineering judgment. This must be submitted and approved before construction to document that access has been designed to the maximum extent feasible.

Project scope, not cost, will determine when existing site constraints justify the use of the Technically Infeasible Form. In certain situations, existing site constraints may justify the use of a design that provides access to the maximum extent feasible if removing the existing site constraints would require additional work that is not included as part of the project scope. See DM-2 Chapter 6.

NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION LAWSUIT

Liberty Resources, Inc. et al. v. City of Philadelphia, Civ. No. 2:19-cv-03846-HB (E.D. Pa.)

ATTENTION: If you meet the following description, then you may be a member of the proposed settlement class affected by this lawsuit:

1. You have a disability or impairment that affects your mobility (including, for example, people who use wheelchairs or other mobility devices, as well as those who are blind or have low vision), and

2. You use or will use pedestrian rights of way, in the City of Philadelphia.

PLEASE READ THIS NOTICE CAREFULLY. YOUR RIGHTS MAY BE AFFECTED BY LEGAL PROCEEDINGS IN THIS LAWSUIT.

WHY AM I RECEIVING THIS NOTICE?

The purpose of this notice is to inform you of the proposed settlement in a pending class action lawsuit brought on behalf of persons with disabilities or impairments that affect their mobility who use or will use pedestrian rights of way in the Philadelphia, PA. The lawsuit, *Liberty Resources, Inc., et al. v. City of Philadelphia*, Case No. 2:19-cv-03846-HB, filed in the U.S. District Court for the Eastern District of Pennsylvania in 2019, was brought by Named Plaintiffs Liberty Resources, Inc.; Disabled in Action of Pennsylvania, Inc.; Philadelphia ADAPT; Tony Brooks; Liam Dougherty; Fran Fulton; and Louis Olivo. The lawsuit alleges that the City of Philadelphia ("the City") has discriminated against individuals with disabilities that affect their mobility in violation of federal anti-discrimination laws. The City expressly denies and disputes Plaintiffs' allegations that the City has failed to comply with federal anti-discrimination laws and disputes that it has any liability or has committed any wrongdoing. The Named Plaintiffs and the City have reached an agreement to settle the lawsuit. That settlement must be approved by the Court before it can be finalized. The details of the settlement, summarized below, are contained in the Settlement Agreement.

AM I PART OF THE SETTLEMENT CLASS?

If you (1) are a person with a disability or impairment that affects your mobility—including, for example, people who use wheelchairs or other mobility devices, as well as those who are blind or have low vision—and (2) use or will use pedestrian rights of way such as public sidewalks, curb ramps, and crosswalks, in Philadelphia you may be a member of the proposed Settlement Class affected by this lawsuit and the proposed Settlement Agreement. Please read this notice carefully because your rights may be affected.

WHAT WOULD THE PROPOSED SETTLEMENT AGREEMENT DO?

A. The City will install or remediate 10,000 curb ramps.

The City will install or remediate at least 10,000 curb ramps over the 15-year Settlement Period. This is called the "Curb Ramp Obligation" and it includes installation and remediation of curb

ramps on any road controlled by the City, whether as part of street resurfacing, through the Request System (described below) or as a result of any other third-party activity for which the City requires a Compliant Curb Ramp, including, for example, work done by utility companies.

3-year Milestones. During the Settlement Period, the City will meet milestones every three fiscal years:

- 2,000 curb ramps by the end of Year three (3)
- 4,000 curb ramps by the end of Year six (6)
- 6,000 curb ramps by the end of Year nine (9)
- 8,000 curb ramps by the end of Year twelve (12)
- 10,000 curb ramps by the end of Year fifteen (15)

If the City exceeds any given milestone, the excess curb ramps will count towards the following milestone. For example, if the City completes 2,500 ramps during the first three fiscal years, then it will only need to complete another 1,500 ramps during the next three fiscal years in order to meet the Year 6 milestone.

