11/17/2014		TEXT ORDER entered by Judge Michael M. Mihm on 11/17/14. Class member, Kennado Taylor files a Motion to Enforce the [May 8, 2013]Interim Order 194 and Second Motion To Enforce 195 complaining of the continuation of conditions which have been identified in the Interim Order. The Court had addressed these issues with the parties on 9/5/2014 and has two days of hearings scheduled 11/20/2014 and 11/21/2014 to address these issues. Furthermore, the class is represented by counsel and all Motions are to be filed through counsel. As a result, 194 and 195 are rendered STRICKEN. Class member Don Collins files 197 , an "update" where he alleges violations personal to him, rather than the class as a whole, including that he was allegedly not given his religious meals on 10/12 and 10/13/2014 and that he has been served less food than others. These claims are outside the scope of these proceedings and will not be addressed here. Plaintiff's recourse is to file a separate cause as to these allegations. Plaintiff is reminded that all filings in this case are to be done through counsel. 197 is STRICKEN.(VP, ilcd) (Entered: 11/17/2014)

Counsel for the parties was present in open court with Edward Huntley, William Barnes and Chris Higgerson on behalf defendants and Marc Kadish, Harold Hirshman, Alan Mills, Laura Miller and Camille Bennett on behalf of the Class Plaintiffs. Plaintiffs' counsel had filed an Agreed Statement 201 outlining the status of compliance with the Court's Interim Order of May 8, 2014. The statement had attached as an exhibit, a November 7, 2014 letter directed to defense counsel identifying those matters which were deemed out of compliance. Defendants had filed a letter in response which had not been filed with the Court. (See William Barnes's letter of 11/13/2014 filed herein). The parties produced a working copy of an unfinalized, joint Consent Decree though noting that there were continued points of controversy. The Court indicated that it would be willing to go through the Consent Decree point−by−point if there was a possibility of achieving a resolution. Absent that, it intended to set the matter for trial. The parties went off the record to undertake protracted settlement discussions. (Court Reporter JJ.) (VP, ilcd) (Entered: 11/24/2014)
11/24/2014		TEXT ORDER ORDER entered by Judge Michael M. Mihm on 11/24/14. The Court announced that, after two days of negotiations, the parties had made substantial progress toward the wording for a final Consent Decree. There remains several unresolved issues including, the construction of inpatient beds and segregation placement. The parties are directed, within 30 days, (Miscellaneous Deadline 12/22/2014) to file with the Court an updated draft of the Consent Decree reflecting the agreed upon changes. If any issues are raised in counsels' attempts to craft the draft Consent Decree, they may contact the Court to schedule a telephone conference to resolve. The Court notes that the identified points of controversy cannot be resolved without IDOC, State Government and State Agency input. Accordingly, the Court hereby schedules a supplemental settlement conference on Friday, March 20, 2015 at 10:30 a.m. in Courtroom B in Peoria before Judge Michael M. Mihm. Counsel is to personally appear as are high level decision−makers. These decision−makers are to include the following individuals, or their high level representatives: The Governor of the State of Illinois, the Director of IDOC, the Director of Human Services, and the Director of Central Management Services.(VP, ilcd) (Entered: 11/24/2014)

12/09/2014		TEXT ORDER entered by Judge Michael M. Mihm on 12/09/2014. Plaintiff's Motion to Enforce May 8, 2013 Agreed Order 182 is GRANTED to the extent that the Court subsequently scheduled 9/4/2014 and 11/23/2014 status conferences and personally participated in settlement negotiations on 11/23/2014 and 11/24/2014. The Court also reviews the letter filed by Ashoor Rasho, one of the represented parties plaintiff 203 . In the letter Plaintiff requests that his counsel involve him in settlement discussions. The Court, having worked with Plaintiff's counsel toward a resolution of this matter, is confident that counsel will effectively communicate the particulars of the proposed settlement with the plaintiffs whom they represent. As the letter requests no relief of this Court, 203 is MOOT.(JS, ilcd) (Entered: 12/09/2014)

03/17/2015		TEXT ORDER entered by Judge Michael M. Mihm on 3/17/15. Class Plaintiff Rasho has filed 205 , essentially an objection to the 11/24/14 settlement conference which was held in this case. Plaintiff Rasho objects to not being present at the settlement conference, despite the fact that he was represented by counsel who were present for the two days of negotiations. 205 is DENIED. A Motion to Intervene has been filed by Robert Sholes who is not a party to this action 207 . Mr. Sholes does not claim to be an SMI inmate but, rather, one who is being held in protective custody due to gang−related threats to his life. He alleges that, in furtherance of the proposed settlement of this case, IDOC plans to eject 100 inmates from protective custody so as to provide additional beds and services for SMI inmates. FRCP 24 provides that a party may intervene if that party has an interest in the action and where a disposition of the action may impair or impede the movant's interests. FRCP 24 (2). Gould v. Alleco, Inc., 883 F.2d 281 (4th Cir. 18989) (denying leave to intervene where movant did not, " satisfy Rule 24's requirement that the claim be 'relating to the property or transaction which is the subject of the action.'" In this case, the movant has not identified himself as SMI and, therefore, cannot have an interest in this action which is for the benefit of SMI inmates. Further, the movant's Motion is untimely where this case has been going on for more than seven years. Id. at 286, (finding intervention filed two years into the litigation was "tardy". Lastly, the movant asks to join this action without the consent of the named Plaintiffs or their counsel. Jardine v. Graham, 09−1114, 2010 WL 2233676 at *6 (E.D. Wis. June 2, 2010). "It also would be unfair to allow these individual to join this action without the consent of plaints." 207 is DENIED. (VP, ilcd) (Entered: 03/17/2015)
03/17/2015		TEXT ORDER entered by Judge Michael M. Mihm on 3/17/15. Class Plaintiff Allory Smith claims that he has opted out of the class and has since been denied mental health treatment. He files a Motion 210 asking the Court to enforce the terms of the interim Order and allow him to intervene in this case. 210 is DENIED to the extent that Plaintiff has not, in actuality, opted out of the class. This action has been brought on behalf of "All persons who are now or will be incarcerated in adult correctional facilities operated by the Illinois Department of Corrections ("IDOC") and who, while incarcerated, have a serious mental illness, defined as an Axis I disorder in the Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition (hereafter"DSM−IV"), except that a diagnosis of alcoholism or drug addiction or any

		form of sexual disorder shall not by itself constitute a serious mental illness for purposes of this class definition". It is also DENIED as it requests enforcement of the terms of the Interim Order, a subject being diligently pursued by the parties who have submitted their joint Consent Decree for the Court's review. 210 is DENIED in its entirety. Named Class Plaintiff Donald Collins has filed a Motion for Status 211 which is STRICKEN as he is represented by counsel in this case. Any filings are to be made through his attorneys. 03/19/2015		Minute Entry for proceedings held before Judge Michael M. Mihm: Parties were present for 3/19/2015 hearing by telephone: Attorneys Alan Mills, Camille Bennett, Harold Hirshman and Marc Kadish for the Plaintiffs; and Attorneys Christopher Higgerson and Lashawnda Hunt for the Defendants. The Court−appointed Monitor, Dr. Raymond Patterson, appeared by telephone. A hearing was conducted on Defendants' Motion to Continue the 3/20/15 Settlement Conference 212 and Plaintiffs' Objection thereto. 213 . The Court is sympathetic to the fact that we have a new governor and the change in administration has delayed the decision making process. It takes note, however, that little progress seems to have occurred since the November, 2014 settlement hearings. In addition, Defendants had agreed to provide a final proposal to Plaintiffs' counsel one week before the scheduled hearing and failed to so do. The Plaintiffs identify the remaining issues as: IDOC's claimed failure to begin construction of inpatient beds at IYC Joliet; failure to reach an agreement as to what is "substantial compliance" for the various benchmarks; and delays in hiring. The Court DENIES the Motion to Continue 212 . The hearing will go forward on 3/20/2015 as scheduled with the attendance of the high level decision makers, or their representatives, as identified in the Court's text Order of 11/24/2014. Defendants' request that Central Management Services be excused is DENIED as this department is involved in the hiring of the new mental health and administrative employees identified as part of this settlement. The CMS representative will, however, be allowed to participate in the hearing by telephone. Ms. Hunt, Chief Legal Counsel to IDOC, will also be allowed to participate by telephone. 07/07/2015		Minute Entry for proceedings held before Judge Michael M. Mihm: Parties present in open court by Attorneys Alan Mills, Harold Hirshman and Amanda Antholdt for the Plaintiffs and Attorneys Chris Higgerson and Ed Huntly for the Defendants. A hearing was held 7/7/15, on Plaintiffs Motion for Certification as a Litigation Class pursuant to Fed.R.Civ.P. 23(b)(2). The Court, after speaking with counsel and taking a brief recess so counsel could confer, determines that the parties are abandoning settlement and will proceed with litigation. The Court notes that a party seeking class certification under Rule 23(b)(2) must also demonstrate compliance with Rule 23(a). The Court finds that Plaintiffs have established the numerosity requirement and identifies commonality and typicality as the remaining Rule 23(a) issues. The Court finds there is commonality as the members of the proposed class have factual and legal issues in common. The Court, at this juncture finds that Plaintiffs have established the typicality requirement but asks that Plaintiffs, within 7 days, file an Offer of Proof supporting their claim that the named representatives are typical of the class. The Court will thereafter allow limited discovery as to the typicality issue, if needed. The parties are to submit to the Court, within 7 days, their Proposed Findings on the issue of Class Certification. The Court makes a finding that Plaintiffs have met the Rule 23(b)(2) requirements for class certification. Defendants move for dismissal of the pending Motion to Enforce set for hearing 7/20/15. Defendants assert that the Motion to Enforce is based on alleged non−compliance with the 5/8/13 Agreed Order and the Order is no longer controlling as the settlement class has been decertified and the parties are no longer moving toward settlement. The Court takes the matter under advisement and schedules a telephone hearing with the parties on Thursday 7/9/15 at 2:00 p.m. by telephone from Peoria (court will place call) before Judge Michael M. Mihm to discuss the status of the Motion to Enforce. The Court took a recess and the parties conferred in an effort to achieve an agreed upon definition for the proposed litigation class. The parties returned and, on the record, presented the following definition. Defendants, however, maintained an objection to including the phrase "should have been identified". The Court overruled the objection, adopting the following definition: Persons now or in the future in the custody of the Illinois Department of Corrections who are identified or should have been identified by the IDOC's mental health professionals as in need of mental health treatment as defined in the current edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association. A diagnosis of alcoholism or drug addiction, developmental disorders, or any form of sexual disorder shall not, by itself, render an individual mentally ill for the purpose of this class definition. 11/30/2015		TEXT ONLY ORDER denying 278 Motion for Misc. Relief. George Fernandez has filed a Motion for a Finding that he is Opted Out of Rasho, et al. v. Walker et al., ILCD Case No. 07−1298. Fernandez is currently a plaintiff in ILCD Case No. 12−1092 pending before Chief Judge Shadid. On August 27, 2015, Chief Judge Shadid entered an Order staying the proceedings in Fernandez's case finding that certain portions of Fernandez's lawsuit could be duplicative of the claims asserted in this case. (Fernandez v. State of Illinois, et al., ILCD Case No. 12−1092, TEXT ORDER dated 8/27/2015). The Chief Judge also noted that Fernandez was a class member in this case (Rasho). Id. In his Motion, Fernandez states that he wants nothing to do with the Rasho case. This case (Rasho) relates to injunctive relief sought for seriously mentally ill inmates in the custody of the Illinois Department of Corrections. This case does not involve damages. The relief sought in this case involves changes to the overall treatment of seriously mentally ill inmates and may have an affect on the IDOC's policies and procedures. In that regard, the relief sought in this case could touch upon Fernandez's case. However, this case does not bar his other suit for damages. Accordingly, the Motion is DENIED insofar as any relief is sought to change or modify the decision by Chief Judge Shadid to stay Fernandez's case. Fernandez must make such a motion in the case before the Chief Judge. Furthermore, Fernandez request that several document related to his Motion be filed under seal. The Court has reviewed the documents and determined that there is no reason for these documents to be sealed. The Clerk of the Court is directed to unseal the documents and also provide a copy of the Motion and Exhibits to the Warden of Pontiac Correctional Center. Entered by Judge Michael M. Mihm on 11/30/2015. (MMM4, ilcd) (Entered: 11/30/2015)

