| 07/29/1991 | 537 | ORDER by Honorable Lawrence K. Karlton: The matter of attorney's fees is refered to JFM; as to plaintiff's motion to compel, defendant's are ordered to pay attorneys' fees and costs in the amount of \$144,100.34. The court modifies the 12/5/90 complaince fees order to require that the parties notice al annual and quarterly motions to compel and motions opposing plaintiff's projected rates for complince and monitoring on Judge Moulds' law and motion calendar for preparation of findings and recommendations. As to plaintiffs' proposed 1991 rates for monitoring work the court hereby denies plaintiffs' requested 1991 rates, plaintiffs shall be compensated at their present 1990 rates for compliance work performed during 1991 (See order for more specific details.) (cc: all counsel) (old) (Entered: 07/29/1991) |
| 07/29/1991 | 538 | ORDER by Honorable Lawrence K. Karlton granting motion for attorney fees [455-1], the reasonable rate for supplemental attorneys' fees are referred to Magistrate Moulds for determination of an hourly rate; granting motion to compel payment in the sum of \$144,100.34 to plaintiffs' for compliance and monitoring dureing the first and second quarter of the consent decree [496-1]; the court denies plaintiffs' proposed rates for monitoring- plaintiffs shall be compensated at 1990 rates for performance in 1991. (cc: all counsel) (old) (Entered: 07/29/1991)                                                                                                                                                                                                                                                                  |

|            |      | the periodic fees process BE GRANTED IN PART and the District Court's 12/5/90 order BE MODIFIED as follows: 7. pltf's will file a yearly motion to compel payment of disputed items, if necessary, no later than 60 days after the parties meet and confer with respect to the statement covering the fourth quarter of each year. If dfts have opposed any billing rates of pltf's counsel, the yearly motion to compel also will be used to establish billing rates for the prior year which shall cover both disputed and undisputed time; and pltf's 12/9/93 motion to modify the periodic fees process BE DENIED in all other respects (cc: all counsel) (old) (Entered: 12/23/1994)                                                                                                                                                                                                                                                                                                                                                                                                      |
| 12/23/1994 | 1203 | ORDER by Magistrate Judge John F Moulds ORDERING: pltf's to provide a computation of the dollar amount of disputed fees for work performed in 1993 at the rates set forth in the court's recommendations [1202-1] filed on this date (cc: all counsel) (old) (Entered: 12/23/1994)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| 12/23/1994 | 1204 | ORDER by Honorable Lawrence K Karlton ORDERING: mediator's findings and recommendations re: perceived violation number 402 [1160-1] APPROVED AND ADOPTED w/ the following modifications: reference to inmate social security numbers is STRICKEN from fact number 10; recommendation 1 is AFFIRMED and ORDERED pursuant to consent decree section IX.6 MODIFIED to read as follows: dfts shall revise their policies and practices to prohibit inmate clerks' access to information which may reasonably be expected to threaten the safety or security or any other inmate or staff member, consistent with the findings set forth herein. The revised policy shall include clear guidelines indentifying categories of information which should not be made available to inmate clerks regardless of the type of document in which the information is contained; recommendation 2 is AFFIRMED and ORDERED pursuant to consent decree section IX.6; dfts shall comply with the provisions of this order pursuant to consent decree section IX.7 (cc: all counsel) (old) (Entered: 12/23/1994) |
| 12/27/1994 | 1205 | OPPOSITION by dfts to Richard Lauranzano's addendum to motion for protective order [1201-1] (old) (Entered: 12/27/1994)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| 02/26/1996 | 1389 | MEDIATOR'S Twenty-Third Progress Report concerning the status of implementation of provision of the Decree (old) (Entered: 03/04/1996)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| 02/27/1996 | 1387 | STIPULATION AND ORDER by Magistrate Judge John F. Moulds ORDERING that the parties stipulate and agree as follows: pltfs shall notify defts of pltfs' counsel's proposed 1996 billing rates by 2/28/96; every year thereafter, pltf shall notify defts of pltfs' counsel's proposed billing rates for that calendar year by 2/28/96 of that year; defts shall inform pltfs on any objections to the proposed 1996 biling rates by 3/15/96; every year thereafter defts shall inform pltf of any objections to the proposed billing rates for that calendar year by 3/15/96 of that year; defts' motion in opposition to pltfs 1996, if any, shall be filed in connection with and according to the same schedule as pltfs' motion to compel payment of disputed fees and costs for 1995 AND pltfs will be the moving party in any rate dispute, and pltfs' motion to establish 1996 rates will be consolidated with pltfs' motion to compel payment of disputed fees and costs incurred in 1995; every year thereafter pltfs' motion to establish rates for the claenar year will be consildated with pltfs' motion to compel payments of disputed fees and costs for the preceding year; The parties will stipulate to a simultaneous briefing schedule for both motions (cc: all counsel) (old) (Entered: 02/27/1996) |
| 03/04/1996 | 1388 | ORDER by Honorable Lawrence K. Karlton ORDERING that: the report is ordered filed; AND the report is accepted as representing the defts' status in implementation of the provision of the Consent Decree in this case (cc: all counsel) (old) (Entered: 03/04/1996)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| 03/04/1996 | 1390 | ORDER by Magistrate Judge John F. Moulds GRANTING attorney fees on the Twentieth Quarterly Statement upon defts on 11/7/95; defts do not dispute \$114,620.03 in fees and costs from the Twentieth Quarterly Statement which became due and owing to pltfs on 1/6/96; Attached hereto as Exhibit A is a chart setting forth the amounts due and owing on the 20th Quarterly Statement at the Court-awarded rates for work performed in 1994: Wherefore, IT IS CONFIRMED that the following sums became collectable and legal interest began accruing on such sums as of the date indicated (interest equals the annual yield on 26-week T-Bills as of 1/4/96) (cc: all counsel) (old) (Entered: 03/04/1996)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| 03/25/1996 | 1391 | LETTER to court from Allen F Breed, mediator re resolution of HIV related issues (old) (Entered: 03/28/1996)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| 04/09/1996 | 1392 | ORDER by Honorable Lawrence K. Karlton the court hereby ADOPTS the Mediator's Recommendations insofar as they state: No further psychiatric care will be permitted on Willis Unit until dfts develop appropriate Policies and Procedures following the guidelines given in the order with an accompanying plan for implementation which has been approved by the Mediator (see order for guidelines for development of Policies and Procedures regarding mentally ill inmates in Willis Unit)(cc: all counsel) (kb) (Entered: 04/09/1996)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

