07/16/2009	1261	MINUTE entry before the Honorable Wayne R. Andersen:Any person wishing to file a response to the motion filed by Dana Kurtz 1249 may do so by Friday, July 24, 2009 and any person wishing to file a reply to any response may do so by Friday, July 31, 2009. The Court wishes to advise everyone that Inspector General Hoffman inquired of the Court before he filed his report as to whether he should publicly file his report. 		General's investigation into statements made in their reports, the Court directed him to file publicly and to to do so after first consulting with the attorneys of record for the City of Chicago. Mailed notice (tsa,) (Entered: 07/16/2009)

11/04/2009	1400	MINUTE entry before the Honorable Wayne R. Andersen:Motion for relief and amended verified response to claim administrator of claimant Rickey Coleman is denied. The factual disputes cited in the motion did not factor into the Courts decision to award Mr. Coleman \$25,000. After reviewing the motion, the Court still finds that \$25,000 is a reasonable and appropriate award for Mr. Coleman. The Court also reiterates that it does not have authority to grant Mr. Coleman any non-monetary relief and that by declining to opt-out of this case, Mr. Coleman may have waived remedies that would have been available to him in an individual federal lawsuit. To pursue a claim related to events that occurred after February 2, 2007, Mr. Coleman must file a claim with the Complaint Administrator, Mark Vogel. Claim forms can be found on the Cook County Shakman Compliance Administrators website at countyshakman.com. Completed claim forms should be mailed to the Complaint Administrator at 69 W. Washington, Suite 1416, Chicago, Illinois, 60602. Mailed notice (tsa,) (Entered: 11/05/2009)

07/08/2010	1713	MINUTE entry before Honorable Wayne R. Andersen:Motion for relief and amended verified response to claim administrator of claimant Rickey Coleman is denied. The factual disputes cited in the motion did not factor into the Courts decision to award Mr. Coleman \$25,000. After reviewing the motion, the Court still finds that \$25,000 is a reasonable and appropriate award for Mr. Coleman. The Court also reiterates that it does not have authority to grant Mr. Coleman any non-monetary relief and that by declining to opt-out of this case, Mr. Coleman may have waived remedies that would have been available to him in an individual federal lawsuit. To pursue a claim related to events that occurred after February 2, 2007, Mr. Coleman must file a claim with the Complaint Administrator, Mark Vogel. Claim forms can be found on the Cook County Shakman Compliance Administrators website at countyshakman.com. Completed claim forms should be mailed to the Complaint Administrator at 69 W. Washington, Suite 1416, Chicago, Illinois, 60602.Mailed notice (tsa,) (Entered: 07/08/2010)

04/14/2011	2177	Quarterly Report by Inspector General, City of Chicago <i>Regarding Accord Complaints</i> (Choi, Soo) (Entered: 04/14/2011)
04/15/2011	2178	MINUTE entry before Honorable Sidney I. Schenkier: On 3/07/11, the Monitor filed a motion for entry of an order 2104 . On 3/28/11, the City filed its response 2143 , which included a revised version of the order proposed by the Monitor. On 4/08/11, the Monitor 2161 and the plaintiffs 2160 filed replies in support of the Monitor's motion for entry of an order. The plaintiffs' reply contained yet a third version of the proposed order, which the Monitor has endorsed in lieu of the one she originally proposed. Now before the Court is a motion filed by the City on 4/14/11, which seeks leave to file a reply to address what the City labels as new issues raised by Monitor and Plaintiff 2175 . In that motion, the City asks for leave to file that reply by 5/13/11. The Court is not persuaded that -- apart from the new form of order proposed -- the submissions of the Monitor or the plaintiffs raise new issues that were not addressed in the City's submission. Moreover, the Court finds no good reason why it would take the City five weeks from the date the Monitor and the plaintiffs filed their papers to prepare and file a reply. In light of these considerations, the Court will grant the City's motion to file a short reply; no appearance on the motion for leave to file is required. The City's reply shall not exceed seven pages (double spaced) and shall be filed by 4/22/11. No extensions will be granted. Mailed notice. (jj,) (Entered: 04/15/2011)

12/28/2011	2589	CERTIFIED ORDER from the USCA for the 7th Circuit dated 9/20/11 in USCA case no. 11-1546. The following are before the court: 1. Brief and required short appendix of Plaintiff-Appellant, Victor M. Crown, filed on 7/27/11, by the pro se appellant. 2. Motion requesting settlement of judgment enforcing agency [IRS} Order, filed 9/13/11, by the pro se appellant. This court has carefully reviewed the orders of the district court being appealed, the record on appeal, and appellant's opening brief. Based on this review, the court has determined that any issues which could be raised are insubstantial and that further briefing would not be helpful to the court's consideration of the issues. See Taylor v. City of New Albany, 979 F.2d 87 (7th Cir. 1992); Mather v. Village of Mundelein, 869 F.2d 356, 357 (7th Cir. 1989) (per curiam) (court can decide case on motions papers and record where briefing would be a waste of time and no member of the panel desires briefing or argument). In his brief, appellant Victor Crown says that he is appealing the 3/22/11, order entered in Shakman v. City of Chicago, 69-cv-2145, and the 3/28/11, order entered in Barnett v. Board of Election Commissioners, 92-cv-1683. But Crown's notice of appeal was filed on 3/8/11, and so the notice of appeal is premature as to these two orders. Accordingly, IT IS ORDERED that to the extent Crown is appealing those two orders, the appeal is DISMISSED. In his notice of appeal, Crown says that he is appealing the Executive Committee of the Norther District of Illinois' order dated 2/7/11, case no. 07 C 2533. The Executive Committee did not abuse its discretion when it required Crown to see permission before filing papers in the Northern District of Illinois or when it denied Crown leave to file specific papers in its February order. Accordingly, IT IS FURTHER ORDERED that the 2/7/11, order entered by the Executive Committee is summarily AFFIRMED. IT IS FINALLY ORDERED that #2 is DENIED. (smm) (Entered: 12/28/2011)

12/28/2011	2590	CERTIFIED ORDER from the USCA for the 7th Circuit dated 10/6/11 in USCA case no. 11-1546. The following are before the court: 1. Motion entering judgment and mandate under FRAP 16 and FRAP 41, filed on 9/20/11, by the pro se appellant. 2. Revised disclosure statement under FED R. APP 26.1, Circuit Rule 26.1 FRAP 28 - Citation of supplemental authority, filed on 9/22/11, by the pro se appellant. 3. Motion request procedural order under FRCP 26[b]; FRCP 27(b) - Local Rules 66.1 and 69.1 [Administrators of Estates],, filed on 9/22/11, by the pro se appellant. On 9/20/11, this court dismissed appellant Victor Crown's claims relating to orders that were entered after he filed his notice of appeal and summarily affirmed his challenged to the Northern District of Illinois' order dated 2/7/11. IT IS ORDERED that Crown's motions in which he asks for relief from the Internal Revenue Service {#1 and #3) are DENIED. To the extent that Crown wants to challenge the court's resolution of his appeal, he may file a petition for rehearing on or before 12/20/11.(smm) (Entered: 12/28/2011)