12/04/2015		TEXT ONLY ORDER denying 281 Motion to Compel. Arnold Castillo, purported class member, seeks an Order from the Court compelling Defendants to comply with the Agreed Order dated May 8, 2013. On July 7, 2015, the Court found that the Parties were abandoning their settlement efforts and proceeding to litigation. (See Minute Entry dated 7/7/2015). The Court also found that the Agreed Order was no longer controlling. Id. This matter is presently set for trial on January 5, 2016. The result of the litigation may address certain concerns contained in Mr. Castillo's pleading. However, to the extent Mr. Castillo has any individualized claims, he may wish to file his own lawsuit seeking such individualized relief. The Motion to Compel is DENIED. Entered by Judge Michael M. 12/11/2015		TEXT ONLY ORDER re 285 Notice (Other). Raymond Serio has purportedly "noticed" his Motion up for hearing December 18, 2015. The Motion (ECF NO. 272) was previously denied with this Court explaining that he need not intervene if he meets the definition of a class member. (TEXT ONLY ORDER dated 11/5/2015). Mr. Serio was also put on notice that any further motions should come through counsel. While Mr. Serio is not a named plaintiff, he may (and should) still communicate through class counsel. Mr. Serio was also informed that if he had a specific claim, he can filed his own lawsuit. Mr. Serio's Motion will not be heard on December 18, 2015. This case remains scheduled for Final Pre−Trial on 12/17/2015, and Trial on 1/5/2016. Entered by Judge Michael M. Mihm on 12/11/2015. (MMM4, ilcd) (Entered: 12/11/2015)

12/22/2015		TEXT ONLY ORDER granting in part and denying in part 286 Motion. George A Fernandez has filed a Motion for Clarification (ECF No. 286) of this Court's Order dated 11/30/2105 and for Reconsideration of the Order. In his Order, Mr. Fernandez accuses the Court of using "WEASEL" wording to avoid addressing his question of whether or not his is "OPTED OUT" as a class member in this case. The record reveals that Mr. Fernandez is currently a plaintiff in ILCD Case No. 12−1092 pending before Chief Judge Shadid wherein the Chief Judge determined that the injunctive relief sought by Mr. Fernandez may touch upon his case. As previously noted by this Court, the relief sought in this case involves changes to the overall treatment of seriously mentally ill inmates and may have an effect on the IDOC's policies and procedures. (See TEXT ONLY ORDER dated 11/30/2015). Notably, this case involves injunctive relief, and pursuant to Fed. R. Civ. P., as this goes forward, while the Court would have to determine that the corresponding relief is appropriate respecting the class members as a whole, the relief would be binding on all class members. To put it directly, no class member would be able to "OPT OUT."

		Additionally, it should be noted that the Parties have announced that they have reached a settlement. That being said, Mr. Fernandez, of course, can object to the settlement or terms of the settlement. Mr. Fernandez can also pursue any of his money damages claims outside the context of this litigation. The Motion for Clarification is granted insofar as the Court makes it clear Mr. Fernandez cannot "OPT OUT." The Motion is DENIED in all other respects. Entered by Judge Michael M. Mihm on 12/22/2015. 12/22/2015	289	LEGAL NOTICE (VH, ilcd) (Entered: 12/22/2015)
12/22/2015	290	ORDER entered by Judge Michael M. Mihm on 12/22/2015. The Court enters the following schedule. The Illinois Department of Corrections is to provide the notice to the Plaintiff class members by delivering copies of the Legal Notice to all persons on the mental health caseload and posting copies in appropriate locations in all correctional facilities by January 21, 2016. Objections to the settlement should be filed with the Court by March 21, 2016. A fairness hearing is set for May 13, 2016 at 10:00 AM in Courtroom B in Peoria before Judge Michael M. Mihm. If the Court approves the settlement, Plaintiffs may petition for attorneys' fees and costs, and the Court will set a schedule for a hearing on that petition. 01/04/2016		TEXT ONLY ORDER denying 288 Motion. Mr. Arnold Castillo moves this Court to testify at the Trial that was scheduled for January 5, 2016, noting that his testimony would be relevant and material to the issue presented in this case. Notably, the Parties have recently announced that this case has settled. The trial setting has been vacated. Any final settlement is subject to this Court's review. Additionally, class members will be given notice of the terms of the settlement. If Mr. Castillo has any immediate questions or concerns, he, of course, may contact class counsel. Mr. George Fernandez has filed a Motion for Plaintiffs' counsel to inform him of the terms of the settlement in this case. Mr. Fernandez's Motion also details information regarding recent incidents involving inmates at Pontiac Correctional Center. 01/11/2016		TEXT ONLY ORDER denying 292 Motion. Movant Arnold Castillo asserts that he is a class member in this case and has not been afforded any interim relief despite the fact that class counsel has "stated and affirmed" that he is a class member. Request for intervention of the Court should come through class counsel. Address for class counsel include: Alan Mills, Uptown People's Law Center, 4413 N. 01/28/2016		TEXT ONLY ORDER granting 362 Motion for Misc. Relief. 02/16/2016		TEXT ONLY ORDER denying 509 Motion. Movant Trinidad Botello III, moves this Court for an Order directing class counsel to provide him with a copy of the complaint, amended complaint, motion for class certification, and this Court's August 14, 2015, Order, or alternatively allow him to opt out of the class. Given the nature of this action seeking a change in the IDOC's procedure/policies regarding serious mentally ill inmates, this is not the type of action that Movant can opt−out of. Nonetheless, Movant may object to the terms of the settlement. Moreover, if Movant has any individualized claim for damages, he may seek his own lawsuit − this suit does not prohibit such action. Finally, if Movant seeks information from class counsel, he may direct any inquiry directly to counsel. Address(es) for class counsel include: Alan Mills, Uptown People's Law Center, 4413 N. Sheridan, Chicago, IL 60640/Harold Hirshman, Dentons US LLP, 233 South Wacker Drive, Suite 5900, Chicago, Il 60606/Amanda Antholt, Equip for Equality, 20 N. Michigan Ave., Suite 300, Chicago, IL 60602. Movant does not indicate he has attempted to get information from counsel. Accordingly, any the Motion is DENIED. Entered by Judge Michael M. 02/25/2016		TEXT ONLY ORDER denying 546 Motion to Intervene. Movant Gerald Jones has filed this "Motion to Entervene (sic) and to Consolidate for Hearing Purposes" purportedly on his behalf and those of the class members. Class members are represented by class counsel and Jones' attempt to represent them in his Motion is DENIED. However, the Court will consider Jones' filing as an objection to the proposed settlement agreement as it appears that it what he is seeking to do with his pleading. (See ECF No. 546 at 4, noting "What the Proposed Agreement Should Have," at 7 "Substantiated Reasons the Settlement is Inadequate," at 10 "The Settlement Agreement Place Me the Mental Ill and Mental Development Disorder Inmates in a[n] Imminent Danger of Serious Inpending (sic) Harm," at 18 "I Gerald Jones respectfully object and request this Court deny the Proposed Settlement and allow Gerald Jones present evidence and argue his claim at the hearing under Fed. R. Civ. P. 42(1) and (3)."). That being said, should Movant have any individual claim for which he seeks individualized relief (e.g. monetary damages or otherwise), he should pursue his own action. 02/25/2016		TEXT ONLY ORDER re 549 Objection. Michael Swanson has filed a letter indicating that he believes the proposed settlement agreement does not address those who have lost good time credit in the past and that his medication is not correct. The Court will consider his comment regarding good time credit as an objection to the proposed settlement agreement. With respect to his medication, Mr. Swanson should take whatever action he deems appropriate to pursue his issue in that regard (e.g. through the IDOC's procedures or otherwise). The Clerk of the Court is directed to provide Mr. Swanson with a copy of this TEXT ONLY ORDER. Entered by Judge

02/25/2016		TEXT ONLY ORDER re 554 Objection. Darryl R. Duncan has filed an objection to the proposed settlement agreement. His objections shall be considered within the context of this litigation. However, Mr. Duncan coupled his objection with an amended complaint. Class counsel represents the class members in this case and Mr. Duncan cannot file an amended complaint. However, Should Mr. Duncan have any individual claim for which he seeks relief, he should pursue his own action. Additionally, it should be noted that a cursory review of this District's cases does not reveal any pending litigation involving Duncan (as a named Plaintiff). The Clerk of the Court is directed to provide Mr. Duncan with a copy of this TEXT ONLY ORDER. Entered by Judge Michael M. Mihm on 2/25/2016. (MMM4, ilcd) (Entered: 02/25/2016)
02/26/2016		TEXT ONLY ORDER re 558 Letter and 555 Letter. Any objections received by the Court are entered into the docket. The Court does not generally notify objecting individuals that their objection(s) has been received. Nonetheless, since these two individuals have requested confirmation from the Court, their objections have been docketed. (See ECF No. 414 and 480). The Clerk of the Court is directed to provide these individuals with this TEXT ONLY ORDER. If a class member would like additional information regarding this litigation, they may want to direct their inquiry to class counsel. Entered by Judge Michael M. Mihm on 2/26/2016. Mr. Tipton may choose to pursue any course of action, including filing a grievance with the institution. Entered by Judge Michael M. Mihm on 2/26/2016. (MMM4, ilcd) (Entered: 02/26/2016)

