10/28/2003	667	ORDER of the United States Court of Appeals, Eleventh Circuit that Appellants' notice of appeal is ineffective to appeal from the March 28, 2003 order denying their motion to alter, amend, or reconsider the denial of their motion to show cause in the context of the Crum v. Therefore, to the extent that the notice of appeal evinces an intent to appeal from the order in the Crum litigation, that appeal is DISMISSED for lack of jurisdiction. The notice of appeal is, however, effective to appeal from the March 28 order in United States v. Flowers, civil action 68-T-2709, as the order is final in that case, and the appeal from the order MAY PROCEED Sanders, 574 F. 2d at 199.