Motion to reconsider under FRAP 27[b]; Request for affirmative relief - Rule 27(a)(3)(A) and (a)(4); Circuit Rule 40(e); Circuit Rule 53(c) - Response to motion, construed as appellant's petition for rehearing, filed on 10/25/11, by the pro se appellant. 2. Motion requesting procedural order under FRAP 26[b]; Request for affirmative relief; Procedural order under FRAP 24(b) Social Security Act [IRS Publication 857], filed on 12/6/11, by the pro se appellant. To the extent that Victor Crown is attempting to appeal the Northern District of Illinois Executive Committee's most recent order, we summarily affirm. Any additional request for relief by Crown are DENIED. it is unnecessary to rule on the motions filed by Crown. In his last appeal to this court, Crown filed multiple motions raising similar issues to those raised in his current filings, all of which were denied. Crown seems to be following a similar pattern in this appeal. Accordingly, Crown is ORDERED to show cause, by 4/26/12, why he should not be sanctioned for filing a frivolous appeal and motions. 03/06/2020	6769	AMENDED GENERAL ORDER 20-0001: On January 15, 2020, General Order 20-001 was entered directing that a number of actions take place in case number 69 CV 2145, Shakman, et al v. Cook Co Democratic, et al. The order allowed 21 days from the date of the order for parties to file objections. Two objections were filed (docket #6698 and #6768). The Executive Committee has reviewed these objections and therefore orders the following: 1. Objection #6768 is denied as moot, as the filer is not a party to the case. Objection #6698 was filed by a party to the case and has not been withdrawn. Pursuant to that objection, the case will be reassigned. 2. The Clerk of Court is

		directed to immediately use the random case assignment wheel and draw the name of a district judge to be assigned to case number 69 CV 2145 at the end of Magistrate Judge Schenkier's term of office. 3. The Clerk of Court is directed to immediately use a random case assignment system of available magistrate judges as identified in General Order 20-0001 to be designated as the magistrate judge in case number 69 CV 2145 at the end of Magistrate Judge Schenkier's term of office. 4. The Clerk of Court is directed to immediately make a docket entry and identify the district and magistrate judges who will be assigned case number 69 CV 2145 and notify those judicial officers at that time. 5. The Clerk of Court is directed to reassign case number 69 CV 2145 on May 1, 2020 to the newly assigned district judge and designated magistrate judge. Signed by the Honorable Rebecca R. Pallmeyer on 3/6/2020. Mailed notice (td,) (Entered: 03/06/2020)
03/06/2020		PURSUANT to Amended General Order 20-0001, 69cv2145 will be assigned to U.S. District Judge Edmond E. Chang and U.S. Magistrate Judge Gabriel A. Fuentes is the designated Magistrate Judge, effective May 1, 2020. (td,) (Entered: 03/06/2020)
03/08/2020	6770	MINUTE entry before the Honorable Edmond E. Chang: Pursuant to the order of 03/06/2020, Judge Chang has been assigned as the district judge for this case effective as of 05/01/2020. In an abundance of caution, Judge Chang posts this docket entry for the parties' consideration. When Judge Chang was the chief of appeals in the U.S. Attorney's Office in Chicago, he provided legal advice, in 2006, to the prosecution team in connection with the trial in United States v. Sorich et al., Case No. 05 CR 644, aff'd, 523 F.3d 702 (7th Cir. 2008). The case involved alleged violations of the Shakman decree by City of Chicago employees. On appeal, Judge Chang (again in the capacity of chief of appeals) was on the appellate brief after the trial conviction. Because the City of Chicago has been dismissed from this case, R. 3861 (06/16/2014), it does not appear that this prior representation poses a basis for recusal. But if any party believes that this is a basis for a motion to recuse, then a motion for recusal shall be filed by 03/23/2020, so that any issue can be promptly resolved. Emailed notice (Chang, Edmond) (Entered: 03/08/2020)
03/10/2020	6771	MINUTE entry before the Honorable Sidney I. The parties stipulate that they will designate portions of the Igasaki deposition to offer into evidence in lieu of his in-court testimony. The parties will submit their Rule 30(b)(6) designations to the Court by 03/16/20. Closing

05/01/2020		CASE REASSIGNED to the Honorable Edmond E. Chang. Designated as Magistrate Judge the Honorable Gabriel A. Fuentes pursuant to Amended General Order 20-0001. (td,) (Entered: 05/01/2020)
05/04/2020	6864	MINUTE entry before the Honorable Edmond E. Chang: In light of Third Amended General Order 20-0012, but balanced against the public interest to move forward where possible, the Court sets the following scheduling order. Any of the parties and monitors may move for a scheduling adjustment (and if agreed, may jointly email the courtroom deputy in lieu of a motion at Michael_Wing@ilnd.uscourts.gov). 1. Assessor's Office. Given the relatively recent filing of Report 15 of the Assessor Compliance Administrator, R. 6837 (04/21/2020), and the next status report deadline (08/17/2020), the next status hearing is set for 08/20/2020 at 8:30 a.m. In the meantime, the Court hopes that progress will be made on the action items in Report 15. 2. Clerk of the Circuit Court. The next in-camera, off-record status hearing is set for 07/30/2020 at 9:15 a.m. The Court asks the parties and the Compliance Administrator to email to the courtroom deputy a joint agenda of discussion items by 07/27/2020; if there are helpful filings and pertinent pages that the Court should read in advance, please cite them in the joint agenda. 3. County Clerk. Under Third Amended General Order 20-0012, the initial report deadlines are reset: the Special Master shall serve on the parties a draft of her initial report by 08/31/2020. The parties shall provide any comments on the draft report by 09/08/2020. The Special Master shall file her initial report by 09/15/2020. The time period of the appointment, R. 6829 at 44, remains through 08/31/2021, as does the 06/30/2021 deadline to advise whether the appointment should be extended. Rather than wait until after the initial report, the Court sets an in-court status hearing for 07/30/2020 at 10:00 a.m., to check on progress and any other issues the parties or the Special Master wishes to raise. If the parties and the Special Master think it useful, they may email to the courtroom deputy a joint agenda of discussion items by 07/27/2020; if there are helpful filings and pertinent pages that the Court should read in advance, please cite them in the joint agenda. 4. Recorder. In light of the relatively recent filing of Report 22 of the

		Recorder Compliance Administrator, R. 6852 (04/27/2020), the Court sets an in-court status hearing for 07/30/2020 at 10:00 a.m., to coincide with the status hearing on the County Clerk. If the parties and the Recorder Compliance Administrator think it useful, they may email to the courtroom deputy a joint agenda of discussion items by 07/27/2020; if there are helpful filings and pertinent pages that the Court should read in advance, please cite them in the joint agenda. 5. State of Illinois. Given the State's legal team's involvement in the pandemic response, the Court aspirationally resets the State's response deadline to Plaintiffs' motion to clarify or expand 6789 to 07/13/2020. That is the same deadline for any filing on the motion by HEM. Plaintiffs' reply is due by 07/27/2020. The next in-camera, off-record status hearing is set for 07/30/2020 at 8:30 a.m. The Court asks the parties to email to the courtroom deputy a joint agenda of discussion items by 07/27/2020; if there are helpful filings and pertinent pages that the Court should read in advance, please cite them in the joint agenda. 08/20/2020	7043	MINUTE entry before the Honorable Edmond E. Chang: Telephonic, on-record status hearing held with the Plaintiffs, Compliance