03/29/2016		TEXT ONLY ORDER denying 633 Motion for Reconsideration re 269 MOTION. Movant Eric Keith McKinney requests that this Court reconsider its Order denying his previous Motion seeking an Order of violation the Agreed Order. (See ECF No. 269). Notably, the Court did deny the previous Motion, but also directed the Parties to provide a report on the status of Movants inquiry regarding his treatment. (See TEXT ONLY ORDER dated 10/19/2015). The Report filed by the Parties indicated a disagreement regarding the treatment of the Movant. Of course, the policy/procedure regarding treatment of inmates is an overriding issue presented in this case. While the Agreed Order is no longer in effect, a new proposed resolution has been presented to the Court. The outcome of this case may result in some changes in the Movants position/treatment. Nonetheless, should the Movant seek immediate relief, he should pursue the IDOCs grievance process or file his own litigation. Additionally, the Parties should confer to see if any resolution within the context of this litigation can be reached. The Court will consider Movants filing an objection in this litigation. Entered by Judge Michael M. Mihm on 3/29/2016. (MMM4, ilcd) (Entered: 03/29/2016)
03/29/2016		TEXT ONLY ORDER denying 645 Motion for Reconsideration. Movant Darryl Duncan's Motion to Reconsider Order dated 2/25/2016 is DENIED. As previously stated, Movant's filing shall be considered as an objection within the context of this litigation. However, Duncan cannot unilaterally file an amended complaint in this matter. Class counsel represents the class members in this case. Should Mr. Duncan have any individual claim for which he seeks relief, he should pursue his own action. Entered by Judge Michael M. Mihm on 3/29/2016. (MMM4, ilcd) (Entered: 03/29/2016)
03/29/2016		TEXT ONLY ORDER denying 644 Motion. Movant Kenneth Sims requests this Court issue an "immediate restraining order and state police investigation" into the actions of certain correctional officers at Pontiac Correctional Center against serious mentally ill defendants and other inmates. Movant indicates that Correctional Officer Smith refuses to document and report requests for crisis and hunger strikes and constantly taunts inmates. Movant also states that Major Prentice ordered Movant to be "shaken down" for reporting these types of actions and filing grievances. To the extent Movant has claims of wrongdoing on the part of the correctional staff, he must go through the IDOC's grievance process. That being said, Counsel for the Defendants is DIRECTED to immediately inform the IDOC that retaliation against any inmate for filing an objection will not be tolerated by the Court. Counsel for the Defendants is FURTHER DIRECTED to investigate Movant's allegation/indication that action was taken against him for filing an objection in this case and report back to the Court within 14 days. The report should, if necessary, include affidavits from those alleged to have taken action against this Movant. Entered by Judge Michael M. Mihm on 3/29/2016. (MMM4, ilcd) (Entered: 03/29/2016)
03/31/2016		TEXTO ONLY ORDER re 628 Letter. Keith Walker, through his counsel, requests permission to opt−out of this class action. This is a class action seeking declaratory

		and/or injunctive relief pursuant to Rule 2(a), (b)(1), and (b)(2). Should Mr. Walker seek an individualized claim against the Defendants, he should file a separate suit seeking monetary damages. The request/motion to opt−out is DENIED. The letter will be considered an objection to the settlement. Entered by Judge Michael M. Mihm on 3/31/2016. (MMM4, ilcd) (Entered: 03/31/2016)
03/31/2016		TEXT ONLY ORDER re 640 Letter. Gerald Cunningham has sent a letter indicating that he received no response indicating that he objection has been filed. The Court does not send out confirmation, however, each objection is docketed into the record. Cunningham's objection has been received and docketed as (ECF No. 514). The Clerk of the Court is directed to send Cunningham a copy of this Text Order. Entered by Judge Michael M. Mihm on 3/31/2016. (MMM4, ilcd) (Entered: 03/31/2016)
03/31/2016		TEXT ONLY ORDER re 656 Letter. Manith Vilayhong has summited a letter to the Court requesting certain information. First, Vilayhong would like a copy of the proposed settlement agreement. The Court DIRECTS Plaintiffs' counsel to send a copy of the agreement to the inmate. Second, Vilayhong wants to have his mental health issues taken "seriously." This case is about prisoners rights regarding mental health services and segregation. In that regard, the possible resolution in this case may ultimately affect the treatment received by Vilayhong. However, should Vilayhong believe he has a claim for individualized relief (e.g. request for expungement of discipline), he should pursue a claim through the IDOC's grievance process and/or pursue litigation. The Court will consider Vilayhong's letter as a comment on the proposed settlement agreement. Entered by Judge Michael M. Mihm on 3/31/2016. (MMM4, ilcd) (Entered: 03/31/2016)
03/31/2016		TEXT ONLY ORDER re 627 Memorandum. Stanley Boclair has submitted a Memorandum in Support of Injunctive Relief. The class is represented by counsel and any request for injunctive relief should come through counsel. Boclair's Memorandum will be considered as an objection to the proposed settlement agreement. 03/31/2016		TEXT ONLY ORDER re 641 Letter. Kenneth Smith has sent a letter indicating that he received a one page document from the Court and sought further information regarding the document. 04/05/2016		TEXT ONLY ORDER denying 659 Motion. Movant Darnell Tipton requests that this Court enforce its Order dated February 26, 2016. In his Motion, Tipton misconstrues the Court's Order suggesting that the Court required certain action on the part of the Defendants. That is not the case. In the TEXT ONLY ORDER dated 2/26/2016, the Court noted that it would consider Tipton's letter as a "comment on the proposed settlement agreement" and further noted that "no investigation into the specific matter mentioned by Mr. Tipton will be undertaken as part of this litigation. Mr. Tipton may choose to pursue any course of action, including filing a grievance with the institution." Id. Tipton's Motion to Enforce is DENIED. Entered by Judge Michael M. Mihm on 4/5/2016. 05/18/2016	703	**+++ PRISONER TRUST FUND LEDGER. by Donald Collins (VH, ilcd) (Entered: 05/18/2016)**
05/18/2016		TEXT ONLY ORDER denying 700 Motion; denying 701 Motion; denying 702 Motion to Request Counsel. Named Plaintiff Donald Collins has filed a series of Post−Fairness Hearing Motions: (1) requesting that he be heard (ECF No. 700), (2) the class attorneys be deemed "ineffective" (ECF No. 701), and (3) for the Appointment of Counsel (ECF No. 702). All of the Motions are DENIED. In his first Motion, Collins provides that he never agreed to forgo damages for the Class Plaintiffs and further raises concern regarding the meals/purchase of food for mental unit inmates (as well as issues with his particular circumstances). The issue of damages has been raised by numerous objections. Class Counsel noted in their recent memorandum "The relief sought in this case has never included monetary damages and the Settlement does not prohibit any prisoner from pursuing a damages claim, if one exists. However, counsel note that the Prison Litigation Reform Act places significant obstacles in the way of such claims, including an exhaustion requirement." (ECF No. 682 at 12). Collins is free to pursue his damages claim within the confines noted be class counsel. (See also TEXT ORDER dated 2/11/2014, the Court denied Collins' Motion to Show Cause and specifically informed him that "If Plaintiff believes he has a cause of action for damages based upon his particular circumstances of incarceration, he may file a separate lawsuit and he will be responsible for the $400 filing fee."). As for issues regarding meals, the Court would note that this case raises concerns regarding deliberate indifference. Restrictions on the ability to purchase food and/or dietary restrictions in and of itself do not rise to such a level. Nonetheless, the Court DIRECTS class counsel to review and consider this issue in the context of the treatment of Seriously Mentally Ill inmates. However, no further relief is granted. The Court also DENIES Collins' Motions related to Class Counsel and appointment of counsel. Nothing in the record indicates Class Counsel is, or has been, unable to represent the class in this case. Moreover, nothing in the record suggest Class Counsel should be replaced in this case. Accordingly, those Motions on that issue are DENIED. Entered by Judge Michael M. 11/04/2016	797	Second MOTION to Enforce filed by George Fernandez. Responses due by 11/21/2016 (VH, ilcd) (Entered: 11/04/2016)
11/04/2016		TEXT ONLY ORDER denying 794 Motion. Movant George A. Fernandez has again moved to hold Pontiac Correctional Center Counselor Wykes in contempt for "violation of settlement agreement." (ECF No. 794). In his Motion, Movant alleges that he was written up for "sexual misconduct" as a form of retaliation. Movant has previously filed a similar Motion against Counselor Wykes, and the Motion was denied. (ECF No. 789 and TEXT ONLY ORDER dated 10/26/2016). This Motion is also DENIED. Movant again is admonished that any individual claim for relief sought be brought through the IDOC's grievance process or other appropriate forum. Entered by Judge Michael M. Mihm on 11/4/2016. (MMM4, ilcd) (Entered: 11/04/2016)
11/04/2016		TEXT ONLY ORDER denying 797 Motion as premature. On October 26, 2016, this Court again directed Class Counsel to send a copy of the settlement agreement to the Movant. Movant complains that he has not received the settlement agreement yet. The date of this Court's Order and Movant's recent Motion suggest that the delayed receipt (or lack of receipt) may simply be an issue of timing. Accordingly, the Motion is DENIED at this time. That being said, Class Counsel should confirm they have sent the copy to Movant George A. Fernandez. Entered by Judge Michael M. Mihm on 11/4/2016. (MMM4, ilcd) (Entered: 11/04/2016)

11/10/2016		TEXT ONLY ORDER denying 801 Motion. Movant Don Collins indicates that Class Counsel has not followed up with this Court's previous directive to forward Movant's previous filing to the Court Monitor. (See TEXT ONLY ORDER dated 9/27/2016 and ECF No. 774). The Court notes Movant has often complained of the treatment he is receiving while incarcerated. Notably, the Court previously direct class counsel to forward his previous filing to the Court Monitor for his review, and any follow−up the Court Monitor deems necessary. Nonetheless, the Court again admonishes Movant that he should pursue any individual complaints through the IDOC grievance process. The Motion is DENIED. Entered by Judge Michael M. Mihm on 11/10/2016. (MMM4, ilcd) (Entered: 11/10/2016)
11/10/2016		TEXT ONLY ORDER granting in part and denying in part 802 Motion and 803 Motion. Movant George Fernandez has filed two Motions requesting that he receive

		certain copies of pleadings from the library staff at Pontiac Correctional Center. In his first Motion, Movant requests copies of a filing he made. (ECF No. 802). In the second, Movant requests a complete copy of the filing made by Class Counsel. (ECF No. 803). It is unclear to the Court why Movant would not have been provided a complete copy of the filing made by Class Counsel. (ECF No. 799). As for his own filing, Movant should always retained copies of documents he sends to the Court. That being said, the Motion is GRANTED insofar as the Court directs Defendants' counsel to inquire with Pontiac Correctional Center, and report back to the Court, regarding what copies (as identified in the Motions) have (or have not) been provided to the Movant, and to the extent applicable, the reason(s) the documents have not be given to the Movant. The Motions are DENIED as to any further relief at this time. Entered by Judge Michael M. Mihm on 11/10/2016. (MMM4, ilcd) (Entered: 11/10/2016)

12/20/2016		TEXT ONLY ORDER denying 1032 Motion. Movant Mario English Jr. has filed a Motion of a Violation of Settlement Agreement Order Set Forth Friday, May 13, 2016, stating he has been unable to get a crisis team on 1st, 2nd and 3rd shift unless he hurts himself. Movant argues this is a violation of the Settlement Agreement. Although he doesn't request any specific relief from the Court (other than finding Menard Staff in contempt), he asks that class counsel contact him about these issues and the only way of insuring class counsel receives this information is by filing a motion. The Court declines to grant any expressed or implied relief contained in the Motion. Class Counsel will receive a copy of the filing through the electronic system. The Motion is DENIED. Entered by Judge Michael M. Mihm on 12/20/2016.