Installation. Whenever the City (or a third-party for the City) newly constructs a road or street with a pedestrian walkway, it will install accessible curb ramps, as required by ADA regulation, except where the City can demonstrate that such installation is technically infeasible (defined below) or where pedestrian crossing is banned for all pedestrians due to safety concerns.

Remediation/Alteration. Whenever the City (or a third-party for the City) alters a road or street with a pedestrian walkway under its control, it will remediate (fix) existing but non-compliant curb ramps, and/or install new accessible curb camps, as required by ADA regulation, except where the City can demonstrate that it is technically infeasible to have an accessible curb ramp at the location or where pedestrian crossing is banned for all pedestrians due to safety concerns.

B. <u>The City will maintain curb ramps</u>

The City will also maintain curb ramps over which it has responsibility in operable working condition as required by ADA regulation.

C. <u>The City may not install curb ramps at all corners and some ramps may not meet all of the technical compliance standards.</u>

Banned Pedestrian Crossings. When the City installs something to indicate it has banned pedestrian crossing for all pedestrians at a particular location, it must be consistent with standards issued by the Pennsylvania Department of Transportation (PennDOT). The City has sole discretion to determine that pedestrian crossing is banned.

Technical Infeasibility. There will be instances when it will not be physically possible for a curb ramp installed or remediated to be constructed in full and strict compliance with ADA

requirements because of physical or site constraints. This is called "technical infeasibility." In such circumstances, the City must provide accessibility to the maximum extent possible. In doing so, the City will consider the extent to which physical or site constraints can be addressed by alternative curb ramp designs. These situations will be documented on agreed upon forms.

D. The City will establish a Curb Ramp Request System

The Settlement establishes a "Curb Ramp Request System" for City residents to request installation, remediation, or maintenance of ramps at any crossing on the Local Streets Network or FAM streets network. The specific streets that make up these two networks are listed in Exhibits A and B attached to the Settlement Agreement.

Initiation of the System. The request system will be in place by the end of the third fiscal year that the Settlement is in effect.

Submission of Requests. Requests may be submitted using the City's existing 311 service request system, via website, dedicated mobile phone application, telephone, or in person. The City will make best efforts to investigate requests within 30 days through a process and under standards detailed in the Settlement.

Fulfillment of Requests. Following investigation and verification, requests for maintenance on the Local Streets Network must be performed as soon as practicable but no later than within 9 months of the conclusion of the investigation. Requests for installation or remediation must be completed within 12 months of the conclusion of the investigation. These time periods are subject to certain exceptions specified in the Settlement Agreement.

Numbers of Ramps Covered. Each fiscal year, the City will only be required to install or remediate fifty (50) requested curb ramps, and to maintain fifty (50) requested curb ramps. If the City receives more than that many requests in a fiscal year, the remainder may be completed in a subsequent fiscal year.

Priorities. Generally, the City will prioritize work performed in response to requests based on the order in which the requests were received. Should the City receive requests that warrant Installation, Remediation, or Maintenance in excess of the annual numerical limits, the work shall be prioritized based on a publicly available Accessibility Score.

Requests on Federally Funded Streets. Where the City has identified installation, remediation, or maintenance is required in response to a request regarding a curb ramp at any crossing on the network receiving federal funding, the City will perform such work subject to funding and contract requirements.

E. The City will publicly report information about curb ramp installation and remediation.

Public Notice Generally. The number and location of curb ramps for which the City has finalized notice of work to proceed for installation or remediation will be publicly available for the duration of the Settlement Period.

Annual Status Report. On an annual basis, the City will prepare a Status Report containing:

- the number and location of curb ramps the City installed or remediated over the prior year (including as part of street resurfacing, through the Request System, or as a result of any other third-party activity for which the City requires a Compliant Curb Ramp);

- the number and location of curb ramps for which the City has noticed work to proceed for Installation or Remediation within the prior year as part of street resurfacing on the Local or FAM Streets Networks or through the Request System; and

- the number, location, and basis of any banned pedestrian crossings.