	Administrator, and representatives of the Assessor's Office. Overall, the Court emphasized the need to maintain robust lines of communication, with the designated Shakman liaison having the overarching responsibility to "ensure" that the Compliance Administrator and the Director of Compliance "receive cooperation from all Assessor employees." R. 3007, Section I(E). (1.) On the Employment Plan revisions, conferrals are ongoing and the revised Employment Plan will be filed with the Court by 08/31/2020. (2.) On the Performance Evaluation Policy and its implementation, conferral shall take place by 08/28/2020. If the parties are unable to agree, then the Plaintiffs shall file a motion for appropriate relief by 09/08/2020. So far, 24 evaluations were completed (out of around 200 non-exempt employees), with the goal of training managers on the evaluations in 09/2020 and completing around 140 evaluations in the next couple of months. (3.) On the Employee Handbook, the Assessor's additional revisions will be provided by 09/11/2020, and the parties and Compliance Administrator will confer by 09/25/2020. If agreement is not reached, then the Plaintiffs shall file a motion for appropriate relief by 10/02/2020. The goal is for the annual Employee Handbook training to be accomplished in the next few months. (4.) On hiring, the sequences generally have been accomplished smoothly, with 58 positions filled since 12/2018. (5.) On enforcement of the Time and Attendance Policy, the Court urges fuller communication. If the Assessor wishes to file any motion concerning how an HR director, even as a licensed attorney, who is fulfilling HR functions can assert attorney-client privilege in that capacity, the Assessor's Office is welcome to make that filing for consideration. (6.) On the Director of Compliance reports, the goal for the Assessor to respond to the 02/20/2020 sick-time audit is around 09/14/2020. The response deadline on the 08/14/2020 performance-evaluation report and recommendation is due by 09/15/2020. The Compliance Administrator (when serving as Interim DOC) will be advancing the pending investigation as discussed during the hearing. (7.) The IG reported no Shakman-related concerns at this time. (8.) The Assessor is given leave to file a written summary report by 09/04/2020. The next status hearing is set for 10/13/2020 at 9:30 a.m. via phone. (All hearings will be on the record unless otherwise ordered.) The pre-hearing agenda shall be emailed to the Court by 10/07/2020; the agenda must list the names and titles of the expected participants. The call-in number is (877) 336-1831 and the access code is 1736479. Counsel of record will receive an email before the start of the telephonic hearing with instructions to join the call. Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Chang: On the request of the Recorder Compliance Administrator, a status hearing is set for 08/31/2020 at 10:30 a.m. to discuss document review and production by the Recorder. Although not directly impacting the County Clerk, the Court asks that counsel for the County Clerk also attend the hearing. Each party shall email to the courtroom deputy a list of who is expected to attend the hearing. The status hearing will be held by phone. Members of the public and media will be able to call-in to listen to this hearing. The call-in number is (877) 336-1831 and the access code is 1736479. 08/27/2020	7050	ORDER FOR PAYMENT OF COUNTY CLERK COMPLIANCE ADMINISTRATOR'S INVOICE #3 Signed by the Honorable Edmond E. Chang on 08/27/2020. Emailed notice (mw,) (Entered: 08/27/2020)
08/27/2020	7051	MINUTE entry before the Honorable Edmond E. Chang: At the request of the County Clerk Compliance Administrator, the Court adds the following topics to the status hearing on 08/31/2020: (1) notice to the Administrator concerning employment actions taken by the Clerk; (2) the Clerk's position on whether any contact between the Administrator and Clerk employees must be through legal counsel; and (3) the Clerk's position on whether the Administrator must provide the Clerk with the sources of information received by the Administrator. The Court has asked the Administrator to forward to the Court a copy of the memorandum of 08/21/2020 from Chief Legal Counsel to Clerk employees concerning the appointment of the Administrator. Separately but relatedly, the parties shall finish conferral on the confidentiality order referred to in the appointment order, R. 6829 at 43, and submit an agreed order to the Court for entry. Emailed notice (Chang, Edmond) (Entered: 08/27/2020)
08/28/2020	7052	AGREED PROTECTIVE ORDER Signed by the Honorable Edmond E. Chang on 08/28/2020: Regarding County Clerk. Emailed notice (mw,) (Entered: 08/28/2020)
08/28/2020	7053	MOTION by Unknown Cook County Clerk for recusal of <i>Cook County Clerk Compliance Administrator</i> (Attachments: # 1 Exhibit A, # 2 Exhibit B, # 3 Exhibit C, # 4 Exhibit D, # 5 Exhibit E, # 6 Exhibit F, # 7 Exhibit G, # 8 Exhibit H, # 9 Exhibit I)(Vaught, Adam) (Entered: 08/28/2020)
08/28/2020	7054	MINUTE entry before the Honorable Edmond E. Chang: The County Clerk has filed a motion 7053 to recuse the Compliance Administrator. On a preliminary review of the motion, the arguments appear to be weak, with some bordering on frivolous. So the Compliance Administrator shall continue to carry out the appointment

		order during the briefing on the motion and during its pendency. The status hearing of 08/31/2020 remains in place. The Compliance Administrator's response to the recusal motion is due by 09/11/2020. Because the motion refers to the Plaintiffs too, the Plaintiffs may file a Position Paper on the motion by 09/11/2020 as well. The Court Clerk's reply is due by 09/18/2020. Emailed notice (Chang, Edmond) (Entered: 08/28/2020)
08/31/2020	7055	MINUTE entry before the Honorable Edmond E. Chang: Telephonic status hearing held with representatives for the Plaintiffs, Recorder, County Clerk, and the Compliance Administrator. (1.) On the Recorder's document production related to the transfer of duties to the County Clerk, the parties and the Compliance Administrator shall promptly continue to confer on narrowing the priority of the production, with the goal of reporting enough progress by the 09/10/2020 status report so that a first substantial tranche of production will occur no later than 09/17/2020. This is unfortunate time compression, but the Court clarified the required production on 07/02/2020 and almost two months later there has been no production. (2.A.) The Court made clear that the Compliance Administrator's duties, as a part of Duty No. 2, R. 6829, Appointment Order at 41, is to real-time monitor application of the personnel policy, of course without disrupting the Office. (2.B.) There is no blanket requirement that every contact with a Clerk employee be arranged through the Clerk's legal counsel. Generally, requests for information will go through counsel (or whomever the Clerk wishes to designate), but at times, notification will be inappropriate for (1) employee reports of compliance concerns and the ensuing inquiry; and (2) if prior attempts at information gathering have not been successful (for this latter category, the Compliance Administrator will still notify counsel of the proposed communication). Unfortunately, the 08/21/2020 memorandum sets forth a rigid requirement that would thwart even the first category, and now a clarifying memorandum is needed. This could have been avoided by conferral with the Compliance Administrator. The conferral on the clarifying memorandum shall finish by 09/11/2020, and if there remains a dispute over it, then the parties and the Compliance Administrator shall file a motion for relief with the Court. (2.C.) There is no blanket requirement that the Compliance Administrator must provide the Clerk with the identity of sources of information. Nothing in the record would support the notion that the Compliance Administrator willy-nilly wasted the time and resources of the Recorder's Office in chasing down rumors, nor has done so with the Clerk. The status hearing set for 09/10/2020 as to the Recorder and County Clerk remains in place. Emailed notice (mw,) (Entered: 09/01/2020)

