Plaintiffs,

vs.

WARDEN MORELAND, et al.,

Defendants.

No. 79 - 650 C (2)

ORDER

Plaintiffs have filed this complaint alleging a variety of constitutional violations in the operation of the St. Louis County Jail. This Court has certified this action to proceed as a class action on behalf of all present and future pre-trial detainees at that institution. It appears that proper and effective judicial processing of the claim cannot be achieved without additional information from officials responsible for the operation of the institution. Therefore,

IT IS HEREBY ORDERED that

- (1) No further motions addressed to the complaint shall be filed until the steps set forth in this order shall have been taken and completed.
- (2) Defendants are directed to undertake a review of the subject matter of the complaint