Each Status Report will be made available to the public on the City's website in a format that complies with the Web Content Accessibility Guidelines (WCAG) published by the Web Accessibility Initiative (WAI) of the World Wide Web Consortium.

WHAT ELSE DO I NEED TO KNOW ABOUT THE SETTLEMENT AGREEMENT?

A. Resolution & Release of Claims

Except for claims to enforce the Settlement, the Named Plaintiffs release the City from all claims (including any potential claims for monetary damages) related to the accessibility, installation, remediation, or maintenance of the City's pedestrian facilities through the end of the fifteen-year Settlement Period.

The other members of the Settlement Class will release the City from all claims for injunctive or declaratory relief arising under the ADA, Section 504, or similar statutes relating to the accessibility, installation, remediation, or maintenance of the city's pedestrian facilities, through the end of the Settlement Period. Members of the Settlement Class who are not named plaintiffs will not release any potential claims for monetary damages.

Additionally, the Settlement Agreement does not release any claims to enforce the terms of the Settlement Agreement. Class members cannot bring a claim alleging violation of or non-compliance with the Settlement unless the Parties have complied with all of the dispute resolution procedures in the Settlement.

B. Monetary Relief

The Settlement Agreement does not provide for any monetary relief to be paid to members of the Settlement Class or the Named Plaintiffs.

C. Attorneys' Fees & Costs

The Settlement Class is represented by attorneys employed by Disability Rights Advocates and the David Ferleger Law Office ("Class Counsel"). Class Counsel has not charged Plaintiffs for

representation in this matter. Instead, the City will pay Class Counsel's fees and costs through the Settlement's effective date in the amount of $1,100,000.

In addition, the City will pay Class Counsel their fees and costs for all work reasonably necessary to monitor, implement, and administer the Settlement Agreement subject to a tri-annual cap of $60,000, including payment to a third party to provide technical expertise in monitoring the Settlement to ensure compliance with the Settlement Agreement.

The parties did not negotiate fees or costs until after all other terms of the Settlement were finalized.

D. Fairness of Agreement

The class representatives and Class Counsel have concluded that the terms and conditions of the proposed Settlement Agreement are fair, reasonable, and in the best interests of the Settlement Class. In reaching this conclusion, the class representatives and Class Counsel have considered the benefits of the settlement, the possible outcomes if they were to continue the lawsuit, and the expense and length of time associated with bringing the lawsuit to trial and any possible appeals.

WHAT IF I WANT TO OBJECT TO THE SETTLEMENT AGREEMENT?

The Court has preliminarily approved the Settlement Agreement, and has scheduled a hearing for [insert DATE/TIME ordered by the Court] to determine whether the proposed Settlement Agreement is fair and reasonable and should be approved on a final basis. The hearing will be held in the Courtroom of the Honorable Judge Harvey Bartle III located at:

James A. Byrne U.S. Courthouse

EXHIBIT F

UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF PENNSYLVANIA

LIBERTY RESOURCES, INC.; DISABLED IN ACTION OF PENNSYLVANIA, INC.; PHILADELPHIA ADAPT; TONY BROOKS; LIAM DOUGHERTY; FRAN FULTON; and LOUIS OLIVO; Plaintiffs, -against- THE CITY OF PHILADELPHIA, Defendant.	Case No. 2:19-cv-03846-HB **[PROPOSED] ORDER GRANTING MOTION FOR PRELIMINARY APPROVAL OF CLASS SETTLEMENT; CERTIFYING SETTLEMENT CLASS; DIRECTING ISSUANCE OF SETTLEMENT NOTICE; AND SCHEDULING HEARING ON FINAL APPROVAL** Judge: Honorable Harvey Bartle III

Liberty Resources, Inc.; Disabled In Action of Pennsylvania, Inc.; Philadelphia ADAPT; Tony Brooks; Liam Dougherty; Fran Fulton; and Louis Olivo (collectively "Named Plaintiffs") and Defendant the City of Philadelphia have jointly applied to the Court for an order preliminarily approving the settlement of this action in accord with the settlement agreement (the "Agreement"), which sets forth the terms and conditions of a proposed settlement and dismissal of the action with prejudice, with the Court retaining jurisdiction to enforce the Agreement throughout its term (the "Settlement Period").