09/10/2020	7071	MINUTE entry before the Honorable Edmond E. Chang: As discussed during the 07/30/2020 Illinois status hearing, the Illinois OEIG provided HEM Advisory materials for in camera review, comprising 67 HEM Advisories and the complete underlying HEM files for four IDOT hiring reviews. On review of those materials, the Court sets forth these preliminary views: the sampling of underlying HEM files are substantial in their breadth and volume, and it seems likely that many of the other underlying files would be too. So, rather than order across-the-board production of the 63 underlying non-IDOT files at this time, the better way to proceed is for the Special Master to identify specific Advisories that reflect specific reasons to investigate further. The specific reason could arise from the circumstances described in the Advisory itself; the past employment-decision history of a particular agency, department, or division; or any other appropriate reason. This specificity will enhance the interest in disclosure, which would be relevant (if it comes to it) in deciding whether a state-law confidentiality provision (if any is held to apply) must yield to a federal subpoena or is otherwise overcome by the Supremacy Clause. If after conferral the OEIG maintains the position that it will not produce the underlying files, then the parties can brief the issue on the record (with appropriate sealing for confidential information if good cause justifies it). That is the other obstacle to ordering across-the-board production right now: the matter was discussed off the record and without sufficient substantive briefing. Rather than set any deadlines on this issue, the Court leaves it to the Special Master to proceed at an appropriate pace, given the Special Master's other duties. Emailed notice (Chang, Edmond) (Entered: 09/10/2020)
09/10/2020	7074	MINUTE entry before the Honorable Edmond E. Chang: On-record status hearing held with the Plaintiffs, the County Clerk, the Recorder

The Clerk disclosed a version of the employee list on 09/09/2020, and will supplement as appropriate; the organizational chart is also being drafted. (2.C.) The memorandum to clarify the 08/21/2020 memorandum was generated and disseminated promptly, on 09/02/2020. The Court appreciates the collaboration on that clarifying step. (2.D.) The Clerk anticipates disclosing all job descriptions, including for Recorder-assumption positions, by 09/18/2020. The Clerk does not anticipate short-term changes to the existing Clerk job descriptions; as the Recorder-assumption takes hold, future revisions might be warranted. (2.E.) On the Exempt List, the Clerk produced records yesterday (09/09/2020), so the Administrator will be reviewing and conferring on the production. The goal is to report substantial progress on this responsibility. The parties will continue to work promptly together in order to propose approval of time-urgent positions. (2.F.) On temporary election workers, the parties will be conferring, along with the Administrator, on what verbal direction has been given to hiring decision-makers. (2.G.) On other hiring, the Clerk's HR Director reported on the need for some overhaul and gap-filling in the policy manual. Status hearing set for 10/15/2020 at 9:00 a.m. for both the County Clerk and the Recorder. Members of the public and media will be able to call-in to listen to this hearing. The call-in number is (877) 336-1831 and the access code is 1736479. The parties shall email an agenda three business days in advance of the status hearing, and the agenda shall list the names and titles of the expected participants. 09/14/2020	7082	RESPONSE by Special Master Noelle C Brennan to motion to vacate 6941 and Updated Report (Attachments: # 1 Exhibit A, # 2 Exhibit B, # 3 Exhibit c, # 4 Exhibit D, # 5 Exhibit E, # 6 Exhibit F, # 7 Exhibit G, # 8 Exhibit H, # 9 Exhibit I, # 10 Exhibit J, # 11 Exhibit K, # 12 Exhibit L, # 13 Exhibit M, # 14 Exhibit N, # 15 Exhibit O, # 16 Exhibit P)(Brennan, Noelle) (Entered: 09/14/2020)
09/14/2020	7084	MINUTE entry before the Honorable Edmond E. Chang: On-record status hearing held with the Plaintiffs, State of Illinois, Office of the Executive Inspector General, and the Special Master. (1.) There are no current IDOT John Doe proceedings, but the parties, IDOT, and the Special Master will be discussing a potential modification of the procedure to insert time limits for more prompt action. (2.) On the conversion of IDOT "technical" jobs to those covered by the Personnel Code (and thus CMS), a first set is ready for approval by the Civil Service Commission next month, but in light of the time lag in implementing the conversion, IDOT and CMS memorialized an agreement on 08/11/2020 for CMS to start oversight immediately. Illinois shall provide a copy of the 08/11/2020 agreement to the Plaintiffs (the Special Master has a copy). The parties and the Special Master shall confer to confirm the scope of the agreement. (3.) On the IDOT technical jobs that remain technical, the parties and the Special Master shall confer on whether some form of CMS oversight ought to be implemented, and before the next status hearing, either file the issue will be presented via a motion or a concrete written proposal. It would be relevant to know whether any of the employment-action concerns arose out of the genuinely technical job positions. (4.) On minimum required qualifications, training on the MRQs begins on 09/18/2020, with the Special Master's participation. (5.) On so-called temporary assignments, the parties shall confer and propose a plan for handling current temporary assignments and their impact on future employment actions. (6.) The Comprehensive Employment Plan training will start on 09/22/2020 and continue through mid-11/2020. Illinois shall continue to provide the Special Master with training

		materials so that she may comment on them before the sessions. (7.) On the electronic hiring system, additional agencies have been added to the system, but engagement with the Union (which covers the vast majority of employees) is ongoing. Sustained and prompt engagement is important in accomplishing this goal. (8.) On Personal Service Contracts, this employment mechanism is a topic in the CEP training. The tone and content of the training must promote close attention to adhering to the policy by supervisors. (9.) The Court encouraged the parties and the Special Master to adhere to the past level of communication during the pendency of the motions to terminate and to clarify. (10.) The Court held an under-seal, but on-the-record session to discuss the concerns of the OEIG on confidentiality. The Special Master shall serve the OEIG with the unredacted version of the combined response and status, and the OEIG shall confer with the Special Master, by 09/18/2020, about any request to maintain the redactions. By 09/22/2020, the OEIG shall file a position paper on whether redactions should remain in place; the position paper may be filed under seal if necessary. The Special Master's response is due by 09/29/2020 and the OEIG's reply is due by 10/05/2020. In the meantime, the parties will receive the redacted version so that the Plaintiffs can refer to the filing as needed in the upcoming response to the motion to terminate. If warranted, a later supplement can be filed limited to the redacted information. Telephone status hearing set for 11/10/2020 at 9:15 a.m. The parties and the Special Master shall email an agenda three business days in advance, including the list of participants and their titles. Members of the public and media will be able to call-in to listen to this hearing. The call-in number is (877) 336-1831 and the access code is 1736479. Counsel of record will receive an email before the start of the telephonic hearing with instructions to join the call. Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the Court. 09/15/2020	7085	STATUS Report <i>Initial Report of the Compliance Administrator for the Clerk of Cook County</i> by Cardelle Spangler (Pryor, Matthew) (Entered: 09/15/2020)
09/16/2020	7091	MINUTE entry before the Honorable Edmond E. Chang: On-record status hearing held with the Plaintiffs, representatives of the Clerk of the Circuit Court, and the Compliance Administrator and her counsel. (1.) On the Full New Employment Plan, which is the highest priority step to accomplish by 11/30/2020, the Court Clerk provided a revised draft on 09/11/2020, and the parties shall confer by 09/25/2020. The Court expressed its views on the need for promotions, transfers, and other employment decisions to be covered by the Plan, of course within the framework of the CBA. See Am. Supp. Relief Order, Section II(C). By 10/02/2020, Plaintiffs and the Compliance Administrator shall provide proposed revisions back to the Court Clerk. By 10/16/2020, the Court Clerk shall respond with comments and revisions. The final conferral shall take place by 10/23/2020. Under the Impasse Resolution provision, see id. at Section II(F), the Compliance Administrator shall present any impasse to the Court by 11/06/2020. The Plaintiffs and the Court Clerk shall respond by 11/13/2020. The Compliance Administrator's reply is due by 11/20/2020. The Court shall issue a decision before 11/30/2020. (2.) On the Exempt List, two positions that were added conditionally to the most recent amended list will be desk audited. The Court learned about and discussed PID numbers, and concluded that the Court Clerk shall list the PID numbers on the Exempt List. If more flexibility is needed, then of course the Court Clerk may raise the issue with the Plaintiffs and the Compliance Administrator, and ultimately to the Court. The addition of the PID number shall be accomplished by 10/16/2020. (3.) Exempt and non-exempt hiring sequences were discussed; the parties agree that the Deputy General Counsel offeree meets minimal qualification requirements. The Director of Compliance should be consulted as well on these matters. (4.) On the Telecommuting Policy, the text has been finalized but implementation is now the key issue. The Court Clerk will provide comments on the proposed implementing forms by 09/21/2020. Conferral on the comments shall take place by 10/02/2020. The goal is to have training on the Policy no later than mid-11/2020, and to fully implement the Policy by 11/30/2020. In the meantime, the County Clerk reports that the subject is being negotiated with the Union as well; the Compliance Administrator should be kept apprised so that the result of the bargaining does not undermine the requirements of the consent decree and the relief orders. (5.) On the BOT conversion of the Time and Attendance system, the Court Clerk is re-engaging with BOT to advance the conversion. The Compliance Administrator will be invited to take part in the meetings in an effort to promote progress.

