05/24/2013		TEXT ORDER DENIED as unsupported and untimely. Defendants have provided no legal authority to support the issuance of a blanket order authorizing the wide-ranging third-party discovery requested. More importantly, Defendants have offered no explanation as to why such extensive discovery was not sought earlier in the discovery process and no reasonable assurance that the gathering and review of such documents at this late stage of discovery would not further delay this case. Finally, the request was made shortly before the close of discovery and thus is not in accordance with Local Rule Cv 26(c) which generally requires that
