CASE NO.

**COMPLAINT FOR DECLARATORY
AND INJUNCTIVE RELIEF**

2:19 - CV - 913 JAM EFB PS

JURISDICTION AND VENUE

1. Plaintiff RALPH LEE WHITE (“WHITE”) seeks declaratory and injunctive relief to compel the Interim City Clerk of Stockton, California, the San Joaquin County Registrar of Voters, and the Secretary of State to comply with their list maintenance obligations and their record production obligations under Section 8 of the National Voter Registration Act of 1993 (“NVRA”), 52 U.S.C. § 20507. This Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1331, as this action arises under the laws of the United States, and under 52 U.S.C. § 20510(b)(2), as the action seeks injunctive and declaratory relief under the NVRA.

3. Plaintiff WHITE is a resident and a registered voter of San Joaquin County and Stockton, California, who has voted and intends to vote in the County and City.

5. Defendant CITY OF STOCKTON ("CITY") is a municipal corporation formed under the laws of the State of California.

7. Defendant ALEX PADILLA is the California Secretary of State (“SECRETARY OF STATE”) and has served in this capacity since January 5, 2015. The Secretary of State is designated by California law as the “chief state elections official responsible for coordination of the state’s responsibilities under” the NVRA. Cal. Elec. Code § 2402(a); *see* 52 U.S.C. § 20509.

8. On February 5, 2019, the CITY passed a local ordinance #2019-02-05-1403 in essence requiring record of owners of properties to pay water utility bills incurred by tenants, but who are in default. The water service company is private (California Water Service) and is not owned or controlled by the CITY. Under the ordinance, failure now of an owner to pay the water bill incurred by tenants will result in penalties and become a lien on the owner's property. While WHITE does not argue the CITY's ability to lien an owner's property for a water bill from a water

1 utility department owned by the CITY, he takes issue with CITY's ability to so lien on behalf of a
2 private utility. California Water Service only services part of the City of Stockton. As such,
3 WHITE seeks to have this ordinance repealed by a vote of the people, preferably only by those
4 voters who reside in areas of Stockton served by California Water Service.

5 9. In order to go through the repeal process, WHITE is requesting that the court grant
6 an injunction on continued implementation of the ordinance in question and further require the
7 State of California, the County of San Joaquin, and the City of Stockton, through their designated
8 election officials, conduct a purge of the voter lists affecting the City of Stockton via the
9 REGISTRAR and the SECRETARY OF STATE pursuant to the NVRA, 52 U.S.C. §§ 20507 and
10 20509 and pursuant to California Elections Code section 2402(a). This action is requested so that
11 only voters in the City who are registered and present in the jurisdiction can be counted and
12 qualified as legal signatories to qualify for the proposed initiative ballot. They then can ultimately
13 vote on the issue of repeal of the explained newly issued utility billing ordinance of the CITY
14 without concern for unqualified voters.

15 10. WHITE is the owner of a substantial number of rental units in the area of Stockton
16 served by the California Water Service. As such, WHITE is personally aware of a significant
17 number of registered voters that have been incarcerated, have moved to another location, or have
18 passed away or otherwise become ineligible to vote. This is based on the absentee ballots and
19 other voter information which have come to these residences where the voter no longer resides or
20 has passed away. WHITE has become aware of this not only by mail that is picked up at his
21 properties but also because WHITE last year submitted documentation to have a vote on a charter
22 amendment in the City and canvassed areas to obtain the requisite number of registered voter
23 signatures to place the issue on that ballot. Because City Charter section 902 requires said
24 signatures to be equal or exceed 10% of registered voters according to the last report of the
25 REGISTRAR and SECRETARY OF STATE, said percentage has been affected substantially by
26 those individuals who were once registered but have either left the City of Stockton, have passed
27 away, been incarcerated, or have an erroneous registration. This has made it difficult, if not
28

1 impossible, to determine qualified registered voters with so many of those who no longer live in
2 the jurisdiction or have passed away or otherwise do not qualify. A copy of some of WHITE's
3 findings are attached hereto as Exhibit A.

4 11. It is for these reasons that WHITE requests that this court, pursuant to federal and
5 state law, require defendants to purge the voter registration lists to bring them up to date and further
6 enjoin the above-referenced ordinance so that WHITE may pursue a repeal of the same by initiative
7 ballot through required regulations set forth in the Stockton City Charter.