		The goal is that, by the next status hearing, the additional re-engagement meeting will have taken place or at the very least be scheduled. (6.) Document production is overall satisfactory and responsive. (7.) The Special Master, all parties, and the Court commended Ms. Gloria Legette for her prodigious work ethic and her exceptional devotion to these wide-ranging issues. Telephonic status hearing set for 11/19/2020 at 9:00 a.m. Members of the public and media will be able to call-in to listen to this hearing. The call-in number is (877) 336-1831 and the access code is 1736479. Counsel of record will receive an email before the start of the telephonic hearing with instructions to join the call. Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. 09/18/2020	7089	MINUTE entry before the Honorable Edmond E. Chang: With regard to the Special Master's response to Illinois's motion to terminate, after OEIG redaction review, the parties have separately received a less-redacted version of the public filing, but one redaction remains in the version that the parties have received. The Court has authorized the redaction to remain in place because it relates to an ongoing investigation and knowledge of the particular details is not necessary for the parties to adequately respond to the point advanced by the Special Master. When deliberating over the underlying motion, the Court will consider again whether disclosure to the parties is required, though that is unlikely. The briefing schedule on potential redactions is vacated. Emailed notice (mw,) (Entered: 09/18/2020)

The Plaintiffs and Compliance Administrator will provide comments on 10/16/2020. The Office will respond by 10/20/2020. Any final conferral will take place by 10/22/2020. (3.) The hiring sequences for Exempt, Actively Recruited, and Non-Exempt are proceeding as well as practicable, with the Director of Compliance providing important feedback on interviews and follow-up questions. (4.) The Compliance Administrator continues to provide feedback on Shakman-policy implementation and the Office is more responsive in exchanges of communication. (5.) The Office reported that, as of 08/2020 forward, it has been enforcing the Time and Attendance Policy through the

		regular disciplinary process. The Director of Compliance issued a written reminder, as did others. The Telecommuting Policy is now in effect and being followed. (6.) On the back to work plan, additional details were provided to the Compliance Administrator and the Director of Compliance, and is nearing the completion of what is practicable in terms of providing information. If a future similar situation arises (though hopefully never), then the Office will keep the lines of communication more open. (7.) The Compliance Administrator will be advancing the Executive Assistant follow-up investigation before the next status hearing. (8.) Overall, the Director of Compliance reported an improvement in communication and receptiveness, with some remaining exceptions, but senior leadership has been very helpful in setting the tone. The Director of Compliance also explained the ongoing communication on the sick-time audit, which did uncover areas of potential HR-related concerns. But it appears that partisan decision-making is not at issue, at least based on the current facts. The Court thanks the Director for undertaking this examination. (9.) The response to the Director of Compliance report on the performance evaluation was extended to 10/15/2020. (10.) The OIG reported that there is one inquiry pending, encompassing a handful of employment actions. The OIG should know in around 30-45 days whether there is a concern over political discrimination. (11.) The Court appreciates the Assessor status report, R. 7061, which sets forth the history that was inherited by the current Assessor and the significant reasons for optimism. The next status hearing is set for 12/17/2020 at 9:15 a.m. via phone. The pre-hearing agenda shall be emailed to the courtroom deputy, michael_wing@ilnd.uscourts.gov, by 12/10/2020; the agenda must list the names and titles of the expected participants. The call-in number is (877) 336-1831 and the access code is 1736479. Counsel of record will receive an email before the start of the telephonic hearing with instructions to join the call. Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the Court. Emailed notice (mw,) (Entered: 10/14/2020)
10/15/2020	7127	MINUTE entry before the Honorable Edmond E. Chang: With regard to the County Clerk's Office, specifically on the Plaintiffs' amended petition 7025 for fees and costs, the tracking status hearing for this petition is reset from 10/16/2020 to 10/30/2020 at 8:30 a.m., but to track the case only (no appearance is required, the case will not be called). Emailed notice (mw,) (Entered: 10/15/2020)

10/15/2020	7128	MINUTE entry before the Honorable Edmond E. Chang: Telephonic, on-record status hearing held with the Plaintiffs, the County Clerk, the Recorder, and the Compliance Administrator. (1.) The Recorder produced additional documents on the transition to the County Clerk. This issue had diminished in priority, but unfortunately there is some renewed concern about uneven discipline because the Clerk plans on asking all applicants for Recorder-related positions whether they have been disciplined, which would include asking former Recorder employees. So the imposition, or even the lack of imposition, of discipline on political-affiliation grounds arises again as a concern. The Compliance Administrator and the Plaintiffs will try to focus on specific instances if possible. Having said that, the Court recognizes the volume of work necessary so that the 12/07/2020 assumption of duties progresses smoothly, so the focus still ought to be on the personnel policy of the Clerk as related to hiring for Recorder-related duties. (2.) On that subject, the Clerk is prioritizing job descriptions of non-exempt, Recorder-related positions, and drafted a Hiring Plan for these positions with the participation of the Compliance Administrator and her counsel. Training has begun within the Clerk's Office on the Recorder-related hiring process. On the online description of the reason for the delay in postings, a reasonable reader could interpret an element of blame on the Court and the Compliance Administrator; greater caution and communication are warranted before pronouncements of that sort. The broader organizational chart and the Exempt List are being drafted, but on a lower priority than the assumption of duties. (3.) The Clerk reported on the hiring for election-related positions, which is a substantial undertaking. The parties and Compliance Administrator shall confer on whether there is an expeditious way to provide notice of hiring, but with the recognition that the conduct of the elections has the first priority. Having said that, after the election, it is expected that the Clerk would draft a written election-season hiring policy going forward to avoid political-hiring concerns (except of course for those positions that partisan affiliation is appropriate). (4.) The Clerk reported on Exempt hiring for positions that were added to the Exempt List. The Court noted that the sole reason for the Compliance Administrator to inquire about the minimum qualifications is simply as a check on the larger process for non-exempt hiring. On the proposed Recorder-related Exempt List positions, the Compliance Administrator shall provide rolling feedback and complete the feedback by 10/23/2020. To the extent agreed-on by the parties, the Court grants immediate interim approval to add agreed-on positions to the Exempt List without a formal court order. The broader Exempt List feedback is due by 11/06/2020. (5.) On the Policy Manual revisions, the Clerk and the Compliance Administrator previously agreed that the Administrator will take the primary editing role, and the Clerk provided an MS Word

