Claiborne Jubilee set for this Saturday

Kinnebrew mural dedication set for noon at courthouse lawn

The Claiborne Jubilee Saturday will feature many artists, authors, musicians and one very special event, the dedication of the mural being painted on the north wall of the Kinnebrew building.

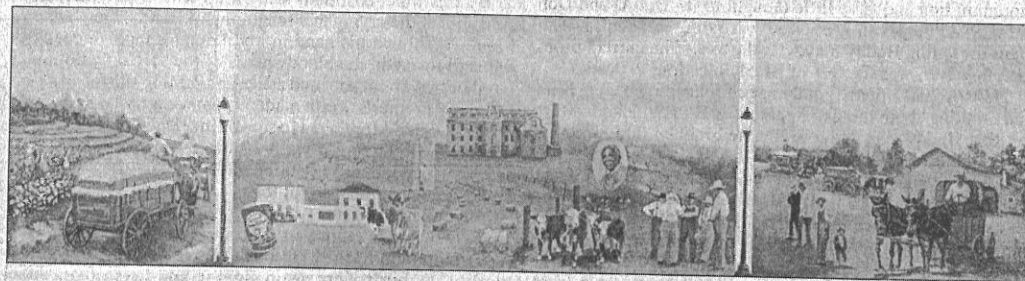

The dedication will be held at noon on the courthouse lawn in Homer, not at the mural wall.

The Jubilee will be honoring the artist who created the

original painting as well as the students and teacher from Tech who have implemented the design this spring. They are adding the final touches this week in anticipation of this celebration.

Also being honored are the Ross family from Shreveport who inherited the building last year and have done extensive work on the building in preparation for the

Sentencing set for Claiborne Parish man involved in worldwide porn ring

The Guardian-Journal

Sentencing for a Claiborne Parish man involved in an international porn ring has been set for Wednesday, June 13.

Edward Oedewaldt pled guilty on January 19 to engaging in a child exploitation enterprise and possession of child pornography.

According to Stephanie Finley, U.S. Attorney for the Western District of Louisiana, Oedewaldt was charged with engaging in a child exploitation enterprise, conspiracy to advertise the distribution of child pornography, conspiracy to distribute child pornography and possession of child pornography.

Oedewaldt was arrested in April 2010. Claiborne Parish Sheriff Ken Bailey said his office assisted in his arrest with Immigration and Customs Enforcement (ICE) taking the lead on the case. Also involved were the SWAT team and the Louisiana State Police.

"We arrested him without incident and they (ICE) took

place in April. According to a news release from the Claiborne Parish Sheriff's Office, on Sunday, May 20, K-9 Deputy Aaron Christian and Lt. Roger Ellerbe were advised that a theft had taken place at a residence in Claiborne Parish and the neighbors had witnessed the crime.

Memorial Day a time to pause and remember

The Guardian-Journal

On Monday, May 28, the United States will observe Memorial Day, a federal holiday set to remember fallen soldiers who have fought in the U.S. Armed Services.

Memorial Day is set aside as a day to "actively remember our ancestors, our family members, our loved ones, our neighbors and our friends who have given the ultimate sacrifice," states www.us-memorialday.org.

Memorial Day is observed, the website states, by

visiting cemeteries and placing flags or flowers on the graves of our fallen heroes, by visiting memorials, by flying the U.S. Flag at half-staff until noon, by flying the "POW/MIA" Flag as well, by participating in a "National Moment of Remembrance" at 3 p.m. to pause and think upon the true meaning of the day and for "Taps" to be played, and by renewing a pledge to aid the widows,

widowers and orphans of our fallen dead, and to aid the disabled veterans.

The National Moment of Remembrance was signed into law on December 28, 2000, by former President Bill Clinton.

"This Act recognizes in law a commemoration begun on Memorial Day in May

1997, when "Taps" was played at 3 p.m. on many radio and television stations across the Nation as Americans paused to remember the men and women who have lost their lives in service to our country," Clinton said in a statement on December 28, 2000. "It is my hope that the establishment of the National

promote greater understanding of the meaning of the Memorial Day holiday for all Americans."

"Taps" has long been associated with funerals of veterans or of those military personnel who perished during a foreign war.

According to Jari A. Villanueva, a bugler and bugle

historian, "Taps" is one of the most easily recognizable bugle calls.

"The melody is both eloquent and haunting and the history of its origin is interesting and somewhat clouded in controversy," Villanueva said. "'Taps' is unique with the United States military, since the call is sounded at funerals, wreath-laying and memorial services."