8 **STATUTORY LAW**

9 12. The NVRA requires states to "conduct a general program that makes a reasonable
10 effort to remove the names of ineligible voters from the official lists of eligible voters." 52 U.S.C.
11 § 20507(a)(4).

12 13. Section 8(i) of the NVRA requires that each state "shall maintain for at least 2 years
13 and shall make available for public inspection and...photocopying at a reasonable cost, all records
14 concerning the implementation of programs and activities conducted for the purpose of ensuring
15 the accuracy and currency of official lists of eligible voters." 52 U.S.C. § 20507(i).

16 14. Under federal law, a voter becomes "ineligible," and the voter's name is subject to
17 removal from a jurisdiction's voter rolls, when the voter moves out of the jurisdiction; specifically
18 asks to be removed from the rolls; dies; is disqualified from voting under state law because of a
19 criminal conviction or mental incapacity; or when an erroneous registration record is corrected, as
20 when a registrant has registered in the wrong jurisdiction or is a noncitizen. 52 U.S.C. §§
21 20507(a)(3), (4)(A), 4(B), (c)(2)(B)(ii).

22 15. The NVRA provides that the registration of a voter who is believed to have moved
23 out of a jurisdiction is only subject to removal from the voter rolls if (1) the voter confirms this
24 move in writing, or (2) the voter fails to respond to an address confirmation notice, and then fails
25 to vote during a statutory waiting period extending from the date of the notice through the next
26 two general federal elections. 52 U.S.C. § 20507(d)(2)(B).

1 16. California law provides that an “inactive voter” is a voter for whom a county has
2 received a returned confirmation residency mailing without a forwarding address in the same
3 county, or a voter who has been identified by the United States Postal Service’s National Change
4 of Address database as having moved outside the County. Cal. Code Regs. tit. 2, § 20108(l).

5 17. Under both the NVRA and California law, voters whose registrations are
6 designated as “inactive” may still vote on election day. 52 U.S.C. § 20507(d)(2)(A); Cal. Code
7 Regs. tit. 2, § 20108(l).

8 18. Because voters with inactive registrations may still vote on election day, inactive
9 registrations would unfortunately be counted as part of a county’s voter registration list.

10 19. In June of each odd-numbered year, the U.S. Election Assistance Commission
11 (“EAC”) is required by law to release a report regarding state voter registration practices. 52 U.S.C.
12 § 20508(a)(3).

13 20. States are required by federal regulations to provide various kinds of registration
14 data to the EAC for use in this biennial report. This data must include “the total number of
15 registered voters statewide, including both ‘active’ and ‘inactive’ voters if such a distinction is
16 made by the state,” for the last two general federal elections. 11 C.F.R. §§ 9428.7(b)(1), (2).

17 21. Whenever a jurisdiction has more voter registrations than resident citizens over the
18 age of 18, meaning that its registration rate, including active and inactive registrations, is greater
19 than 100%, it is a strong indication that that jurisdiction is not taking the steps required by law to
20 cancel the registrations of ineligible registrants.

21 22. WHITE is informed and believes and thereon alleges that based on WHITE’s
22 information obtained about registered voters in the City of Stockton after his canvassing efforts as
23 expressed above, that the CITY, through the REGISTRAR and SECRETARY OF STATE does
24 not have a purged list of registered voters as required by both state and federal law and that
25 defendants and each of them have failed to conduct a general program that makes a reasonable
26 effort to cancel the registrations of ineligible registrants.

1 23. WHITE further is informed and believes that removing registrations that have been
2 in an inactive status for more than two general federal elections is a necessary part of any effort to
3 comply with the NVRA's mandate to conduct a general program that makes a reasonable effort to
4 remove the registrations of ineligible registrants.

5 24. Inactive registrations which may be voted by mail or in person on election day are
6 particularly vulnerable to fraudulent abuse by a third party, because a voter who has moved to a
7 different state or out of the jurisdiction is unlikely to monitor the use of or communications
8 concerning an old registration.

9 25. WHITE is informed and believes that California has the highest rate of inactive
10 registrations of any state in the country and that San Joaquin County and thus the City of Stockton
11 have had inactive registrations for a period of time extending beyond the most recent two federal
12 elections.