copy on 10/05/2020. As discussed during the hearing, the goal now is to complete the revisions by early 01/2021. The Compliance Administrator (and the Plaintiffs, with a 24-hour turn-around after receipt from the Compliance Administrator) will provide drafts on a rolling basis, with a completion deadline of all section drafts by 12/11/2020. (6.) The OIIG reported that it very recently began an investigation of an allegation of political employment action as to the Clerk's Office. By the next status hearing, the OIIG hopes to have an estimated timeline for the completion of the investigation. (7.) On the scope of monitoring, the Court discussed the parameters of communication by monitors who observe (or listen-in on) employment-related sessions, and the Clerk and the Compliance Administrator shall discuss whether clarifying questions should be addressed in an entirely separate conversation, or simply at the end of sessions after other employees have departed. Also, as previously discussed, R. 7055, the Compliance Administrator generally will speak with current employees through counsel or the Clerk's senior staff (with exceptions set forth in R. 7055). For former employees, however, the Compliance Administrator has substantial leeway in gathering information, though there will be instances when it would be better if the Clerk facilitated and participated in the communication. (8.) The Recorder completed and issued the edits to (a) the 07/06/2020 executive order; (b) the performance policy; and (c) the discipline policy. (9.) The Director of Compliance reported ongoing concerns with the HR staffing gaps, recognizing the difficulty in management of the final months and weeks of the Recorder's Office. As noted earlier in this entry, there is a renewed concern over potentially inconsistent discipline now that the Clerk will be asking applicants about discipline. (10.) The OIIG reported that the two remaining investigations as to the Recorder's Office do not involve political discrimination. (11.) With the assumption of duties by the Clerk on 12/07/2020, the monitoring of the Recorder shall formally end and the Compliance Administrator shall submit a final report after that date. With regard to the Clerk, the next status hearing is set for 12/21/2020 at 9:15 a.m. via phone. The pre-hearing agenda shall be emailed to the courtroom deputy, michael_wing@ilnd.uscourts.gov, by 12/16/2020; the agenda must list the names and titles of the expected participants. The call-in number is (877) 336-1831 and the access code is 1736479. Counsel of record will receive an email before the start of the telephonic hearing with instructions to join the call. Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other

11/19/2020	7191	MINUTE entry before the Honorable Edmond E. Chang: On the motion to enforce subpoena 7167 , the Special Master requested, via an email copying all pertinent case participants, a seven-day extension

		on the reply. The unopposed request is granted: the reply now is due by 12/04/2020. Emailed notice (mw,) (Entered: 11/19/2020)
11/19/2020	7192	MINUTE entry before the Honorable Edmond E. Chang: Telephonic status hearing held with representatives of the Plaintiffs, Clerk of the Circuit Court of Cook County, and the Compliance Administrator. (1.) The parties reported that the full Employment Plan and Exhibits are 95% agreed-on. The Plaintiffs shall file the (hopefully agreed) motion for entry of the Plan by 11/24/2020. If the Plan is not 100% agreed-on, then the motion shall set forth areas of disagreement. The Court will decide the motion by 11/30/2020, before the transition to the next Clerk administration. The Court commended the parties and the Compliance Administrator on this significant accomplishment, which took enormous effort. (2.) The Clerk's Office reported on hiring sequences. In sum, the non-exempt IT positions will be re-posted under the anticipated new Employment Plan; the entry-level Union clerk positions were filled (with one subsequent resignation) and those sequences went smoothly from the validated eligibility list. The Plaintiffs reported that the new Clerk would like to add four new Exempt positions and discussions have begun. If the parties agree on them, then the Court grants pre-approval to add those positions to the Amended Exempt List, even before formal filing of a motion and entry of an order. (3.) The Telecommuting Policy was finalized and training is nearly complete, and there are deadlines in place for absent employees to view the training. This was a substantial undertaking, and the Court noted its appreciation for finishing it. (4.) On Time and Attendance, the County Bureau of Technology made some enhancements, but access was inadvertently problematic, so the parties will convene a meeting with BOT after the transition. The goal is to convene a meeting with BOT before the next status hearing to reboot this effort. (5.) The Compliance Administrator reported that document production and notice have been satisfactory; document requests have been limited in light of the other work and the transition. (6.) The Clerk has been meeting with the incoming administration, and Shakman will be discussed as part of the General Counsel agenda. The Plaintiffs and the Compliance Administrator expressed optimism that at least one incoming counsel already will be familiar with Shakman. The Court requested that the incoming administration be notified of the need to appoint someone on the leadership team to the serve as Shakman Liaison. (7.) The case participants expressed their appreciation for each other and for the recent and extensive compliance efforts of the Clerk's Office leadership, including Clerk Brown, Acting General Counsel Gloria Legette, and Director of Compliance Byron Wardlaw. The Court also congratulated the outgoing leadership for their commitment to moving toward substantial compliance, as most evidenced by the anticipated

		Employment Plan, which will be completed in the midst of a pandemic and transition. The next telephonic status hearing is set for 01/25/2021 at 9:30 a.m. Members of the public and media will be able to call-in to listen to this hearing. The call-in number is (877) 336-1831 and the access code is 1736479. Counsel of record will receive an email before the start of the telephonic hearing with instructions to join the call. 12/11/2020	7230	MINUTE entry before the Honorable Edmond E. Chang: Telephone status hearing held with the Plaintiffs, State of Illinois, Office of the

Executive Inspector General, and the Special Master. (1.) On IDOT John Doe proceedings, the interim-deadlines order was entered and there is one proceeding that began in 11/2020. (2.) On the IDOT conversion of technical positions to coverage under the Personnel Code, around 40 more classifications have moved; additional CMS staff members were assigned in mid-11/2020 to assist in the conversion. By 01/13/2021, Illinois shall file a status report summarizing the remaining conversion tasks and an estimated timeline for completion. (3.) Illinois recently produced records on CMS interim oversight of IDOT technical positions as conversion continues (the oversight was broadly described in R. 7208). By the next status hearing, the Special Master likely will be in a position to make specific recommendations about the interim oversight. (4.) Some newly created technical positions were created without notice to the Special Master. The positions have not been filled and Illinois will provide notice in the future. (5.) The Plaintiffs' motion to supplement the termination/clarification motions with the 11/24/2020 Special Master memorandum is granted. Illinois may respond by 12/18/2020, which shall close the briefing. (6.) The IDOT workshop on minimum qualifications and screening was accomplished with the Special Master's participation on 09/18/2020. (7.) On "official" temporary assignments (that is, temp assignments for which there are pay increases), there are a handful per month and the Special Master is provided notice (though there were Highway Maintainers for which notice was missed). By 12/23/2020, Illinois shall file a blank copy of the form that is used to reflect the temporary assignments. As a cover sheet to the filing, Illinois shall list the type and number of promotional temporary assignments since 09/2020. On "unofficial" assignments without a pay increase, as of 09/2020, the IDOT has been required to use a form, without which no experiential credit is given for the time spent in the position. Illinois is considering an en masse transfer of the approximately 150 employees who have been in the "temporary" assignments for more than three years. The Special Master had considered an objection to that en masse transfer, but recently received more information that altered that position. The overall goal is to match employees with their true job descriptions. The parties shall continue to work on a way to achieve that goal as to the employees who have been in temporary assignment for less than three years (around 85 employees). (8.) On CEP training, seven sessions were held and the Special Master had input into the training materials. The next session will be a refresher training in 01/2021 or 02/2021. The Special Master shall receive advance notice of training materials. (9.) Since the last status hearing, 48 additional positions have been posted on the electronic hiring system and 30 have been hired through it. Illinois has engaged the Unions on the system. The goal is a mid-01/2021 rollout for the entirety of the application process