| 06/11/1996 | 1416 | ORDER by Magistrate Judge John F. Moulds the parties have agreed that these fees will be credited to dfts as follows: pltf's have determined that dfts have paid \$2,668.50 in fees and costs for media contacts and conference attendance during the calendar years 1992 and 1993; such amount will be credited to dfts through the quarterly fees process and will be applied as a set-off against undisputed fees owed by dfts in the next stipulation and order regarding such fees filed with this Court pursuant to the quarterly fees procedure and although the parties do not anticipate any dispute regarding the amount or crediting of these fees if such dispute should arise, the parties agree to bring it to the Court's attention through the motion to compel disputed fees and costs for the calendar year 1995 (cc: all counsel) (kb) (Entered: 06/11/1996) |
| 06/14/1996 | 1418 | SUPPLEMENTAL DECLARATION of Michael W Bien concerning the application of the prison litigation reform act to the mediator (old) (Entered: 06/18/1996)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

| 09/16/1997 | 1564 | ORDER by Honorable Lawrence K. Karlton: the mediator's twenty-ninth progress report concerning the status of implementation of the provisions of the decree is ordered filed; the report is accepted as representing the dfts' status in implementation of the provisions of the Consent Decree in this case (cc: all counsel) (dd) (Entered: 09/16/1997)                                                                                                                                                                  |
| 09/16/1997 | 1565 | STIPULATION AND ORDER by Magistrate Judge John F. Moulds whereby parties agree that any special quarterly motion to compel payment of disputed 27th quarter fees and costs may be consolidated with any motion pltf's may file to establish reates for 1996 and 1997, to compel payment of disputed fees and costs for 1996 and to compel payment of disputed fees and costs for the 26th quarter (see order for specific details) Motions are due not earlier than 11/17/97 (cc: all counsel) (old) (Entered: 09/16/1997) |
| 09/17/1997 | 1568 | ORDER by Honorable Lawrence K. Karlton ORDERING dft's 20 days from the time of filing of the order ruling on plt's motion for protective order to file a reply to pltf's opposition to motion to dismiss by defendants in 2:87-cv-01636 [1540-1] (cc: all counsel) (old) Modified on 09/17/1997 (Entered: 09/17/1997)                                                                                                                                                                                                      |
