WYMA } Case No. 16 C 9945
v }
Cook County, et al } Honorable Judge Edmond E. Chang

Receipt of Legal Mail

I'm writing this letter 3/20/17 to inform the courts I just received the order Dated February 9, 2017. I have signed receipt today through a logbook in Division 9, tier 3G cell 3283 for verification of receipt. I was to send a USM-285 to Sheriff Dart by 3/6/17. I'm asking the court for an extension to put the necessary papers together and receive copies to mail to the Marshals office. I was set to be sentenced on my criminal case 3/17/17 and leave to IDOC 3/20/17, it has been post-poned till 3/24/17 meaning I will head to IDOC 3/27/17, I do not know if I will be able to get to the law library to make copies by then since where I'm being housed has been on lockdown, I ask that I can receive 30 days from the 3/27/17 date I'm supposed to arrive at IDOC to properly send the summons.

Thank You,
Christopher WYMA

P.S.

I will need to forward a new mailing address once I receive my ID at IDOC.
