11/21/2016	339	TEXT ORDER - By Order dated October 11, 2016, this Court required Plaintiff to make certain documents available for inspection and copying at the offices of Cole Schotz P.C. on 11/1/16. (ECF No. 332). The Court further Ordered that Defendant would bear the cost of copying those documents. On 11/1/16, the Court conducted a telephone conference with the parties. During that conference, Defendant represented that Plaintiff had produced several thousand pages of documents for inspection and copying, and that copying those documents by hand at the offices of Cole Schotz P.C. would be both unduly time consuming and cost-prohibitive. The Court directed the parties to meet and confer regarding delivering those documents to a vendor for copying. By letter dated November 13, 2016 (filed November 16, 2016), Plaintiff advised the Court that defense counsel had not returned his calls on the issue, and that counsel had not otherwise taken any steps to arrange for making copies of the documents. Plaintiff also, without explanation, delivered what appear to be several thousands of pages of original documents to the Court. Plaintiff also indicated that there would be more documents to come. It is unclear why Plaintiff delivered his documents to the Court (i.e., does Plaintiff intend for Defendant to pick them up for copying?). It is similarly unclear why Defendant has apparently not taken any steps to have Plaintiffs documents copied since the parties 11/1/16 conference call with the Court. The parties shall both submit explanatory letters to the Court on or before 11/30/16. So Ordered by Magistrate Judge Joseph A. Dickson on 11/21/16. (nm,) (Entered: 11/21/2016)

04/07/2017	351	TEXT ORDER The Court is in receipt of Plaintiffs letter dated March 28, 2017. (ECF 350). Plaintiff contends that, despite this Courts December 5, 2016 Order requiring the parties to submit a JOINT final pretrial order by February 1, 2017, Defendant filed a proposed order that contained errors and/or omissions with regard to Plaintiffs positions. Plaintiff did not identify any specific errors or omissions in his letter.