The Parties request that the Court (a) certify the Settlement Class and appoint Named Plaintiffs and Class Counsel[1] as representatives; (b) grant preliminary approval of the Agreement; (c) approve the proposed Notice of Settlement; (d) approve the plan for providing

[1] The certified class is represented by Disability Rights Advocates and David Ferleger Law Office.

notice to the Settlement Class; and (e) schedule a Fairness Hearing no earlier than 110 days after the date that preliminary approval is granted.

Having read the papers submitted and carefully considered the arguments and relevant legal authority, and good cause appearing, the Court GRANTS the Parties' Joint Motion.

I. FINDINGS

A. The Settlement Class meets the requirements of Rule 23(a) and (b)(2) of the Federal Rules of Civil Procedure

On July 7, 2020, this Court granted Plaintiffs' unopposed Motion for Class Certification, certifying a class for declaratory and injunctive relief. The "Settlement Class" definition set forth in the Agreement is identical to the definition of the certified class, and therefore the Court's analysis set forth in its Memorandum (ECF No. 51) concluding that the requirements of Federal Rules of Civil Procedure 23(a) and 23(b)(2) are satisfied remains unchanged.

The Court finds that the requirements of Rule 23 of the Federal Rules of Civil Procedure are met by the Settlement Class: (a) joinder of all Settlement Class members in a single proceeding would be impracticable, if not impossible, because of their numbers; (b) there are questions of law and fact common to the Settlement Class; (c) Named Plaintiffs' claims are typical of the claims of the Settlement Class that they seek to represent for purposes of settlement; (d) Named Plaintiffs have fairly and adequately represented the interests of the Settlement Class and will continue to do so; (e) Named Plaintiffs and the Settlement Class are represented by qualified, reputable counsel who are experienced in preparing and prosecuting class actions, including those involving the sort of practices alleged in the Complaint; and (f) the City is alleged to have acted or refused to act on grounds that apply to the Settlement Class, so that final declaratory and injunctive relief is appropriate to the Settlement Class.

B. The proposed settlement agreement is fair, reasonable, and adequate

The proposed settlement agreement satisfies the relevant factors outlined in Federal Rule of Civil Procedure 23(e)(2)[2] and this Circuit's traditional *Girsh* factors[3] for approval of a class settlement. *See Girsh v. Jepson*, 521 F.2d 153, 157 (3d Cir. 1975). For the reasons outlined below, because it is likely the Court will approve the Agreement under Rule 23(e)(2), preliminary approval is warranted. Fed. R. Civ. P. 23(e)(1)(B).

Named Plaintiffs and Class Counsel Disability Rights Advocates and David Ferleger Law Office have adequately represented the Settlement Class. The Named Plaintiffs are longtime residents of Philadelphia who are deeply committed to improving access for themselves and others with disabilities in the City, and Class Counsel have significant experience in class action and disability-rights litigation and knowledge of those areas of law.

Class Counsel performed extensive work investigating the claims in this action; and, together with the Named Plaintiffs, have continued to work diligently to litigate the case, including through extensive discovery, dispositive motion practice, and trial preparation.

---

[2] Federal Rule of Civil Procedure 23(e)(2) requires the Court to consider the following factors to determine whether a proposed class settlement is fair, reasonable, and adequate:

(A) the class representatives and class counsel have adequately represented the class;
(B) the proposal was negotiated at arm's length;
(C) the relief provided for the class is adequate, taking into account:
  (i) the costs, risks, and delay of trial and appeal;
  (ii) the effectiveness of any proposed method of distributing relief to the class, including the method of processing class-member claims;
  (iii) the terms of any proposed award of attorney's fees, including timing of payment; and
  (iv) any agreement required to be identified under Rule 23(e)(3); and
(D) the proposal treats class members equitably relative to each other.

