17 The plaintiffs filed the “Notice of Proposed Settlement of Class Action Litigation” for the
18 Court’s approval. (Doc. 51) Review of the notice indicates it includes the revisions required by the
19 Court. In addition, the contains the information required by Rule 23of the Federal Rules of Civil
20 Procedure, including: the nature of the action, the class definition approved by the Court, the claims
21 and issues to be resolved, representation by counsel, how a class member may comment or object to the
22 settlement, deadlines for responses by class members, and the binding effect of a class judgment. For
23 these reasons, the finalized Class Notice is **APPROVED**.