"Taps" actually began as a revision to the signal for 'Extinguish Lights' (Lights Out) at the end of the day.

LISBON FIELD

LEGAL NOTICE
STATE OF LOUISIANA, OFFICE OF
CONSERVATION, BATON ROUGE,
LOUISIANA.

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Hearing Room, 1st Floor, LaSalle Building, 617 North 3rd Street, Baton Rouge, Louisiana, at 9:00 a.m., on **TUESDAY, JUNE 26, 2012**, upon the application of **WILL-DRILL OPERATING, LLC**.

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of Orders pertaining to the following matters relating to the **Hosston Formation, Reservoir A and Cotton Valley Formation, Reservoir B**, in the Lisbon Field, Claiborne Parish, Louisiana.

1. To establish rules and regulations and to create drilling and production units for the exploration for and production of oil and gas and/or gas and condensate from both the Hosston Formation, Reservoir A and Cotton Valley Formation, Reservoir B.
2. To force pool and integrate all of the separately owned tracts, mineral leases and other property interests located within the proposed units in accordance with Section 10, Title 30 of the Louisiana Revised Statutes of 1950, with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate a unit well and unit operator, as appropriate.
4. To provide that future wells drilled to either the Hosston Formation, Reservoir A, or the Cotton Valley Formation, Reservoir B, be located no closer than 330 feet to any unit line and that there be not less than 660 feet between wells drilling to, completed in, or for which a permit has been issued to said

result in a net FRP revenue requirement increase of approximately \$18.1 million, which increase will be implemented effective for customer bills rendered for the first billing cycle of September 2012 (August 29), pursuant to Section 2.B.2 of the FRP.

ELL's FRP has a target return on equity ("ROE") of 10.25%, with a deadband of plus or minus 80 basis points. ELL's FRP 2011 test year filing reflects an earned ROE ("EROE") of 9.63%. Because the EROE is within the earnings deadband of the FRP, no cost of service rate change is required. ELL has, however, reflected an adjustment to Rider FRP revenues outside of the FRP sharing mechanism for an increase of approximately \$18.1 million to reflect a change in the Additional Capacity Revenue Requirement pursuant to LPSC Special Order 42-2009.

Due to the increase in the Additional Capacity revenue requirement reflected in the filing, if the Commission approves the 2011 test year FRP as filed, it is estimated that the proposed increase will have the following effects upon ELL customers' monthly bills based upon May 2012 Fuel Adjustment and Environmental Adjustment Charges. A monthly bill for Residential Service for 1,000 kWh would increase \$0.89 from \$90.49 to \$91.38. A monthly bill for Small General Service for 12,500 kWh would increase \$12.62 from \$1,247.17 to \$1,259.79. A monthly bill for Large General Service for 1,000 kW and 500,000 kWh would increase \$286.62 from \$34,015.36 to \$34,301.98.

Residency Verification and Transfer Policies and Procedures

Students in the Claiborne Parish School District must attend school in the attendance zone where they live unless they qualify for and are granted

dence cannot be immediately verified or that a question arises concerning residency, the District will implement a procedure to verify the residency which includes a request for additional documentation and home visits. If residency cannot be verified, the student will be denied enrollment or be immediately withdrawn from the school. A parent who disagrees with a residency verification determination by the principal may request review by the Committee. The Committee's decision on review is final and no appeal or review can be taken to the School Board.

Transfers

Parents/guardians may request a transfer for their child/children, only based on a majority-to-minority transfer (referred to as "M-to-M", as described below) or if one of the circumstances listed below applies. M-to-M transfers take precedence over transfers for other reasons and those for other reasons will be granted according to the rules below and a court-approved order of preference. Students who receive M-to-M transfers are entitled to receive transportation provided by the District, while students who receive other types of transfers must provide their own transportation.

To request a transfer of any nature, parents/guardians must have a residence verification on file and provide all of the following:

1. An application indicating that it is a request for a M-to-M transfer or indicating which of the 6 compelling circumstances, as specified below, upon which the student seeks an out-of-zone transfer;
2. A signed, dated, and notarized statement providing a detailed explanation of the reason for the transfer request; and
3. Any applicable documentation submitted in support of the transfer request and as required by the applicable provision below.

All documents must be completed and returned to the Claiborne Parish School Board Office, 415 East Main Street, P.O. Box 600, Homer, Louisiana 71040 between JUNE 1 and JUNE 23. No transfer request submitted outside this time period will be considered unless the request is based on 1 of the first 6 circumstances listed below which has arisen outside of the time period. The Committee will consider all properly submitted transfer requests according to a court-ap-

least one of the doctors providing a supporting letter must be the child's treating physician and at least one must be a specialist in the treatment of the condition which is the reason for the transfer request.