[3] The non-exhaustive *Girsh* factors traditionally used by courts in the Third Circuit to assess whether to approve a class action settlement include: (1) the complexity, expense, and likely duration of the litigation; (2) the reaction of the class to the settlement; (3) the stage of the proceedings and the amount of discovery completed; (4) the risks of establishing liability; (5) the risks of establishing damages; (6) the risks of maintaining the class action through the trial; (7) the ability of the defendants to withstand a greater judgment; (8) the range of reasonableness of the settlement fund in light of the best possible recovery; and (9) the range of reasonableness of the settlement fund to a possible recovery in light of all the attendant risks of litigation. *Halley v. Honeywell Int'l, Inc.*, 861 F.3d 481, 488 (3d Cir. 2017) (citing *Girsh v. Jepson*, 521 F.2d 153, 157 (3d Cir. 1975)).

The Named Plaintiffs and Class Counsel were able to fully evaluate the strengths and weaknesses of the claims and defenses before reaching the proposed settlement, and they intend to monitor the Agreement over the fifteen-year Settlement Period. The Rule 23(e)(2)(A) analysis thus supports preliminary approval.

The Agreement was negotiated at arm's length over the course of more than three years. The Parties engaged in multiple rounds of settlement negotiations with the assistance of Magistrate Judge Hey and negotiated this resolution while simultaneously conducting discovery and preparing for trial. The final round of negotiations occurred after proceedings were stayed two weeks prior to trial, meaning the Parties were able to negotiate the Agreement with the benefit of a fully developed record. The City strongly contested any wrongdoing or liability, and the resulting compromises on heavily contested issues were based on careful deliberation by the Parties. The arm's length nature of the negotiations is further evidenced by the fact that the Parties did not negotiate attorneys' fees and costs until after reaching an agreement on injunctive relief. Accordingly, the Rule 23(e)(2)(B) analysis supports preliminary approval and the third *Girsh* factor is satisfied.

The relief provided for the Settlement Class is robust, taking into account the costs, risks, and delay of trial and appeal and the terms of the proposed award of attorneys' fees. The relief in the Agreement is substantial and will be quickly implemented. Principally, the City has agreed to remediate or install 10,000 curb ramps over the course of the fifteen-year Settlement Period, with tri-annual 2,000-ramp milestones. This will ensure that Settlement Class members begin experiencing the benefits of this commitment very soon.

The Agreement also includes commitments by the City to install accessible curb ramps, to remediate existing but non-compliant curb ramps, and to maintain curb ramps as required

under the ADA, which will ensure that curb ramp improvements continue to provide access to the pedestrian rights of way for years to come. The City will also implement a new request system to allow Philadelphia residents to submit requests for installation, remediation, or maintenance of specific curb ramps each year. Further, the City will publicly report information regarding the location, initiation, and completion of curb ramp work undertaken each year, making settlement implementation transparent and available for public oversight. These aspects of the Agreement increase Settlement Class Member involvement and provide an avenue for case-specific relief. The relief obtained in the Agreement is wide-ranging and substantial. Furthermore, this Agreement was achieved with the benefit of a fully developed record, with trial only weeks away.

The Parties acknowledge the time and risks associated with and inherent in any litigation and contend that the Agreement will provide substantial benefits to the Settlement Class while providing finality and avoiding those delays and risks; the Court agrees. The Court also agrees that the negotiated amount of $1,100,000 for Class Counsel's attorneys' fees and costs in this case, which has entailed more than three years of active litigation and negotiations, is likely to be reasonable: it was negotiated at arms-length after injunctive relief was agreed-upon, the negotiated amount was reached with the assistance of Judge Hey, it represents a significant reduction from Class Counsel's lodestar, and there is no settlement fund from which it detracts. Accordingly, the Rule 23(e)(2)(C) analysis supports preliminary approval and the first, fourth, and fifth *Girsh* factors are also satisfied.

