COURTROOM TECHNOLOGY TRAINING

is now available for lawyers, paralegals and legal assistants

The court requires litigants to use the digital evidence presentation system available in each courtroom. The system enhances evidence display to the court and the jury, provides flexibility to advocates and witnesses in identifying parts of images and documents, facilitates document enhancement to correspond with witness testimony, and permits electronic capture and retrieval of documents created during the hearing or trial.

SCHEDULE YOUR TRAINING EARLY

Training is conducted every Friday at noon - bring your lunch. Appointments must be made by noon on Tuesday before Friday training. To schedule training, or for answers to other questions, contact Karlene Burkhard, Telecommunications and Technologies Specialist, by calling 334-954-3631 or e-mailing her at Karlene_Burkhard@almd.uscourts.gov. You may also contact the courtroom deputy of the judge who will preside at your hearing or trial. **THE DIGITAL EVIDENCE PRESENTATION SYSTEM MAY BE USED ONLY BY PERSONS WHO HAVE BEEN OFFICIALLY TRAINED AND CERTIFIED.** Please schedule your training at least two weeks before trial.

Participants can obtain 1.0 CLE credit for this training.