3. Safety of the student.

Documentation required: (1) a letter from the principal of the sending school outlining the potential harm to the student in that school together with any supporting documentation that may be available; and (2) a letter from the Superintendent concurring in the determination that the safety of the student at the sending school is in jeopardy.

4. Child of a Full-time Faculty Member, Administrator, or Staff.

Documentation required: (1) verification, as required in the above-stated residency provisions, that the student is, in fact, residing with the employee; and (2) a letter from the administrator of the school of employment stating the job title and school assignment of the employee.

5. Childcare Needs.

In addition to showing that the student is in pre-K through 8th grade (or through 12th grade in the case of special needs children), documentation required: (1) a written statement from the parents explaining that no childcare is available in their resident school zone which would enable their child to attend the resident school or that family members providing before or after school childcare are unable to pick up the child from the resident school; and (2) a notarized letter from the childcare provider attesting that he/she is caring for the child and that he/she is unable to pick up the child from the resident school.

6. Other exceptional hardship.

Documentation required: (1) a signed, dated, and notarized statement from the parent providing a detailed explanation of (a) the exceptional hardship of the student that necessitates the transfer of the student (for example, incarceration or terminal illness of a parent, domestic abuse or neglect affecting the student or parent, or natural disaster), (b) why the hardship requires a transfer from the sending school, and (c) why the receiving school can best accom-

CLAIBORNE PARISH SCHOOLS Residency Verification and Transfer Policies and Procedures

Students in the Claiborne Parish School District must attend school in the attendance zone where they live unless they qualify for and are granted a transfer. The Residency and Transfer Committee (the "Committee") is responsible for implementing the policies and procedures related to residency verification and transfers. This Notice contains a summary of those policies and procedures. The full versions of the policies and procedures may be viewed at the Claiborne Parish School Board Office, 415 East Main Street, Homer, Louisiana 71040.

Residency Verification

Each student seeking to enroll or to continue enrollment in the District schools for school year 2009-2010 must submit to the school principal a residency form (notarized and with required documentation) no later than 10 school days after the first day of school. Each year after school year 2009-2010, each student enrolling in a District school for the first time and each student continuing enrollment in any District school whose address has changed must submit a residency form (notarized and with required documentation) no later than 10 school days after the first day of school or within ten (10) days of the address change. Failure to submit the required residency form and documentation will result in a denial of enrollment or immediate withdrawal.

The residency form must be accompanied by at least 2 of the documents listed below. The submitted documents must be in the parent's name and show the location by street address of the residence of the parent where the child resides as his primary residence. Any document with a post office box shown as the only address will not be accepted. At least 2 of the following items must be submitted with the residency form:

1. Property tax records.
2. Mortgage documents or property deed.
3. Apartment/house lease or residential rent receipt clearly indicating the date and amount of the rental payment, the person(s) who made the payment, and the person who received the payment. If a rent receipt is submitted, the next month's rent receipt (including the required information) must be submitted within the next 30 days for such documentation to be acceptable.
4. Utility bill received within the preceding 30 days or application for utility service made within the preceding 30 days. Acceptable utilities include electricity, water, and cable. If an application for utility service is submitted, the first bill must be submitted within the next 30 days for such documentation to be acceptable.
5. Valid voter registration indicating the voting precinct and residential street address.

submitted during this time period will be considered unless the request is based on 1 of the first 6 circumstances listed below which has arisen outside of the time period. The Committee will consider all properly submitted transfer requests according to a court-approved procedure and will give the parent notice of its determination on or before July 15. All decisions of the Committee are final and no appeal or review can be taken to the School Board. All transfers approved by the Committee are contingent upon the final approval by the United States Department of Justice.

Majority-to-Minority Transfers

The School Board encourages any black or white student who is attending a District school in which his/her race is in the majority to choose to attend another District school where his/her race is in the minority. This majority-to-minority (M-to-M) policy applies only to black and white students. Students of other races are not as candidates for M-to-M transfers but may be considered for any other transfer for which they may qualify.

An M-to-M transfer must be requested in the same manner as described above, with submission of all necessary documentation within the JUNE 1 - JUNE 23 application period. The Committee will review every M-to-M transfer request according to a court-approved procedure.

PLEASE NOTE: Unlike other transfers, an M-to-M transfer is automatically renewed each year as long as the student attends the same school. Also unlike other transfers, any student who is granted an M-to-M transfer is automatically eligible to participate in any athletic program at the receiving school.