02/24/2017		TEXT ONLY ORDER denying 1227 Motion to Request Counsel. Movant Don Collins filed the instant motion complaining about his medical treatment and the lack of attention to his complaints by the Court, class counsel, and presumably, the Court Monitor. As previously explained, Movant should pursue his individual complaints regarding his treatment through the IDOC's grievance process or other forum he deems appropriate. The Court declines to do so in the context of this case. This case was intended to seek declaratory and injunctive relief. (See ECF No. 695). The Settlement Agreement requires the IDOC to take certain measures regarding mental health services. This process is overseen by an independent monitor and reports will be made to the Court. Movant concerns have been heard, but again if he wants to grieve his own personal circumstances, he must do so outside this litigation. The Court directs class counsel to provide the Movant's letter to the Court Monitor for his review. Entered by Judge Michael M. Mihm on 2/24/2017. (MMM4, ilcd) (Entered: 02/24/2017)
02/24/2017		TEXT ONLY ORDER denying 1228 Motion. Movant Steven Lisle Jr. filed a Motion requesting that this Court direct Attorney Alan Mills to return a complaint and exhibit he submitted to the attorney. Apparently, Movant sought Mr. Mills representation on a legal matter involving his treatment in IDOC. The Court declines to become involved in Mr. Lisle dispute with the attorney. Nonetheless, Attorney Mills should review Movant's complaints and determine if any action should be taken. The Motion is DENIED. Entered by Judge Michael M. Mihm on 2/27/2017. 03/03/2017		TEXT ONLY ORDER denying 1233 Motion. Movant Steven Lisle has filed another Motion complaining about his treatment at Pontiac Correctional Center. In his current Motion, Movant complains that the "Orange Crush" subjected him to excessive force and sexual assault in retaliation for objection in this case. Movant notes that he has filed a grievance on this matter. Movant should continue to pursue any complaints regarding his treatment through the IDOC's grievance process or other forum he deems appropriate. The Court will not consider Movant's complaints in this Docket. The Court, however, DIRECTS class counsel to provide a copy of this letter to the monitor. Counsel for both the Defendants and Plaintiffs should review/investigate the allegations made in this complaint and satisfy themselves that no retaliation is occurring for participating in this case. Any determination to the contrary should be brought to this Court. Furthermore, because of the allegations made, the Clerk of the Court is DIRECTED to provide a copy of this Order and Movant's letter to the Warden of Pontiac Correctional Center. The Motion is DENIED. Entered by Judge Michael M. Mihm on 3/3/2017. (MMM4, ilcd) (Entered: 03/03/2017)
03/03/2017		TEXT ONLY ORDER denying 1232 Motion. Movant Charles Donelson has filed another Motion indicating that the monitor has not reached out to him despite this Court directing previous motions to go to the monitor. Movant specifically notes he had previously submitted a letter to the Court but did not receive a response. A review of the docket reveals the Court responded to Movant's previous Motion on February 8, 2017. As it was previously noted, Movant should pursue complaints regarding his treatment through the IDOC's grievance process or other forum he deems appropriate. The Court DIRECTS the Clerk of the Court to provide Movant a copy of the previously entered TEXT ONLY ORDER. (See TEXT ONLY ORDER dated 2/8/2017). The Court will again DIRECT class counsel to forward a copy of this letter to the Court Monitor for his review. In all other respects, the Motion is DENIED. Entered by Judge Michael M. 03/31/2017		TEXT ONLY ORDER denying 1286 Motion. Movant Ned James the 3rd filed a motion complaining about his treatment at Pontiac Correctional Center. Movant specifically complains that the correctional center does not have group therapy. Movant also complains that he has never spoken to the Monitor or any attorneys despite reaching out to them. Movant should pursue such complaints regarding his treatment through the IDOC's grievance process or other forum he deems appropriate. Movant should pursue complaints regarding his treatment through the IDOC's grievance process or other forum he deems appropriate. 04/03/2017		TEXT ONLY ORDER denying 1291 Motion. Movant Steven D. Lisle makes several requests in his recent Motion. First, Movant requests that the Court send him copies of the entire record of all motions and exhibits he has filed. Movant makes the request because he sent one of his filings to class counsel, and class counsel reported to him they never received it. Movant surmises Pontiac Correctional Center "stole" or "concealed" the mailing. The Court declines to send copies of every filing the Movant has made without copying costs. Movant does not indicate what the purpose is for the documents. If Movant seeks a copy of a docket entry, he may contact the Clerk of the Court to determine the copying charge. Movant has filed numerous motions in this Court, and is admonished that he should retain copies of any filings with the Court. Moreover, if the purposes of the requested copies is to send them to class counsel, class counsel already has the ability to obtain the documents from the docket. (See ECF No. 747). Second, Movant requests the Court enter a TRO against Pontiac employees prohibiting them from destroying, concealing or stealing his mail. The Court declines to do so in the context of this case. Movant should pursue his complaint through the IDOC grievance process. Finally, Movant requests that this Court order him transferred to another IDOC facility. The Court also declines to do so in the context of this proceeding. Movant should also pursue his retaliation complaint through the IDOC grievance process. The Motion is DENIED. 04/17/2017		TEXT ONLY ORDER denying 1307 Motion for Sanctions. Movant Darrell Drummond filed a Motion requesting sanctions against various medical and staff members at Pontiac Correctional Center for alleged violations of the settlement agreement. The Court DIRECTS class counsel to forward a copy of this letter to the Court Monitor for review. However, if Movant wants to pursue any of his individual complaints, he must do so through the appropriate forum by either filing a grievance through the IDOC grievance process or other forum he deems appropriate. 04/17/2017		TEXT ONLY ORDER denying 1313 Motion and denying 1314 Motion. Movant Don Collins has filed two motions in this matter. First, Movant raises concerns about the residential housing accommodations for mental health offenders at Pontiac Correctional Center. In his second Motion, Movant indicates he has not received any indications the Court has received his previous filings. As for his complaints regarding the housing, the Court directs class counsel to provide the Court Monitor a copy of the Movant's filing. However, Movant must pursue his individual complaints through the IDOCs grievance process or other forum he deems appropriate. In that regard, the Motion is DENIED. As for his previous filings, the Court would note it has received several post−settlement filings from the Movant (See ECF Nos. 1293, 1287, 1279, 1263, 1256, 1227, 1202, 1172, 1073, 964, 961, 801, 774, 766, 740, 738, 716, 715). The Court has entered TEXT ONLY ORDERS in response to several of the filings. Movant is again admonished that any Motion seeking individualized relief will not be addressed in this docket. 04/18/2017		TEXT ONLY ORDER denying 1316 Motion. Movant Don Collins has filed another Motion detailing complaints about his (and others) treatment at Pontiac Correctional Center. Class Counsel is directed to forward this information on to the Court Monitor. To the extent Movant is complaining about his individual conditions or treatment, Movant should pursue such complaints through the IDOC's grievance process or other forum he deems appropriate. In that regard, the Motion is DENIED. Entered by Judge Michael M. Mihm on 4/18/2017. (MMM4, ilcd) (Entered: 04/18/2017)
04/18/2017		TEXT ONLY ORDER denying 1317 Motion and denying 1318 Motion. Movant Steven Lisle has filed two Motion stating he has been retaliated against for informing the Court of misconduct of "orange crush" staff members. Movant specifically complains that staff members have prevented the filing of a § 1983 complaint. As such, Movant requests the Court transfer him to another facility and direct that he be allowed to file his complaint. The Court has significant concerns regarding Movant's allegations that he has been unable to file his complaint. As such, the Clerk of the Court is DIRECTED to provide a copy of this Order and Movant's filings to the Warden of the Pontiac Correctional Center. Furthermore, within 21 days of this Order, Counsel for the Defendant is DIRECTED investigate Movant's allegations regarding the inability to file his complaint in retaliation for participating in this proceeding and report back to the Court. 04/18/2017	1323	MOTION for Counsel and Monitor to Provide Information Discovery filed by Ralph Kings. (VH, ilcd) (Entered: 04/18/2017)

04/19/2017		TEXT ONLY ORDER denying 1323 Motion to Request Counsel and other relief. Movant Ralph Kings filed a Motion requesting that this Court direct Class Counsel and the Court Monitor to provide certain information that may be pertinent to his civil action pending in this District (Kings v. McCormick, et al., ILCD Case No. 17−cv−1128). Movant specifically seeks "Reports and Findings" that were made by the attorney and monitor. The Court declines to require the attorney and monitor to provide the documents as part of this proceeding. Parenthetically, the Court notes that the attorney's work product is generally not subject to disclosure and the Court sees no reason it would be different in this case. Additionally, the Court Monitor's work is not compete in this matter. However, the Court DIRECTS the Clerk of Court to file a copy of the Movant's filing and this Order in docket 17−1128, so the presiding Judge in that case can be aware of this potential discovery issue. 04/20/2017		TEXT ONLY ORDER denying 1324 Motion. Movant Don Collins has filed a Motion in response to this Court's TEXT ONLY ORDER dated 4/17/2017 addressing his previously filed Motions. Movant complains that the issues he has raised include aspects of this class action. Undoubtedly, the some issues raised by Movant are common to the class. Hence, the reason this Court has directed Class Counsel to forward several filings made by Movant to the Court Monitor. However, this case is for class counsel to litigate. Movant's various Motions are considered in context with the overall relief sought by the class. Ultimately, violations and complaints regarding the State's adherence to the settlement agreement will be brought, if at all, by Class Counsel. Movant is free to communicate his concerns with Class Counsel. Moreover, Movant may seek to bring his own complaints in a separate action (grievance or another lawsuit). However, in this case the class is represented by counsel, and requests for action should be directed to them. Entered by Judge Michael M. Mihm on 4/20/2017. (MMM4, ilcd) (Entered: 04/20/2017)

04/25/2017		TEXT ONLY ORDER denying 1325 Motion. Movant Ozzie Scott has filed a Motion complaining about his treatment Pontiac Correctional Center. Movant specifically complains that he has not been allowed to talk with a behavior therapist. Movant should pursue such complaints regarding his treatment through the IDOC's grievance process or other forum he deems appropriate. However, the Court DIRECTS class counsel to forward a copy of this letter to the Court Monitor for his review. Furthermore, because the Movant indicates possible self−harm, the Court directs the Clerk of the Court to provide a copy of Movants filing and this Court's Order to the Warden. In all other respects, the Motion is DENIED. Entered by Judge Michael M. Mihm on 4/25/2017. (MMM4, ilcd) (Entered: 04/25/2017)