		as to non-Union positions, and the job postings for the Union positions. (10.) Personal Service Contracts were part of the CEP training and also presented to agency chiefs of staff. The topic might be appropriate for the refresher training too. (11.) The parties and the Special Master presented their view on the overall flow of information and collaboration. Although it is perfectly acceptable for the Governor's Office to serve as the information gatekeeper, that role must not slow down communications and information flow to the Special Master so as to unreasonably burden monitoring efforts. By 12/18/2020, the Special Master and Illinois shall file the final version of the already agreed-upon protocol from 07/2020. The Court will adopt the already-agreed version as an enforceable order. If there is disagreement on its provisions or its interpretation, then either the Special Master of Illinois may file a motion for appropriate relief. Telephone status hearing set for 02/05/2021 at 9:00 a.m. Emailed notice (mw,) (Entered: 12/16/2020)
12/14/2020	7227	RESPONSE by Defendant Patrick Quinn, in his official capacity as Governor of the State of Illinois to Response 7218 <i>Governor's Response Regarding the Special Master's Subpoena to the OEIG</i> (Stratton, Brent) (Entered: 12/14/2020)

12/15/2020	7229	REPLY by Plaintiff Michael L Shakman to motion to substitute party 7201 (Hays, Brian) (Entered: 12/15/2020)
12/16/2020	7231	MINUTE entry before the Honorable Edmond E. Chang: The Court has the Plaintiffs' amended petition 7025 for fees and costs as to the County Clerk's Office under advisement. The tracking status hearing for this petition is reset from 12/18/2020 to 01/29/2021 at 8:30 a.m., but to track the case only (no appearance is required, the case will not be called). Emailed notice (mw,) (Entered: 12/16/2020)
12/17/2020	7260	MINUTE entry before the Honorable Edmond E. Chang: Status hearing held with representatives of the Cook County Assessor, Plaintiffs, and the Compliance Administrator. (1.) On the Shakman Liaison role, there has been improved communication after Chief Deputy Assessor Resnick took on that role. (2.) On the Employee Handbook, the revisions and forms were completed, and annual handbook training was conducted on 11/17/2020 and 11/19/2020. On review of the Time and Attendance Policy slides, there is the potential for terminology confusion over the term "best practice" when in fact certain steps are actually policy requirements. Of course, no one

expects that every requirement is complied with 100% of the time, either through inadvertence or impracticality due to exceptional circumstances. But it would be better to communicate the requirements for what they are; advanced notice of training materials is also required. The Court notes that training on the Employment Plan is an important part of implementing procedures to ensure compliance with the Plan. R. 3007, Para. 3(F)(8)(1). Overall, however, the increased training has been a substantial accomplishment. (3.) Hiring sequences generally went smoothly, with the Compliance Administrator following-up on relatively minor issues. (4.) The Assessor will be hiring a Compliance Analyst to assist the Director of Compliance. The posting will open in 01/2021, and hopefully the role will be filled by mid-03/2021. (5.) On the Time and Attendance Policy, the Assessor has not needed to counsel or to discipline any employee yet. The Compliance Administrator is examining reports to monitor compliance. (6.) On performance evaluations, the Director of Compliance reported that they are going very well, especially when compared to past evaluations; training on this issue aided in the improvement. As noted previously, it is important that the Assessor was able to conduct the first annual performance evaluations in nearly a decade. (7.) The investigation of the then-Interim DOC has concluded as to the Executive Assistant to the Chief Deputy, and the matter is now closed. (8.) The Assessor responded to the Director of Compliance's 08/14/2020 report on the self-evaluation. Although no formal discipline resulted, the overall take-away has been to encourage front-line supervisors to take ownership of performance evaluations and discipline. The DOC reported that the leadership has been willing to engage during regular meetings and whenever needed as well. (9.) On the OIIG matters, no representative was present for the hearing, but the OIIG had told the Plaintiffs' counsel that there was nothing new to report since the last status hearing. At the 10/13/2020 status hearing, the OIIG had reported a pending investigation for which it was not known whether there was a Shakman-related concern. The Court's staff will contact the OIIG to confirm that the status remains the same, and a record will be made. (10.) The case participants and the Compliance Administrator shall confer on a potential timeline to initiate the Sunset Procedures. See R. 3007, Para. III(F). The Plaintiffs, the Assessor, the Director of Human Resources, the Director of Compliance, and the Compliance Administrator shall contribute to the report, and may provide a separate section of the report if there is a difference of opinion. The next status hearing is set for 03/19/2021 at 9:15 a.m. by phone. Members of the public and media will be able to call-in to listen to this hearing. The call-in number is (877) 336-1831 and the access code is 1736479. Counsel of record and the Probation Officer will receive an email before the start of the telephonic hearing with instructions to join the call. Persons

		granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the Court. 12/21/2020	7236	PETITION <i>County Clerk Compliance Administrator's Petition for Payment of Invoice 7</i> (Attachments: # 1 Exhibit, # 2 Text of Proposed Order)(Pryor, Matthew) (Entered: 12/21/2020)
12/21/2020	7237	CLERK OF THE CIRCUIT COURT OF COOK COUNTY COMPLIANCE ADMINISTRATOR, SUSAN G. FEIBUS' PETITION FOR PAYMENT OF INVOICE NO. 22 by Susan G. Feibus (Attachments: # 1 Text of Proposed Order)(Masiello, Dina) (Entered: 12/21/2020)
12/21/2020	7238	REPORT OF BYRON M. WARDLAW AS DIRECTOR OF COMPLIANCE FOR THE CLERK OF THE CIRCUIT COURT OF COOK COUNTY: The Director of Compliance for the Office of the Clerk of the Circuit Court of Cook County forwarded this report to the courtroom deputy; it is being posted on the docket. (mw,) (Entered: 12/22/2020)
12/21/2020	7264	MINUTE entry before the Honorable Edmond E. Chang: Telephonic status hearing held with the Plaintiffs, the County Clerk, and the Compliance Administrator. (1.) On the assumption of Recorder duties, the Clerk created 21 non-exempt job titles. The Compliance