13 26. On information and belief, San Joaquin County is failing to properly conduct the
14 list maintenance required by the NVRA by failing to properly train employees, failing to require
15 and enter registrants' birthdates, and failing to timely process reports that registrants have died,
16 have committed disqualifying felonies, are mentally incompetent, or have registered twice.

17 27. WHITE requests that this court review a similar action filed on December 31, 2017,
18 in the United States District Court, Central District of California – Western Division entitled
19 Judicial Watch, Inc., et al. v. Dean C. Logan, et al., Case No. 2:17-CV09848 which sets forth the
20 same issues WHITE herein complains of and for which significant investigation was performed
21 by those plaintiffs regarding the condition of the State of California with respect to its allegations
22 under federal and state laws regarding the cancellation of voter registrations who are ineligible to
23 vote. While WHITE herein understands that a ballot election pertaining strictly to the City of
24 Stockton has no immediate impact on federal or state elections, the process of purging ineligible
25 registrants does impact the voters including WHITE regarding even local elections.

26 28. WHITE further alleges that a failure by the REGISTRAR to comply with federal
27 and state law on this issue places a burden on WHITE and those persons who are lawfully
28

1 registered to vote in the City of Stockton elections by affecting their confidence in this
2 constitutional process if legitimate voters could be outweighed by fraudulent or ineligible ones.

3
4 **Claim for Relief**

5 **(Violation of Section 8(a)(4) of the NVRA, 52 U.S.C. § 20507(a)(4))**

6 29. WHITE realleges all preceding paragraphs as if fully set forth herein.

7 30. WHITE is informed and believes that defendants have failed to fulfill San Joaquin
8 County's obligations under Section 8(a)(4) of the NVRA to conduct a general program that makes
9 a reasonable effort to cancel the registrations of registrants who are ineligible to vote in California
10 federal elections which does impact even local elections for the City of Stockton.

11 31. WHITE and other eligible voters will suffer irreparable injury as a direct result of
12 defendants' failure to fulfill San Joaquin County's obligations to comply with Section (a)(4) of the
13 NVRA.

14 32. WHITE has no adequate or speedy remedy at law.

15 **PRAYER FOR RELIEF**

16 WHEREFORE, WHITE prays for entry of a judgment:

17 a. Declaring INTERIM CITY CLERK, CITY, REGISTRAR, and SECRETARY OF
18 STATE to be in violation of Section 8(a)(4) of the NVRA;

19 b. Permanently enjoining INTERIM CITY CLERK, CITY, REGISTRAR, and
20 SECRETARY OF STATE from violating Section 8(a)(4) of the NVRA;

21 c. Declaring that Section 8(a)(4) of the NVRA supersedes and preempts any contrary
22 California law;

23 d. Ordering INTERIM CITY CLERK, CITY, REGISTRAR, and SECRETARY OF
24 STATE to develop and implement a general program that makes a reasonable effort to remove
25 from San Joaquin County's rolls the registrations of ineligible registrants or submitting proof that
26 such obligation has been fulfilled;

27 e. Declaring that Section 8(i) of the NVRA supersedes and preempts any contrary
28 California law;

1 f. Ordering CITY through its City Clerk or appropriate official to cease further
2 implementation of City Ordinance No. 2019-02-05-1403 until there is evidence of compliance
3 with both federal and state law regarding the purging of voters lists to give WHITE the opportunity
4 to submit proper documentation for eligible voters in the City of Stockton for a meaningful attempt
5 to repeal the above-referenced Ordinance through the initiative process as governed by the Charter
6 of the City of Stockton and California state law;

7 g. Ordering INTERIM CITY CLERK, CITY, REGISTRAR, and SECRETARY OF
8 STATE and each of them to submit to WHITE documentation that they have complied with the
9 requirements of the NVRA and Cal. Code Regs. tit. 2, § 20108(i);

10 h. Ordering INTERIM CITY CLERK, CITY, REGISTRAR, SECRETARY OF
11 STATE, and each of them, to pay the costs of suit herein and reasonable attorney's fees if such
12 fees are incurred by WHITE during this litigation; and

13 i. Awarding WHITE such further relief as the court deems just and proper.