The Agreement treats class members equitably relative to each other. The Agreement provides only for injunctive relief, attorneys' fees and costs, and future monitoring fees and costs. It treats Named Plaintiffs and unnamed Settlement Class Members differently only with

respect to the Settlement Class's more limited release of claims. The Rule 23(e)(2)(D) analysis thus also supports preliminary approval.

1. The Agreement also meets the majority of the Third Circuit's *Girsh* factors

The Agreement also meets the majority of the Third Circuit's traditional *Girsh* factors to the extent that those factors are relevant. The first, third, fourth, and fifth factors are satisfied based on the Court's findings above. The second factor is also likely to be satisfied based on the declarations submitted by Named Plaintiffs in support of the Parties' Motion for Preliminary Approval. The sixth *Girsh* factor, which takes into account the risk of maintaining a class through trial, is neutral and the remaining factors are not applicable to this case. Thus, when considered together, the Court finds that the relevant *Girsh* and Rule 23(e)(2) factors support preliminary approval of the Agreement.

II. ORDER

NOW THEREFORE, IT IS HEREBY ORDERED:

1. Unless otherwise stated, the terms in this Order have the meaning set forth in the Agreement.

2. The Court hereby certifies the proposed Settlement Class pursuant to Federal Rules of Civil Procedure 23(a) and 23(b)(2) as follows:

> All persons with disabilities or impairments that affect their mobility—including, for example, people who use wheelchairs or other mobility devices, as well as those who are blind or have low vision— and who use or will use pedestrian rights of way in the City of Philadelphia

3. The Court hereby appoints Named Plaintiffs Liberty Resources, Inc., Disabled in Action of Pennsylvania, Inc., Philadelphia ADAPT, Tony Brooks, Liam Dougherty, Fran Fulton, and Louis Olivo as Settlement Class representatives.

4. The Court hereby appoints Disability Rights Advocates and David Ferleger Law Office, Plaintiffs' attorneys of record, as Class Counsel.

6. The Agreement is fair and warrants the dissemination of notice to the Settlement Class members apprising them of the settlement.

7. The Court hereby approves, as to form and content, the proposed Notice of Settlement, attached as Exhibit E to the Agreement. The Court finds that the distribution of the Notice of Settlement in the manner and form set forth in the Agreement meets the requirements of due process and Federal Rules of Civil Procedure 23(c)(2) and 23(e) and is the best notice practicable under the circumstances. The Notice of Settlement apprises Settlement Class members in a fair and neutral way of the existence of the Agreement and their rights with respect to the Agreement.

8. The Notice of Settlement shall be disseminated to the Settlement Class, substantially in the form attached as Exhibit E to the Agreement by the following means:

a. Within twenty (20) days of this Order, the City will cause a copy of the Notice of Settlement in English and Spanish and a copy of the Agreement to be posted and remain posted on the City's official website (www.phila.gov) through the deadline for any member of the Settlement Class to submit an objection.

b. Within twenty (20) days of this Order, Class Counsel will post on their websites a copy of the Notice of Settlement in English and Spanish (as provided by the City) and a copy of the Agreement. Additionally, Class Counsel will distribute the Notice of Settlement to local disability rights organizations.

b) a statement of the Settlement Class member's objection(s); and

c) a statement of their membership in the Settlement Class.

11. Settlement Class members who have submitted a timely objection may also appear to present their objections at the Fairness Hearing. Any Settlement Class member who fails to properly and timely submit objections shall be foreclosed from objecting to the proposed Settlement Agreement, unless otherwise ordered by the Court.

12. Class Counsel and counsel for Defendant will respond to any timely filed objections and file them with the Court in conjunction with their Joint Motion for Final Approval of the Class Action Settlement.