	Administrator reported overall communications went well and any issues were discussed with the Clerk's office, in particular the Deputy Clerk for HR, who all praised as having devoted significant attention to Shakman-related issues. (2.) On exempt positions, the Clerk is finalizing job descriptions and conforming minimum qualifications to the descriptions. (3.) On the election-related positions, the Deputy Clerk of Elections provided an overview of elections-related hiring for each election season: (a) Candidate Filings for around 5,000 candidates; (b) Election Day positions (including partisan-based election judges who are exempt in light of the partisan-party requirement; and (c) Voter-Related duties, such as voter registration. The goal remains to commit whatever process there is to writing (again, omitting any exempt positions and recognizing that this is simply a description of already-followed policies, not a further constraint on the hiring process or a hindrance to the volume and the speed of hiring. The goal for the draft is 02/02/2021. If an interim status hearing is needed on this topic, then the case participants may contact the courtroom deputy. (4.) On the Exempt List, the Clerk has proposed 40 positions, 25 are agreed-on already, and 15 remain under discussion, with the Plaintiffs and the Compliance Administrator to provide comments by 12/21/2020. (5.) On the Policy Manual, the Compliance Administrator has been providing draft sections and the discussion is ongoing. The goal is to complete the Policy Manual revisions before the next status hearing. The Court clarified that of course the Clerk may amend policies and implement them, but the best way to avoid disputes is to provide drafts to the Compliance Administrator. (6.) On the production of documents to the Compliance Administrator, the Director of Training was hired after the Compliance Administrator's appointment but notice was not provided until around 12/14/2020. The Clerk is working on providing records for hiring sequences. Relatedly, the Compliance Administrator is otherwise generally receiving timely notice of employment actions. (7.) On the recent referral of the OIIG, the Court noted that it is not unusual for Compliance Administrators or Special Masters to make referrals to the OIIG. (8.) On the three OIIG inquiries into alleged partisan-employment actions, one inquiry is now closed without further action, and the other two remain pending (with an estimated completion in mid-01/2021). (9.) The case participants should begin thinking about the format (simultaneous briefs with cross-responses; or if sequenced, who files first; or some other format) of the 06/30/2021 position presentations on whether an extension of the Compliance Administrator appointment is needed. Telephone status hearing set for 02/25/2021 at 9:15 a.m. The next Compliance Administrator Status Report deadline is extended to 02/16/2021. Separately, the joint agenda and list of hearing participants is due by 02/22/2021. Members of the public and media will be able to call-in to

		listen to this hearing. The call-in number is (877) 336-1831 and the access code is 1736479. Counsel of record will receive an email before the start of the telephonic hearing with instructions to join the call. Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the Court. 01/07/2021	7268	MINUTE entry before the Honorable Edmond E. Chang: On review of the remaining aspect of the motion 7236 for expenses filed by the County Clerk Compliance Administrator, R. 7236, and the Clerk's response, R. 7267, the remaining expense request is granted. The website cost of \$650 is reasonably necessary for carrying out the duty to monitor the Clerk's application of the personnel policy "to determine whether the policy is in fact applied in the observance rather than the breach," R. 6829 at 41 (Duty No. 2). Given that an online presence is an indispensable means of communication in this era, a website is warranted so that applicants and employees can seek information and contact the Compliance Administrator in this way.

		Naturally, not every expense that is reasonably necessary is listed in the Appointment Order, so the lack of an explicit reference to a website in the Order is not surprising. The motion is granted. The tracking status hearing of 01/08/2021 is vacated. Emailed notice (mw,) (Entered: 01/07/2021)

01/25/2021	7281	MINUTE entry before the Honorable Edmond E. Chang: Telephonic status hearing held with representatives of the Plaintiffs, Clerk of the Circuit Court of Cook County, Inspector General, and the Compliance Administrator. (1.) Clerk Iris Martinez was introduced to the Court along with leadership and senior staff. Clerk Martinez expressed the Clerk's commitment to ensuring compliance with the Shakman decree, including the selection of a Chief of Staff and a Human Resources Chief with prior Shakman experience. (2.) Of the 80 Exempt positions, around 72 positions have been filled. The parties and the Compliance Administrator also worked cooperatively in establishing Exempt Minimum Qualifications. The parties will file a proposed Amended Exempt List when the County provides PID numbers. (3.) At the Clerk's Office's request, the Compliance Administrator will present Shakman training (via video) Zoom session, first live for Exempt employees and then recorded for Non-Exempt. The tentative date is 02/24/2021 for the live training. (4.) The Clerk's Office proposed minor revisions to the Employment Plan (which was adopted on 11/24/2020). The parties and the Compliance Administrator will confer and the estimate timeline is two weeks to incorporate the edits.

		After that finalization and after conducting near-term hiring, a full training on the Plan will be presented to the Office. (5.) Non-exempt hiring under the Plan has not begun in earnest given the recent change in administration and the need to assess staffing needs. (6.) The Court emphasized the importance of timely notice of employment actions to the Compliance Administrator, recognizing that the timeliness of notice depends on the employment action being taken. The Office has adopted a form that should help in fostering timely notice, and HR recognizes that a process needs to be instituted. (7.) On the Telework Policy, it was disclosed that the prior administration did not in fact implement the Policy. The Office is moving quickly to revise the Policy, and the Court encouraged the Plaintiffs and the Compliance Administrator to quickly turn around any comments. (8.) On the Temporary Assignment Policy, the Office is promptly reviewing and revising the Policy, which technically expires on 01/29/2021. The parties and the Compliance Administrator will be conferring on the revisions promptly. (9.) On the Time and Attendance Policy, the Office is re-engaging with BOT on how to implement the Policy in a more transparent way. If there is an unreasonable delay in responsiveness, the Court may ask for a status report from BOT. (10.) Overall, the Plaintiffs and the Compliance Administrator both reported that the new administration is off to a strong start in moving toward substantial compliance. The next telephonic status hearing is set for 04/05/2021 at 9:30 a.m. Members of the public and media will be able to call-in to listen to this hearing. The call-in number is (877) 336-1831 and the access code is 1736479. Counsel of record will receive an email before the start of the telephonic hearing with instructions to join the call. Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the Court. The Special Master's motion to enforce subpoena due 02/19/2021. OEIG's response due by 02/26/2021. The Special Master's reply due by 03/05/2021. (4.) On the Special Master's request for faster timing on disclosure of potential political contacts, the Comprehensive Employment Plan does not trump the Appointment Order's requirement of cooperation and reasonable access to records. The speed at which the information is disclosed and the scope of the disclosure depends on what kind of information is at stake. Political contacts are a core concern and the access out to be virtually real-time. (5.) The State continues to work on reporting on the usage of Personal Service Contracts via forms and processes, now with input on drafts from the Special Master. (6.) The Special Master is now receiving Temporary Assignment reports for IDOT Highway Maintainers in District 1, which is part of an audit being conducted by the Special Master. (7.) The conversion of IDOT Technical positions to be covered by the Personnel Code is ongoing, with the State setting a goal of 06/30/2021 for completion, though many steps are required. The Special Master is conferring with the State on CMS oversight and potential sampling of entire sequences. If this is not resolved by the next status hearing, the Court will set a briefing schedule if needed. (8.) The State is nearing completion of resolving the unofficial IDOT temporary assignments, either by transferring the employees, ending the assignments, or formally documenting the assignments. The State will be conferring with the Special Master on what temporary assignments ought to be documented depending on the extent to the assignment. (9.) The Special Master made recommendations to CMS on the CEP training materials, and the more open flow of conferral on training materials should continue going forward. (10.) IDOT is not yet using the electronic hiring system to initiate sequences, but the job openings are posted. This has caused some confusion on submission of applications through the system, when in fact applications are not yet accepted that way. The Special Master will recommend to CMS that it adopt a generally applicable policy on how to treat those electronic applications. (11.) The Special Master reported that an IDOT employee apparently requested that a representative of the Special Master attend a promotional interview, but the request was denied. The State had not heard this and shall investigate and confer on with the Special Master on whether it would be appropriate to amend the Communications Protocol to address concrete triggers of information. The next status hearing is set for 03/22/2021 at 9:00 a.m. by phone. Members of the public and media will be able to call-in to listen to this hearing. The call-in number is (877) 336-1831 and the access code is 1736479. Counsel of record and the Probation Officer will receive an email before the start of the telephonic hearing with

		instructions to join the call. Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the Court.