04/25/2017		TEXT ONLY ORDER denying 1328 Motion and 1329 Motion. Movant Steven Lisle has filed two recent Motions (ECF Nos. 1328 and 1329) seeking, among other things, that this Court notify the Urbana Division that his case was filed in the wrong division. Movant specifically notes that he filed a § 1983 case, Lisle v. Baldwin, et al., ILCD Case No. 17−1158. Suffice it to say, the case involves complaints about his treatment at Pontiac Correctional Center. The Court declines to take any action in his new civil case in this docket. Movant has already made the Court in his newly filed case aware of this lawsuit and his complaints contained herein. See Lisle v. Baldwin, et al., ILCD Case No. 17−1158, (ECF No. 9). Notably, however, the Complaint was not "intentionally" filed in the wrong division by Pontiac officials. The case was filed in the Peoria Division but subsequently assigned to the Judge sitting in the Urbana Division. This case (Rasho v. Walker) deals with various class allegations of treatment in the IDOC system. Movant's individual allegations of misconduct on the part of the Pontiac Correctional Center are appropriately heard outside this case (Rasho v. Walker). Accordingly, this Court finds no reason to interfere with the handling of Lisle v. Baldwin, et al., ILCD Case No. 17−1158. Movant can pursue his complaints raised in the present Motions in his newly filed litigation. Here, the Motions are DENIED. Entered by Judge Michael M. Mihm on 4/25/2017. 05/08/2017		TEXT ONLY ORDER denying 1348 Motion. Movant Don Collins has filed another Motion detailing allegations of mistreatment at Pontiac Correctional Center. The Motion does not clearly identify any particular relief. The Court has previously admonished Movant that he should pursue allegations of specific misconduct through the IDOC's grievance process or other forum he deems appropriate. The Court Monitor has, and will, review the various complaints from the inmates. However, ultimately, violations and complaints regarding the State's adherence to the settlement agreement will be brought, if at all, by Class Counsel. The Motion is DENIED. Entered by Judge Michael M. Mihm on 5/8/2017. (MMM4, ilcd) (Entered: 05/08/2017)
05/08/2017		TEXT ONLY ORDER denying 1349 Motion. Movant Steven Lisle has filed another Motion complaining about his treatment (and alleged retaliation) at Pontiac Correctional Center. Movant specifically alleges staff members are assaulting inmates in retaliation for their participation in this lawsuit. The Court is extremely troubled by these allegations, and counsel for defendant has been directed to examine issues of alleged retaliation. See TEXT ONLY ORDER dated 4/18/2017. Movant must pursue his allegations though the IDOC's grievance process or other forum he deems appropriate. The Motion is DENIED in the context of this litigation. However, the Court DIRECTS the Clerk of the Court to forward a copy of Movants filing to the Warden. Entered by Judge Michael M. Mihm on 5/8/2017. (MMM4, ilcd) (Entered: 05/08/2017)

05/11/2017		TEXT ONLY ORDER denying 1350 Motion. Movant Don Collins has filed a motion complaining that this Court, counsel, the monitor, and others have failed to take action to remedy certain issues related to seriously mentally ill inmates. Movant specially claims there have been delays in getting hygiene products to SMI (and apparently other) inmates. Additionally, Movant complains that religious meals are not served in segregation. Finally, Movant complains about the counseling service. The Court has concerns about these types of issues. However, at this stage, the Court continues to believe the best way to handle these is by having the Monitor continue to serve his role in reviewing these issues (and inmate complaints). Of course, Movant is free to pursue his own complaint through the grievance process if he deems appropriate. Nonetheless, class counsel is DIRECTED to forward a copy of the Movant's filing to the Court Monitor. However, the Motion is DENIED. Entered by Judge Michael M. Mihm on 05/11/2017. 05/12/2017		TEXT ONLY ORDER granting 1351 Motion for Information. Movant Ramon Villaneva has filed a Motion requesting information related to class counsel's Motion for Attorneys' fees and costs. The Court GRANTS the motion insofar as it provides the following information. The Court approved class counsel's Motion. Notably, the fees will be paid to the class counsel. Additionally, the Court previously approved the settlement agreement requiring Defendant to take certain action related to the medical treatment of seriously mentally ill inmates. However, that settlement does not provide

		for any monetary relief to the inmates. Movant should contact class counsel if he desires additional information on the resolution of these matters. Entered by Judge Michael M. Mihm on 05/12/2017. (MS1, ilcd) (Entered: 05/12/2017)
05/12/2017		TEXT ONLY ORDER denying 1352 Motion for Sanctions. Movant Robert Weeks has filed a motion seeking "sanctions" against Pontiac Correctional Center's warden and other staff members, asserting he has received inadequate mental health treatment. Movant specially alleges he has been refused mental health treatment and access to group therapy. Movant should pursue any of his individual complaints regarding his treatment through IDOC's grievance process or another forum he deems appropriate. However, the Court DIRECTS class counsel to forward a copy of Movant's filing to the Court Monitor for further review. The Motion in the context of this case is DENIED. Entered by Judge Michael M. 05/16/2017		TEXT ONLY ORDER granting 1353 Motion for Status by Movant Tyrone Braboy insofar as the Court provides the following status. On May 13, 2016, after a hearing was held, the Court approved the settlement agreement between the parties requiring various action related to serious mentally ill inmates to be taken by the Defendants. (See Minute Entry dated 5/13/ 2016). On February 10, 2017, this Court entered an Order granting attorneys' fees in the amount of $3.8 million with $1.9 million payable at this time. (ECF No. 1211). The Court's Order was entered after notice to the class and a hearing held on February 3, 2017. This payment is to be paid to the attorneys representing the class. There are no payments to any individual class plaintiffs. Movant should contact class counsel for any further update regarding the status of the case. Entered by Judge Michael M. Mihm on 5/16/2017. 05/17/2017	1356	MOTION for Clarification filed by Don Collins. (VH, ilcd) (Entered: 05/17/2017)
05/17/2017		TEXT ONLY ORDER denying 1355 Motion. Movant Alan Duncan has filed a Motion requesting the Court have him removed from segregation at Menard Correctional Center. Movant generally asserts that he has been in long term segregation and should be afforded relief under the settlement agreement. The settlement in this case placed certain obligations on the Defendants as it relates to serious mentally ill inmates, however, specific claims regarding individual treatment generally fall outside the parameters of this case. Movant should pursue such complaints regarding his treatment through the IDOC's grievance process or other forum he deems appropriate. In the context of this case, the Motion is DENIED. Entered by Judge Michael M. Mihm on 5/17/2017. (MMM4, ilcd) (Entered: 05/17/2017)
05/17/2017		TEXT ONLY ORDER denying 1356 Motion. Movant Don Collins has yet another Motion asserting that this case is "open" and "grievances are not needed to address complaints from the class." As such, Movant implies this Court has improperly directed him to file grievances to address his individual complaints. Movant incorrectly assumes he is in the position to dictate the parameters of this case. While this case addresses the treatment of serious mentally ill inmates in IDOC, this is a class action wherein the inmates are represented by counsel (see e.g. ECF No. 95, Amended Complaint and ECF No. 696). Individuals seeking monetary relief generally fall outside the scope. However, compliance with the settlement agreement is obviously of concern to this Court, and that is why such complaints are forwarded to the Court Monitor and class counsel for review. Class counsel will determine if additional action is necessary. The Motion is DENIED. Entered by Judge Michael M. Mihm on 5/17/2017. (MMM4, ilcd) (Entered: 05/17/2017)

05/19/2017		TEXT ONLY ORDER denying 1358 Motion. Movant Don Collins has filed a Motion detailing events involving an inmate in Pontiac Correctional Center. Movant is critical of the Mental Health Staff's handing on this situations and other matters involving inmates with mental health problems. The Court DIRECTS class counsel to forward this letter to the Court Monitor for his review. The Motion is DENIED in all other respects. Entered by Judge Michael M. Mihm on 5/19/2017. 09/19/2017		ORDER denying 1529 Motion and 1531 Motion. Movant Don Collins has filed two motions related to his communication (or lack thereof) with Class Counsel. (ECF Nos. 1529 and 1531). Movant's prayer for relief in both Motions is vague, yet appears to be a statement directed to Class Counsel. (ECF No. 1531 at 2, "Officers of the Court are advised to refrain [from] jumping to mislead[ing] statements because [they are]

		dissatisfied with matters not necessarily part of this case or inapplicable to Motion 1525;" and ECF No. 1529 at 1, "Do to false remarks and placing co−counsel, as well as defendant (Antholt), in unusual circumstance, reply (sic) to other class counsel, Mr. Mills is being evaluated for direction."). Accordingly, the Motions are summarily DENIED. Entered by Judge Michael M. Mihm on 9/19/2017. (MMM4, ilcd) (Entered: 09/19/2017)
09/19/2017		TEXT ONLY ORDER denying 1532 Motion. Movant Don Collins has filed a document docketed as a Motion indicating he was issued a "renewed medical permit." This filing appears to be for information purposes only. Accordingly, the Court finds the Motion MOOT. Should the Movant be seeking some additional relief with respect to this filing, he should so inform the Court. Entered by Judge Michael M. Mihm on 9/19/2017. (MMM4, ilcd) (Entered: 09/19/2017)
09/19/2017		TEXT ONLY ORDER denying 1530 Motion. Movant Don Collins has filed a Motion again raising issues about "meal deliveries." The Court declines to address Movant's complaint in the manner Movant seeks in the context of this litigation. The Court has previously directed the Court Monitor to consider the complaint(s) raised by Movant as part of his role. Moreover, Movant has been advised on numerous occasions that he should pursue an individual complaints regarding his treatment through the IDOC's grievance process or other forum he deems appropriate. 09/21/2017	1538	Letter from Terrance Godfrey. (VH, ilcd) (Entered: 09/21/2017)
09/21/2017		TEXT ONLY ORDER denying 1536 Motion and 1537 Motion. Movant Don Collins has filed two additional Motions in this case. Both Motions relate to previous Motions he has filed this case. In the first Motion (ECF No. 1536), Movant indicates that a previous filing contained 2 pages including a one page exhibit of the medical permit. (See ECF No. 1532). The Court would note that Motion (ECF No. 1532) does contain the "Medical Permit (New Order)" exhibit. Since the Movant does not request any additional relief with respect to this Motion, the Motion is otherwise DENIED. In his second Motion (ECF No. 1537), Movant raises additional issues regarding the Medical Permit and alleged wrongdoing on the part of prison staff. Movant specifically complains that he was given a medical permit to have his meals brought to his cell, only to later have that medical permit "torn−up," and replaced with a medical permit to allow him to bring his meals to his cell. While this complaint may involve issues related to mental health treatment, Movant is again advised that he should pursue an individual complaints regarding his treatment through the IDOC's grievance process or other forum he deems appropriate. However, the Court will DIRECT Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. The Motion is DENIED. Entered by Judge Michael M. Mihm on 9/21/2017. (MMM4, ilcd) (Entered: 09/21/2017)
09/21/2017		TEXT ONLY ORDER denying 1534 Motion. Movant George Fernandez has filed a Motion requesting that the Court Monitor and other attorneys visit with another inmate. Movant indicates that the inmate engaged in self−injurious behavior, and further noted that the staff members at the prison had been provoking the inmate to engage in such behavior. While the Movant's concern is commendable, moving on someone else's behalf is problematic. Nonetheless, the Court DIRECTS Class Counsel to review the filing, and further DIRECTS Class Counsel to forward a copy of the filing to the Court Monitor. The Motion is otherwise DENIED. Entered by Judge Michael M. Mihm on 9/21/2017. (MMM4, ilcd) (Entered: 09/21/2017)