Based upon end-of-year enrollment figures for the 2010-2011 School Session, the following students are eligible to apply for M to M transfers for the 2011-2012 School Session: White students from Summerfield High School may apply for M to M transfers to Athens HS, all Homer Schools, or all Haynesville Schools. Black students from Athens HS, all Homer Schools, and all Haynesville Schools may apply for M to M transfers to Summerfield High School.

Compelling Circumstances Transfers

Compelling circumstances for approval of non-M-to-M out-of-zone transfers must include 1 of the following reasons and be supported by the stated documentation, as applicable.

1. Specialized academic, vocational, athletic, or special education curriculum not offered in the student's school of residence.
Documentation required: A written statement from the principal or the Superintendent of the sending school verifying the unavailability of the specific curriculum in the school of residence.
2. Health of the student.
Documentation required: (1) a statement of support from the sending

school of transfer, illness of a parent, domestic abuse or neglect affecting the student or parent, or natural disaster), (b) why the hardship requires a transfer from the sending school, and (c) why the receiving school can best accommodate the hardship; and (2) supporting documentation such as signed letter(s) of support from doctors, governmental authorities, or others confirming the existence of the hardship and that the receiving school can best accommodate the hardship.

PLEASE NOTE: An approved non-M-to-M transfer is valid for one school year only and a new transfer request must be submitted each year. If one of the first 6 circumstances listed above arises during the school year and a transfer is granted, the transfer will be valid for the remainder of that school year only. Any student who is granted a non-M-to-M transfer is not automatically eligible to participate in any athletic program at the receiving school but must comply with all eligibility requirements of the LHSA.

Out-of-State and Out-of-District Transfers

The Committee will not consider any transfer into the District of students residing out of the State of Louisiana unless the student resides within the Claiborne Parish/Junction City school zone. The only exception to this rule is when the student is a child of a faculty member or administrator or the request is based on a verified exceptional hardship.

No request to transfer out of the District will be considered or acted upon.

Complaints

The Committee will review complaints concerning a student's residency or transfer according to a court-approved procedure. A person desiring to make a complaint must submit the following to the Superintendent: (1) a written statement explaining in detail the reason(s) that the residency or transfer is invalid; and (2) any available documentation supporting those reasons. The statement may be anonymous but must be dated. If the Committee finds a reasonable basis to question the residency or transfer exists, it will follow a court-approved procedure to investigation and reach a final determination. All decisions of the Committee will be final and no appeal or review may be taken to the School Board.

The complete residency verification and transfer policies and procedures are available for reviewing and/or copying at the Claiborne Parish School Board Office, 415 East Main Street, Homer, Louisiana 71040.

The Louisiana Department of Environmental Quality and D & S Oil & Gas Operators, Inc. Agency Interest Number 136124, have entered into a proposed settlement agreement. Settlement Tracking No. SA-AE-11-00589, concerning the State's allegations of environmental violations by Respondent at its facility in Claiborne Parish, Louisiana, which allegations are set forth in Notice of Potential LDEQ Enforcement Number AE-PP-11-00589.

The Department of Environmental Quality will accept comments on the proposed settlement for the next forty-five (45) days. The public is invited and encouraged to submit written comments to the Louisiana Department of Environmental Quality, Office of the Secretary, Legal Affairs Division, Post Office Box 4302, Baton Rouge, Louisiana 70821-4302. Attention: Keidra J. Phillips, Attorney. All comments will be considered by the Department of Environmental Quality in reaching a decision on whether to make the settlement final.

Terms and conditions of the proposed settlement agreement may be reviewed on the Department of Environmental Quality's website at www.deq.louisiana.gov by selecting Divisions, Enforcement, and Settlement Agreements. The document may also be viewed at, and copies obtained from, the Louisiana Department of Environmental Quality, Public Records Center, Room 127, Galvez Building, 602 North Fifth Street, Baton Rouge, Louisiana 70802. To request a copy of the proposed settlement, submit a completed Public Record Request Form (DEQ Form FSD-0005-01). The form and instructions for completion may be found on the DEQ Website at the following address: <http://www.deq.state.la.us/pub-Records/default.htm>, or by calling the Customer Service Center at 1-866-896-5337.

Pursuant to La. R.S. 30:2050.7(D), the Department of Environmental Quality may hold a public hearing regarding this proposed settlement when either of the following conditions are met: (1) a written request for public hearing has been filed by twenty-five (25) persons, by a governmental subdivision or agency, or by an association having not
