Attorneys for Defendants

**UNITED STATES DISTRICT COURT
DISTRICT OF ARIZONA**

Shawn Jensen, et al.,

Plaintiffs,

v.

Ryan Thornell, et al.,

Defendants.

NO. CV-12-00601-PHX-ROS

**DEFENDANTS' STATUS REPORT
REGARDING HEPATITIS C
PROGRAM**

Pursuant to the Court's Order (Dkt. 4410 at 35-37), Defendants provide the following update regarding the Hepatitis C program and compliance with Sections 11.1.5 and 11.1.6 of the Injunction.

Defendants are meeting or exceeding the requirements of the Injunction with respect to screening and treatment of Hepatitis C. As of March 28, 2024, 880 patients were

receiving treatment for Hepatitis C, and an additional 50 patients had future orders to begin treatment. The number of inmates treated per month is targeted to, at a minimum, meet the Injunction mandate of 110 inmates plus 70% of newly diagnosed inmates from the prior month. Recent monthly treatment totals are as follows:

Month	Number of Inmates Starting Hepatitis C Treatment
October 2023	273
November 2023	400
December 2023	319
January 2024	328
February 2024	295
March 2024	292
Total October 1, 2023 – March 31, 2024	1907

Additionally, ADCRR is on track to ensure that no consenting patient with Hepatitis C is released without having been treated for Hepatitis C no later than one year after issuance of the Injunction, with the exception of patients with short-term sentences that do not allow sufficient time to complete treatment. These patients receive educational materials to assist them with their reentry transition.

1 DATED this 5th day of April, 2024.