09/22/2017	1542	MOTION filed by Don Collins. (VH, ilcd) (Entered: 09/22/2017)
09/25/2017		TEXT ONLY ORDER denying 1539 Motion, 1540 Motion, 1541 Motion, and 1542 Motion. Movant Don Collins has filed four new Motions in this case. (ECF Nos. 1539, 1540, 1541, and 1542). In his first Motion, Movant requests that the Court confirm, and going forward identify, the number of pages attached to each of his filing. (ECF No. 1539). The Court declines to do so. Movant has concerns the documents he is filing does not contain all the pages he sought to file. Based on Movant filing, and this Court's review, there is no indication his filings have been somehow altered. The Court would note, however, document 1529 contains only one page (and is identified on the filing as such), despite the Movant indicating it contained 2 pages. The Motion is DENIED. In his second Motion, Movant inquires whether the Court is open to receiving filings concerning feedback regarding the Court Monitor's report. (ECF No. 1540). Movant also indicates that he intends to have class members send their feedback to him directly. First, Movant is ADMONISHED while he is a named Plaintiff in this case he is NOT counsel. Movant is free to make filings on his behalf, HOWEVER, he cannot move on behalf of others as the class is represented by class counsel. Inmates should contact class counsel to determine what means would be the best to communicate their concerns with the Court. The Court has no position on the matter at this time other than the admonishments noted above. The Motion is DENIED. In his third Motion, Movant indicates there are still communication issues between him and counsel. (ECF No. 1541). The Court declines to grant any relief based on the Motion, but the Court will address the communication issue at a later date. NONETHELESS, Class counsel is also reminded that the Movant is a named plaintiff in this case. The Motion is DENIED. In his fourth Motion, Movant complains about the delivery of ice at the institution during the recent heat. Movant's complaints are serious, but appear to fall outside the scope of this litigation. Movant is ADMONISHED that he should pursue these types of complaints through the IDOC's grievance procedure or other forum he deems appropriate. In the context of this case, the Motion is DENIED. Class counsel is DIRECTED to provide a copy of each of the Movant's filings to the Court Monitor. Entered by Judge Michael M. Mihm on 9/25/2017. (MMM4, ilcd) (Entered: 09/25/2017)
09/25/2017	1543	MOTION filed by Don Collins. (VH, ilcd) (Entered: 09/25/2017)

09/26/2017		TEXT ONLY ORDER denying 1543 Motion. Movant Don Collins has filed a new Motion related to meal deliveries. Movant specifically complains about the fact that medical permits were destroyed by correctional staff. Movant seeks to have the Court Monitor made aware of this situation (and the content of his Motion). In that regard, Class counsel is DIRECTED to provide a copy of the Movant's filings to the Court Monitor. The Motion is DENIED in all other respects. Entered by Judge Michael M. Mihm on 9/26/2017. (MMM4, ilcd) (Entered: 09/26/2017)
09/26/2017		TEXT ONLY ORDER denying 1544 Motion. Movant Richard B. Kelly has filed a Motion requesting that the Court "stop security guard staff [member] from interfering with [the] job of the mental health department [ ] at Pontiac [Correctional Center]." Movant's specific complaint appears to involve, among other things, the selection and admittance to movies. Movant specifically requests that the Court direct staff members to "pick good mind, body [and] soul movies," "go door−to−door letting SMI men know the[y're] on the list to go to (SMI) movies for the day," and to have the staff member mind her own business. The Court declines to grant the relief requested. The Motion is DENIED. Movant is ADMONISHED that he should pursue these types of complaints through the IDOC's grievance procedure or other forum he deems appropriate. Class counsel is DIRECTED to provide a copy of each of the Movant's filings to the Court Monitor. Entered by Judge Michael M. Mihm on 9/26/2017. (MMM4, ilcd) (Entered: 09/26/2017)

09/29/2017	1549	MOTION filed by Don Collins. (VH, ilcd) (Entered: 09/29/2017)
09/29/2017		TEXT ONLY ORDER denying 1545 Motion, 1546 Motion, 1547 Motion, and 1549 Motion. Movant Don Collins has filed four additional Motions in this case. In the first Motion (ECF No. 1545), Movant provides information related to his communication with Class Counsel. Movant should communicate his concerns directly with Class Counsel. Unless Movant requests some specific relief from this Court, the Court declines in get involved at this time. Accordingly, the Motion is DENIED. In the second Motion (ECF No. 1546), Movant provides additional information regarding the high temperature at the institution. Movant is again admonished he should pursue these types of complaints through the IDOC's grievance procedure or other forum he deems appropriate. The Motion is DENIED. In his third Motion (ECF No. 1547), Movant clarifies his activities related to comments from inmates to the Monitor's Report. Movant should consider discussing any activities regarding this matter with Class Counsel. The Motion is DENIED. In his final Motion (ECF No. 1549), Movant raises concerns regarding medical permits and issues surrounding certain medical issues. Movant is again admonished he should pursue these types of complaints through the IDOC's grievance procedure or other forum he deems appropriate. The Motion is DENIED. Class counsel is DIRECTED to provide a copy of each of the Movant's filings to the Court Monitor. Entered by Judge Michael M. Mihm on 9/29/2017. (MMM4, ilcd) (Entered: 09/29/2017)

10/05/2017	1556	Emergency MOTION filed by George Fernandez. (VH, ilcd) (Entered: 10/05/2017)
10/05/2017		TEXT ONLY ORDER denying 1550 Motion, 1551 Motion, 1552 Motion, 1553 Motion, and 1555 Motion. Movant Don Collins has filed five additional Motions in this case. In the first Motion (ECF No. 1550), Movant complains that filings he has made to the Court are supposed to be privileged. In that regard, Movant argues that each time a filing is "emailed" at the library, it is no longer confidential/privileged. As such, Movant argues that "class offenders" are at risk each time they make a filing. The Court is not in a position to make a determination on IDOC's policy regarding the filings. That being said, most of the documents, unless otherwise sealed, are publically available and are not "privileged." Indeed, any filing to this Court is not "privileged," but again, could be sealed or confidential. Perhaps Movant should communicate his concerns directly with Class Counsel and determine if there is a way documents could be filed as confidential in this matter. To the extent Movant seeks some redress regarding the IDOC's policy, he must pursue that type of complaint through the IDOC's grievance procedure or other forum he deems appropriate. The Motion is DENIED. In his second Motion (ECF No. 1551), Movant states he is not satisfied with the Court's reply with his previous Motions. Movant alleges his Motions were not fully reviewed. To the contrary, each Motion filed by the Movant is reviewed by the Court. Moreover, the Court finds it premature to address Movant's complaints regarding counsel at this time. The Motion is DENIED. Parenthetically, Movant again complains that he is being addressed as "Movant." The Court means no disrespect in the terms and simply uses the terminology as the person who has filed Motion. In his third Motion (ECF No. 1552), Movant provides a supplement on several complaints he has previously raised to the Court. Class counsel is DIRECTED to provide a copy of Movant's filing to the Court Monitor. Nonetheless, the Motion is DENIED. In his fourth Motion (ECF No. 1553), Movant complains about his dietary permits/restrictions. Movant complains that, with (or even without) class counsel contact, this matter is urgent. The Court has instructed Movant to pursue his individual grievance through the IDOC's grievance procedure or other forum he

		deems appropriate. The Motion is DENIED. In his final Motion (ECF No. 1555), Movant provides additional information regarding his communications with class counsel. The filing appears to be an update on the communications and no specific relief is requested of this Court. To that end, the Motion is DENIED. Entered by Judge Michael M. Mihm on 10/5/2017. 11/14/2017		TEXT ONLY ORDER denying 1601 Motion and 1602 Motion. Movant Don Collins has filed two Motions (ECF Nos. 1601 and 1602) complaining about retaliation from staff members at Pontiac Correctional Center and his perceived lack of attention to these issues by the Court. Movant specifically complains that the Court ignores his Motion and has no interest in reading them. Contrary to Movant's beliefs, the Court has reviewed all of the filings made by the Movant. Nonetheless, the class is represented by counsel, and motions and requests ultimately should come through counsel. Movant is again admonished that he should communicate with counsel regarding his concerns. The Court is aware that Movant has reached out to Class Counsel on multiple occasions, and is also aware several of the areas raised by Movant are generally contained in the Court Monitor's report. Movant has previously been advised of the hearing scheduled regarding Defendants' compliance with the settlement agreement. With that being said, the Court declines to grant the relief requested, but again directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. Entered by Judge Michael M. Mihm on 11/14/2017. (MMM4, ilcd) (Entered: 11/14/2017)
11/14/2017		TEXT ONLY ORDER denying 1603 Motion, 1604 Motion, 1605 Motion, and 1606 Motion. Movant Steven Lisle Jr. has filed four Motions (ECF Nos. 1603, 1604, 1605, and 1606) raising issues of alleged inmate abuse at Pontiac Correctional Center. Movant is currently in the custody of the Illinois Department of Correction and housed at Pontiac Correctional Center. Movant's complaints include issues involving himself (e.g. being sexually abused, not allowed out of cell time, being punched) and other inmates (attempted suicide with inadequate response by staff members). Movant requests that this Court have the Court Monitor investigate the complaints, and further requests that the Court require the Warden to resolve his grievance. The Court declines to grant the relief requested, but directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. Entered by Judge Michael M. Mihm on 11/14/2017. 11/16/2017		TEXT ONLY ORDER denying 1609 Motion. Movant Ned James has filed a Motion purportedly on behalf of a fellow inmate. Movant is currently in the custody of the Illinois Department of Correction and housed at Pontiac Correctional Center. Movant requests that this Court allow him or his fellow inmate speak with counsel regarding the inmate's cell condition. The Movant is, of course, free to reach out to counsel on his own. However, the Court declines to grant any specific relief, but directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. However, because Movant also indicates his fellow inmate could engage in self−injurious behavior, the Clerk of the Court is DIRECTED forwarded Movant's filing to the Warden. Movant does not request any specific relief but rather insinuates the Court will do nothing about this situation. The Court has frequently admonished Movant that he needs to utilize the grievance process for his individualized complaints. To the extent the matters deal with global prisoner conditions, as in the past, the Court directs Class Counsel to provide a copy of these Motions to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. The Motions are DENIED. Entered by Judge Michael M. Mihm on 11/16/2017. (MMM4, ilcd) (Entered: 11/16/2017)

