01/27/2017	326	(IN CHAMBERS) ORDER by Judge Dolly M. Gee. In its October 7, 2016 Order, the Court made it clear that the evidentiary hearing would be limited only to cross-examination and redirect examination of witnesses. [274.] It is with dismay that the Court finds itself reviewing last minute ambiguously worded emails from the parties counsel directed to the courtroom deputy clerk posturing about which of numerous witnesses should be made to appear at the evidentiary hearing on January 30th, when this matter has been set since October 7, 2016. If Plaintiffs have not made a demand to cross-examine any of Defendants witnesses, then there is no need to produce those witnesses for live testimony. Similarly, if Defendants do not wish to cross-examine any of Plaintiffs witnesses, then there is no need for Plaintiffs to produce those witnesses for live testimony. IT IS SO ORDERED.

07/08/2020	845	MINUTES OF IN CHAMBERS - ORDER RE DEFENDANTS' EX PARTE APPLICATION TO LIFT RESTRICTIONS IN PARAGRAPH 4.E OF THE 6/26/2020 ORDER by Judge Dolly M. Gee: On 7/6/2020, Defendants filed an Ex Parte Application to lift the restriction on transferring minor A.F.P.P. to an ICE adult detention facility on 7/7/2020, his 18th birthday 841 . As stated in the 6/26/2020 hearing on the Juvenile Coordinators' updated Reports 833 , the Court does not intend to review or overrule an Immigration Judge's determination that a Class Member poses a danger to himself or the public. Defendants appear to have met their burden of demonstrating that there was justification for detaining A.F.P.P, and Plaintiffs failed to file anything showing otherwise. The ex parte relief requested is no longer appropriate, however, because Defendants filed a supplement on 7/7/2020 at 12:28 PM indicating that ICE already has released A.F.P.P. 843 . Accordingly, the Court DENIES Defendants' Ex Parte Application 841 , without prejudice to Defendants' refiling their request for relief as a properly-noticed motion after first attempting resolution of any dispute informally or through the procedure set forth in the Order Appointing Special Master 494 . See document for further details. Court Reporter: Not Reported. (gk) (Entered: 07/08/2020)

10/04/2020	999	ORDER from Ninth Circuit Court of Appeals filed re: Notice of Appeal to 9th Circuit Court of Appeals 977 filed by Edwin Meese. CCA # 20-55951. The district court issued two orders precluding the Department of Homeland Security from detaining certain minors in hotels for more than a few days in the process of expelling them from the United States. Addressing the government's emergency motion for a stay, we conclude that the government is unlikely to succeed on the merits of its appeal, as we likely do not have jurisdiction over the appeal. The government also has not established that it would be irreparably harmed if it were obliged to comply with the district court's orders while the appeal is pending. The Ninth Circuit Court of Appeals therefore denies the government's motion for a stay. (gk) (Entered: 10/05/2020)
