03/05/2013	123	PAPERLESS ORDER granting <u>122</u> Plaintiffs' request for Clarification of Order Regarding Communications. Previously, the Court issued an Order [D.E. 111] stating that "[a]ny communication between the parties and the putative class members relating in any way to (a) the merits, status, or effect of the class action, or (b) a class member's participation in the action must be in writing and copied to other parties at least 24 hours before it is made." The Court clarifies that Plaintiff's understanding of the intent of the Order is correct. The instruction applies to any mass solicitation or mass mailings to putative class members; it does not apply to routine and ordinary communications with putative class members, communications with the press, or communications with any third party. The instruction applies to both Plaintiffs and Defendants. Signed by Judge Robin S. Rosenbaum on 3/5/2013. (kms) (Entered: 03/05/2013)