First, Movant complains that this Court fails to understand how the grievance process is actually used by prisoners. Movant accuses this Court of being "uneducated and ignorant" as to what happens "in the field." (ECF No. 1614 at 1). Movant's other Motions address the treatment of inmates including discontinued services (ECF No. 1615), failure to get responses from the Court (ECF No. 1616), medical permits for meals/staff threats and abuse (ECF No. 1617), other meal complaints (ECF No. 1618), and finally, requesting the class counsel determine if class member testimony is necessary at the upcoming hearing (ECF No. 1619). As for Movant's Motion (and comments in other Motions) related to his complaints of the Court, the Court declines to grant any relief. Movant has previously been admonished as to the current status of this case and his need to raise complaints with Class Counsel. (See e.g. TEXT ONLY ORDERS dated 11/14/2017, 11/9/2017, and 11/2/12017). Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. If Movant intended for his filing to be a new Complaint (separate action), he should resubmit the filing and specifically note he seeks to open a new case. In the context of this case, the Motion is DENIED. Entered by Judge Michael M. Mihm on 2/8/2018. (MMM4, ilcd) (Entered: 02/08/2018)
02/08/2018		TEXT ONLY ORDER denying 1820 Motion, 1821 Motion, 1830 Motion, and 1838 Motion. Movant Don Collins has filed four additional Motions in this case complaining of class counsels' conduct. In his Motion (ECF No. 1821), Movant complains that Class Counsel does not adequately represent the class in this matter. Movant also implies the Court has an improper bias that allows Class Counsel to continue in their role (noting one attorney in particular). Movant is admonished that making such allegations have serious consequences and such allegations must be supported by facts. The Court affirmatively states that no such relationship is present in this case that would create a bias. Moreover, Movant's complaints regarding his counsel should be directly addressed with class counsel. The Motion is DENIED. Movant has also filed Motions complaining of the treatment of mentally ill inmates by staff members. (ECF No. 1820 and 1838). Movant, again, notes that Class Counsel has ignored his concerns. Finally, in (ECF No. 1830), Movant complains that about counsels' assistance with his medical permits. Movant does not request any specific relief with respect to these Motions Nonetheless, the Court directs Class Counsel to review the Movant's Motions, and further provide a copy of the Motions to the Court Monitor, to determine if any further action is necessary. As to any other relief, the Motions are DENIED. Movant is again advised that any individual complaints should go through the IDOCs grievance process or other forum the Movant deems appropriate. 02/08/2018	1841	MOTION for Rehearing filed by Kelvin Merritt. (VH, ilcd) (Entered: 02/08/2018)
02/08/2018		TEXT ONLY ORDER finding as moot 1739 Motion, 1741 Motion to Compel, and 1760 Motion to Compel and denying 1833 Motion. Movants Lamar Robinson, Samuel Span, and Don Collins have filed Motions (1760, 1741, and 1739) raising similar complaints regarding the filing practices at the Pontiac Correctional Center law library. Specifically, the Movants complain about receiving orders of the Court and their ability to file exhibits. This Court directed the Defendants to respond to the Motions. On January 25, 2018, the Defendants responded. (See ECF No. 1809). First, the Defendants note that it has issued a reminder to the correctional centers that all materials submitted by the inmates must be scanned and filed. Second, the Defendants note that the Court's responses to Motions are printed and provided to the inmates.

		The Court is satisfied with the Defendants' Response. The Clerk of the Court is DIRECTED to provide a copy of the Defendants' Response to the Movants. Furthermore, the Court understands the Movants may not be satisfied with the Defendants' Response. However, in the context of this case, the Court is satisfied that filings will be made, and Movants will receive the Court's Orders related to their Motions. Should Movant want to seek additional remedies, they must pursue their issues through the normal grievance procedure or in another forum they deem appropriate. Parenthetically, Movant Collins indicates that there are additional restrictions being put in place regarding requesting case law (and having to return the printed copy or pay a fee) (ECF No. 1833). This would be an issue that Movant may want to pursue through the grievance process. Here, it is DENIED. Finally, the Court would note that it has access to all published Court cases and it is unnecessary the Movants to attached such documents to their Motions. Put another way, Movants are free to exclude those documents if they so choose. In sum, in the context of this litigation, the Motions are now MOOT. Entered by Judge Michael M. Mihm on 2/8/2018. 02/13/2018	1854	MOTION filed by Don Collins. (VH, ilcd) (Entered: 02/13/2018)
02/15/2018		TEXT ONLY ORDER denying 1847 Motion, 1848 Motion, 1849 Motion and 1854 Motion. Movant Don Collins has filed several additional Motions in this case (ECF Nos. 1847, 1848, 1849, and 1854). The subjects of the Motions vary, but generally Movant complains of staff misconduct (including alleged misconduct toward other inmates), Defendants' failure to adhere to the settlement agreement, class counsels' performance, and this Court's review of his Motions. As it relates to the latter, Movant complains that this Court does not thoroughly review his Motions. To be clear, the Court thoroughly reviews the Movant's Motions, however, it is mindful that the class is represented by counsel. Movant, while a named plaintiff, is not counsel for the

		class. As such, the most appropriate action for this Court to take when presented by Movant's Motions is to forward them to Class Counsel (and/or the Court Monitor) for review and determination if additional action is needed. As to the conduct of Class Counsel, the Court has seen no evidence that they are deficient in their representation of the class. That being said, Movant should continue to communicate with Class Counsel regarding his concerns. As to the present Motions, the Court declines to grant any relief other than the Court directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is again advised that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. The Motions are DENIED. Entered by Judge Michael M. Mihm on 2/15/2018. (MMM4, ilcd) (Entered: 02/15/2018)

02/21/2018		TEXT ONLY ORDER denying 1862 Motion. Movant Steven D. Lisle has filed a Motion complaining about the conduct of certain staff members at Pontiac Correctional Center. Movant is currently in the custody of the Illinois Department of Correction and housed at Pontiac Correctional Center. Movant requests that this Court order an investigation into the matter. The Court declines to grant the relief requested, but directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. Entered by Judge Michael M. Mihm on 2/21/2018. (MMM4, ilcd) (Entered: 02/21/2018)
02/21/2018		TEXT ONLY ORDER denying 1856 Motion and 1859 Motion. Movant Don Collins has filed two recent Motion providing information regarding his medical treatment (ECF No. 1856) and the discontinuation of certain services (ECF No. 1859). Movant is currently in the custody of the Illinois Department of Correction and housed at Pontiac Correctional Center. Movant indicates that he has raised these issues with Class Counsel and has not received a satisfactory response. Movant also requests that the matters be reviewed by the Court, either independently or at the upcoming hearing. The Court declines to grant the relief specific requested, but directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is again advised that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. Entered by Judge Michael M. Mihm on 2/21/2018. 02/21/2018		TEXT ONLY ORDER denying 1845 Motion. Movant Anthony S. White has filed a Motion raising several concerns about his treatment while incarcerated. Movant is currently in the custody of the Illinois Department of Correction and housed at Pontiac Correctional Center. Movant specifically states that he has been denied opportunities to participate in group and individual therapy, current placement, and the failure to review his disciplinary reports to determine whether his mental illness contributed to his infractions. Movant requests that this Court "enforce the settlement agreement by ordering IDOC − Pontiac Correctional Center's compliance on the

		violations [he alleges]." The Court declines to grant the relief requested, but directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. Entered by Judge Michael M. Mihm on 2/21/2018. (MMM4, ilcd) (Entered: 02/21/2018)
02/21/2018		TEXT ONLY ORDER denying 1841 Motion. Movant Kelvin Merritt has filed a Motion requesting "rehearing" on his previously filed Motion alleging the IDOC has breached the settlement agreement as it relates to treatment of mentally ill inmates at Menard Correctional Center. Movant specifically complains that the Court did not have the Defendants respond to the Motion, he was filing on behalf of class members, and nothing has been done to address the Defendants' actions. The Motion is DENIED. First, the Plaintiffs in this case are represented by counsel. Motions regarding the class should be brought by Class Counsel. As such, Movant should direct his concerns to Class Counsel to determine whether action should be brought on behalf of the class. Second, it should be noted that Class Counsel has brought a Motion alleging the Defendants have not adhered to the settlement agreement. Finally, based on the Movant's filing, the Court found it could rule without the need for a response. While the Motion is DENIED, the Court again directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. Entered by Judge Michael M. Mihm on 2/21/2018. (MMM4, ilcd) (Entered: 02/21/2018)

Movant is currently in the custody of the Illinois Department of Correction and housed at Pontiac Correctional Center. Movant requests that this Court action to remove him from the South Mental Unit. Movant complains that he has written grievances on this issue and no change has been made. The Court declines to grant the relief requested, but again directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. The Court further DIRECTS the Clerk of the Court to provide a copy of the Movant's filing to the Warden of Pontiac Correctional Center for his consideration. Finally, Movant is again advised that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. Entered by Judge Michael M. 03/26/2018		TEXT ONLY ORDER denying 1938 Motion. Movant Don Collins has filed a Motion complaining that that his Court does not adequately address his Motions. Movant specifically accuses the Court of "spe[eding over" his "in−depth motions." Movant is currently in the custody of the Illinois Department of Correction and housed at Pontiac Correctional Center. In the past year, Movant has filed over 150 motions in this case. Many of his Motions highlight issues with the Defendants' compliance with the settlement agreement or matters of mental health treatment that he has experienced and/or witnessed while incarcerated. Movant has often complained that Class Counsel has not been responsive to his communications and/or suggestions. Movant additionally has often complained that this Court has not adequately addressed his filings − either with sufficient amount of time or action. However, it should be clear, despite the fact that Movant has made many filings in this case, he is not Counsel. Class Counsel has been approved to represent the class. Movant's complaints about Class Counsel's lack of response have been addressed in this docket on several occasions. (See e.g. ECF No. 159, TEXT ONLY ORDER dated 5/18/2016, TEXT ONLY ORDER dated 2/8/2018, and TEXT ONLY ORDER dated 3/21/2018). Notably, Class Counsel has filed several pleadings raising numerous concerns with the Defendants' compliance with the settlement agreement. (See ECF Nos. 1893, 1869, 1681, and 1559). Nonetheless, as previously noted by this Court, Movant is represented by Class Counsel, and as such, the most appropriate action for this Court to take when presented by Movant's Motions is to forward them to Class Counsel (and/or the Court Monitor) for review and determination if additional action is needed. As such, the Court directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. The Motion is DENIED. Entered by Judge Michael M. Mihm on 3/26/2018. (MMM4, ilcd) (Entered: 03/26/2018)

Movant is currently in the custody of the Illinois Department of Correction and housed at Pontiac Correctional Center. Movant indicates there has been a reduction in structured time, unstructured time, health services, and other services for these inmates. The Court declines to take any specific action at this time, but directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. The Motion is DENIED. Entered by Judge Michael M. 03/29/2018		TEXT ONLY ORDER denying 1944 Motion, 1945 Motion, 1946 Motion, and 1947 Motion. Movant Don Collins has filed four additional Motions in this case raising several complaints including specific complaints regarding the Court's and Class Counsels' handling of his Motions. (ECF Nos. 1944, 1945, 946 and 1947). Movant is currently in the custody of the Illinois Department of Correction and housed at Pontiac Correctional Center. In the Motions, Movant also provides "clarification" on previously filed Motions, highlighting issues that he believes the Court and Class Counsel have misunderstood. As to more specifics, Movant explains that he has been out of segregation for over one−year, has had no disciplinary tickets, and has had recommendations to be transferred. (ECF Nos. 1944 and 1945). Movant also raises concerns regarding Class Counsels' selection of issues to raise to the Court, the failure to provide treatment plans in the institution (ECF No. 1946), and improper copying charges (ECF No. 1947). The Court has advised Movant on numerous occasions that any individual complaint should go through the IDOC's grievance process or other forum the Movant deems appropriate. To the extent Movant is raising more general concerns regarding treatment of SMI inmates and compliance with the settlement agreement, the Court finds it appropriate to direct Class Counsel to provide a copy of these Motions to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. The Court fully understands Movant has complaints regarding his communications with Class Counsel, nonetheless, the class is represented by Class Counsel. Movant should work with Class Counsel on the issues he raises. The Motions are DENIED. Entered by Judge Michael M. Mihm on 3/29/2018. (MMM4, ilcd) (Entered: 03/29/2018)

Movant Don Collins filed a Motion detailing what has occurred between 9/26/2018 and 10/25/2018 regarding his slow eat permits and disability accommodations at Hill Correctional Center, where Movant is currently housed. Movant has a history of requiring slow eat meal permits and permits for having meals in his cell. Movant has filed multiple Motions with the Court about being denied permits and disability accommodations at Hill Correctional Center. Movant's Motion does not request the Court to grant him specific relief, but Movant requests that Attorney Samantha Reed follow−up with him next week after he has met with medical staff. The Court directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum Movant deems appropriate. Entered by Judge Michael M. Mihm on 10/25/2018. 10/26/2018		TEXT ONLY ORDER denying 2457 Motion. Movant Anthony Thomas filed a Motion complaining that inmate Darren Evans swallowed objects such as screws, a cord, and a spork after a staff member told him to. Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum Movant deems appropriate. Finally, the Court notes that this is the second motion it has received about inmate Darren Evans' self−inflicted harm. From these Motions, it is unclear whether Mr. Evans needs medical attention, and if he does, whether he has received it. Due to the nature of the situation, the Clerk of the Court is DIRECTED to forward Movant's filing to the Warden. Entered by Judge Michael M. Mihm on 10/26/2018. (MNS, ilcd) (Entered: 10/26/2018)

Movant is currently in the custody of the Illinois Department of Corrections and housed at Pontiac Correctional Center. Movant informs the Court that he requested mental health treatment and to be seen by a mental health professional. However, he was told the facility is not doing one−on−one meetings. The Court directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. 10/30/2018	2460	ORDER entered by Judge Michael M. Mihm on 10/30/2018. IT IS ORDERED: Plaintiffs' Motion for Permanent Injunction (ECF No. 2112) is GRANTED. The Court finds that Defendants have been deliberately indifferent to the medical needs of the Plaintiffs in medication management, mental health treatment in segregation, mental health treatment on crisis watch, mental health evaluations, and mental health treatment plans within the meaning of the Eighth Amendment. The Court further finds the Plaintiffs have established by a preponderance of the evidence that a permanent injunction is appropriate and necessary. The Court specifically finds that the Plaintiffs have suffered or will suffer irreparable injury if a permanent injunction is not issued. There are significant deficiencies in the delivery of mental health services within the IDOC. The evidence establishes that there are systemic and gross deficiencies in

		staffing that effectively denied the Plaintiffs access to adequate medical care. The Plaintiffs are at a significant risk of harm. The Court further finds that there are no adequate remedies available at law to compensate for these injuries. Plaintiffs are mentally ill inmates incarcerated within the IDOC, and Defendants are required to provide adequate care. The balance of hardships weighs heavily in favor of the Plaintiffs. While appropriately staffing the IDOC with mental health providers is a significant task, it is one that can, and must, be done. The public interest also weighs heavily in favor of the Plaintiffs. Defendants are hereby given 14 days to submit their proposed action to address the constitutional deficiencies outlined herein. (Minute Entry dated 9/28/2018). Plaintiffs have seven days thereafter to file their response to the Defendants' proposal. Id. Motion for Order on Payment of Deferred Attorneys' Fees (ECF No. 2233) is DENIED without prejudice. SEE FULL WRITTEN ORDER. (JRK, ilcd) (Entered: 10/30/2018)

11/06/2018		TEXT ONLY ORDER re 2461 Letter filed by Patrice Daniels. Mr. Daniels is currently in the custody of the Illinois Department of Corrections and housed at the Joliet Treatment Center. In his Letter, Mr. Daniels informs the Court that he believes the Court's orders have produced results. However, he informs the Court that the culture within the IDOC is such that mental health professionals defer to correctional officers, and as a result, in order for mental health treatment to improve, the officers need to be willing to help implement the changes. The Court declines to take any action based on the Letter at this time. The Court directs Class Counsel to provide a copy of the Letter to the Court Monitor to determine, at his discretion, if any further action on his part is necessary. Mr. Daniels is reminded that any individual complaint should go through the IDOC's grievance process or other forum the inmate deems appropriate. Entered by Judge Michael M. Mihm on 11/6/2018. 11/06/2018		TEXT ONLY ORDER denying 2463 Motion. Movant Gerald Jones filed a Motion complaining that defendants have not taken reasonable steps to stop inmates from assaulting each other and have deliberately selected certain inmates to be put in the open yard together who they believe will fight or attack each other. Movant is currently in the custody of the Illinois Department of Corrections and housed at Pontiac Correctional Center. Movant complains that due to defendants placing certain inmates in the yard together who are likely to fight, class members who are mentally ill have refused to go outside in the open yard because they fear for their safety. Movant complains class members are being deprived of their out−of−cell time and in essence forced to stay in their cells for 24 hours a day. Movant requests that this Court allow him or class counsel to file motions to seek sanctions for violations of the settlement agreement. The Court will review and consider motions that have been filed but reminds Movant that any individual complaint should go through the IDOC's grievance process or other forum Movant deems appropriate. 11/29/2018		TEXT ONLY ORDER denying 2482 Motion. Movant Gerald Jones filed a Motion complaining that the class plaintiffs are being prevented from receiving adequate out−of−cell time because staff members have done little to stop inmates from assaulting and attacking each other in the yard. Movant is currently in the custody of the Illinois Department of Corrections and housed at Pontiac Correctional Center. Movant states that class members are placed in the open yard and other inmates are allowed to attack them. Movant argues numerous class members, mentally ill, and seriously mentally ill inmates now refuse to go outside because they fear they are in imminent danger of serious physical and psychological harm. As a result, these inmates are denied their out−of−cell time and stay in their cell for 24 hours a day. Mr. Jones argues that this worsens mental illness and health. Movant requests that this Court allow motions to be filed by Class Counsel or Gerald Jones (pro se) for a remedy and sanctions for violations of the settlement agreement. The Court will review and consider motions that have been filed but reminds Movant that any individual complaint should go through the IDOC's grievance process or other forum Movant deems appropriate. The Court declines to grant sanctions for the alleged violations of the settlement agreement at this time. The Court directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Finally, the Clerk of the Court is DIRECTED to forward Movant's filing to the Warden, as Movant's motion indicates inmates may be in imminent danger of physical harm. Entered by Judge Michael M. 11/29/2018		TEXT ONLY ORDER denying 2483 Motion. Movant Anthony Rice filed a Motion complaining that Major Prentice, the supervisor of the west cell house, is violating the settlement agreement in this case by denying mentally ill inmates full mental health access and treatment. Movant is currently in the custody of the Illinois Department of Corrections and housed at Pontiac Correctional Center. Movant requests that this Court allow him to intervene; order a court monitor to investigate these issues; order that Major Prentice be removed; and force the IDOC and Pontiac Correctional Center to comply with the terms of the settlement. The Court declines to grant the specific relief requested, but the Court directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum Movant deems appropriate. Entered by Judge Michael M. Mihm on 11/29/2018. 11/29/2018		TEXT ONLY ORDER denying 2484 Motion. Movant Henry Walker filed a Motion complaining that inmates who attend group or movies are required to strip naked to be searched. Movant alleges this is demoralizing and is taking a toll on his mental state. Movant is currently in the custody of the Illinois Department of Corrections and housed at Pontiac Correctional Center. Movant alleges that Major Prentice orders the inmates to strip naked, but that this is unnecessary because they are completely restrained − the inmates' hands and feet are cuffed and they are chained to the bench and floor. Movant asks the Court to intervene. 03/14/2019		TEXT ONLY ORDER denying 2595 Motion. Movant Jabbar Harmon filed a Motion complaining that he is not permitted to have a television, even though his treatment plan states that he shall receive a television as a coping mechanism and stress reliever. Movant is currently in the custody of the Illinois Department of Corrections and housed at Pontiac Correctional Center. Movant requests that this Court order Warden Kennedy to follow his treatment plan. The Court declines to grant the relief requested, but directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. Movant is further advised that any individual complaint should go through the IDOC's grievance process or other forum Movant deems appropriate. Entered by Judge Michael M. Mihm on 3/14/2019. 03/15/2019		TEXT ONLY ORDER: The Court received four letters 2597 , 2598 , 2599 , 2601 from inmate Samuel Span. Mr. Span is currently in the custody of the Illinois Department of Corrections and housed at Pontiac Correctional Center. Letter 2597 was addressed Warden Teri Kennedy, letter 2598 was addressed to Chief of Operations Sandra Funk, and letter 2601 was addressed to Dr. Melvin Hinton. Letter 2599 was addressed to Judge Michael Mihm. In his letters, Mr. Span states that he is not receiving the full amount of out−of−cell time or a proper treatment plan. He states that "without proper treatment and this continued isolation will force me to react in a manner that may be harmful to myself and others." The Court declines to take any action based on Mr. Span's letters at this time. The Court directs Class Counsel to provide a copy of the Letter to the Court Monitor to determine, at his discretion, if any further action on his part is necessary. Mr. Span is advised that any individual complaint should go through the IDOC's grievance process or other forum the inmate deems appropriate. Finally, Mr. Span's offensive language and what might be deemed as threats to IDOC staff will not be tolerated by this Court. Entered by Judge Michael M. Mihm on 3/15/2019. 03/15/2019		TEXT ONLY ORDER: Movant Marcus Mannie filed a Notice 2600 complaining that he has been at Dixon Correctional Center for more than 30 days and does not have a mental health treatment plan. Movant is currently in the custody of the Illinois

		Department of Corrections and housed at Dixon Correctional Center. Although the Court declines to grant the relief requested, the Court directs Class Counsel to provide a copy of this Motion to the Court Monitor to determine, in his discretion, if any further action on his part is necessary. 03/15/2019		TEXT ONLY ORDER denying 2602 Sealed Motion. Movant Don Collins filed a letter and requested that it be sealed "due to the avoidance and conflict with admin. staff." Movant is currently in the custody of the Illinois Department of Corrections and housed at the Joliet Treatment Center. The Court deems Movant's letter as a Motion to Seal. Under Local Rule 5.10(A)(2), "[t]he Court does not approve of the filing of documents under seal as a general matter." If a party files a motion for leave to file under seal "[t]he motion must include an explanation of how the document meets the legal standards for filing sealed documents." Under Rule 5.11(A), the Court may grant a motion to file under seal if the document contains information that might bring harm to anyone or should not be made public for law enforcement or security reasons. Movant fails to demonstrate that 2602 meets those standards. Therefore, the Motion to Seal is DENIED, and the Clerk is DIRECTED to unseal 2602 . Entered by Judge Michael M. Mihm on 3/15/2019. 03/28/2019	2616	ORDER entered by Judge Michael M. Mihm on 3/28/2019. The Defendants' remaining arguments are mitigated by Plaintiffs' commitment to hold the funds in trust until the resolution of the appeal. Defendants have not made any offer to post the bond which would allow this matter to be stayed pending determination on appeal. Moreover, there is some merit to Plaintiffs' argument that the State has delayed payments in various matters. Having fully considered this matter, the Court finds that a stay is not warranted. Defendants' Motion for Stay of § 1988 Award Pending Appeal pursuant to Rule 62(c) of the Federal Rules of Civil Procedure (ECF No. 2591) is DENIED. See full written Order.
