April 29, 2013	Order Filed Simpson, Robert E.			04/29/2013
Document Name: DISCOVERY ORDER I				
Comment: After telephone conference with counsel on 4-5-2013, and after consideration of written argument, it is hereby ORDERED and DECREED as follows:				
A. Database Discovery				
In response to Pet.'s 8th request for Production of Documents, the Court determines the request for database discovery is relevant and reasonably calculated to lead to the discovery of admissible evidence. Further based on extensive involvement in prior hearings, the Court determines that disclosure of partial (SSN) from the databases under proposed additional security measures will assist in the fact-finder in more accurately estimating the numbers of Pennsylvanians who may be impacted by the voter identification requirements of Act 18, and that privacy concerns will be robustly addressed. Accordingly, for use in this litigation only, Respondent's shall produce the following elements from the (DOS) and the (DOT) databases as soon as possible, but no later than the close of business on Mon., 5-6-2013:				
a. From DOS's SURE database: Voter Table; Name Table; Street Table; DOT drivers or non-drivers identification numbers to the extent available in the SURE database; and, the last four digits of SSN without the need for further randomization or encryption.				
b. From DOT's database: Operator Name; Operator birth date; operator number; current address; prior name; and, the last four digits of SSN without the need for further randomization or encryption.				
To the extent designated as "Confidential Information" at the time of production, disclosure of the above information shall be subject to the Stipulated Protective Order approved by the Court on 6-11-2012, together with any amendments agreed upon by the parties before disclosure. In addition, disclosure shall be subject to the additional privacy protections proposed in Paragraphs 10 & 11 of the Declaration of Leonard A. Cupingood, Ph.D.				
B. LIMITATION ON FURTHER WRITTEN DISCOVERY				
Respondent's shall not be required to provide responses to further written discovery except as set forth by specific court order based upon cause shown.				
C. OTHER DISCOVERY ISSUES				
If necessary, the Court will conduct an additional telephone conference on Fri., 5-17-2013 at noon, to address any outstanding discovery issues. Pet.'s shall arrange for a court reporter to be available for the conference.

June 6, 2013	Order Filed Simpson, Robert E.			06/06/2013

Document Name: DISCOVERY ORDER III

Comment: AND NOW, this 6th day of June, 2013, upon expedited consideration of Respondents' Application for Protective Order and Petitioners' Opposition to Respondents' Application for Protective Order, it is ORDERED and DECREED as follows:

Except as provided hereafter, Respondents' request to limit the testimony and duration of re-deposition for four witnesses (Marks, Royer, Ruman, Myers) is DENIED; and

Except as provided hereafter, Respondents' request to provide nonduplicative protections for four new-party depositions (Sweeney, O'Donnell, Fauver, Winkler) is DENIED; and

In the absence of a persuasive explanation as to why depositions and re-depositions of numerous employees of the Department of State will be insufficient for Petitioners' discovery needs, Respondents' request to preclude there-deposition of the Secretary of the Commonwealth is GRANTED, and the Secretary is excused from complying with the notice of deposition; and Respondents' request to preclude the depositions of the Governor, the Governor's Office, and Patrick Geho is GRANTED in part, and DENIED in part, as follows. In the absence of a persuasive explanation as to why the depositions and re-depositions of numerous employees of the Departments of State and Transportation will be insufficient for Petitioners' discovery needs, the request is GRANTED as to the Governor and the Governor's Office, and the Governor and his designee are excused from complying with the notice of deposition. The request is DENIED as to Patrick Geho.

FURTHER, a) in response to Respondents' concerns regarding the burdens associated with the duration and possible duplicative nature of deposition and re-deposition discovery, b) in light of Petitioners' non-binding offers relative to Respondents' concerns, c) in recognition of the extensive discovery and hearing testimony already completed in this litigation, and d) considering the limited availability of the assigned judge for emergency discovery dispute resolution 2 between June 10, 2013, and the close of deposition discovery on June 15, 2013, it IS further ORDERED that RESPONDENTS' (and their witnesses') PARTICIPATION in deposition discovery shall be LIMITED to three eight-hour days, excluding breaks, to be completed within the current discovery deadline.

The Court anticipates that the parties will cooperate to ensure the permitted depositions will be completed within the time frame set forth above. Nothing in this order is intended to limit the calling of witnesses at time of trial, subject to rulings by the trial judge.

Filed Date	Docket Entry / Filer	Representing	Participant Type	Exit Date
August 16, 2013	Opinion McGinley, Bernard L.			08/16/2013
	Document Name: Memorandum Opinion (12 pages) Comment: AND NOW, this 16th day of August, 2013, after a full trial and upon consideration of the oral and written arguments of counsel regarding the modification and/or continuation of a preliminary injunction, and in recognition that both parties are amenable to continuing a preliminary injunction in some form, it is ORDERED and DECREED as follows: Petitioners' preliminary injunction previously granted by this Court's order dated October 2, 2012, shall continue in effect AS MODIFIED as follows. Based on the foregoing Determination on Renewed Application for Preliminary Injunction, the Respondents and their agents, servants and officers are hereby PRELIMINARILY ENJOINED from: Implementing or enforcing that part of Act 18 which amends Section 1210(a.2) of the Election Code, 25 P.S. §3050(a.2), and Section 1210(a.4)(5)(ii) of the Election Code, 25 P.S. §3050(a.4), until this Court enters a final appealable decision on the merits of the permanent injunction, and thus affects the election on November 5, 2013, and any subsequent elections until such time. It is the intent of this Preliminary Injunction to extend the transition procedures described in Section 10(1) of Act 18 until proceedings before this Court have concluded. As to Section 10(2) of Act 18, implementing or enforcing the following transition procedure(s): "the election official that requested the proof of identification shall ... inform the elector that he or she will be required to comply with that requirement when voting at future elections." It is the intent of this Preliminary Injunction to enjoin verbally informing electors about the necessity of proofs of identification for future elections. Because this Preliminary Injunction shall continue until this Court renders a final appealable decision on the permanent injunction, such information would not be accurate in the event the decision does not become final before any future regularly scheduled or special elections. Nothing in this Preliminary Injunction shall preclude the Commonwealth from following transition procedures described in Section 10(2) of Act 18, as they relate to providing written information only. All other provisions of Act 18 remain in effect. 2 As this is the third order imposing a preliminary injunction, with no party requesting or posting a bond to date, and the parties having stipulated to continuing a preliminary injunction previously, the Court finds that no bond is necessary to support continuation of a preliminary injunction in the form set forth herein. The Court resolves to act on the permanent injunction expeditiously.

	Document Name: AND NOW, this eighteenth day of November, 2013, this Court Comment: makes the following rulings on Respondents' and Petitioners' remaining motions in limine: 1) Regarding Respondents' motion to exclude cumulative evidence-the Court addressed this issue during the course of the trial on the merits and evaluated and ruled on the appropriate objections in the context of the motion; 2) Regarding Respondents' motion to exclude opinion testimony from fact witnesses-the Court reviewed the specific testimony in the context of the trial and where a proper foundation was laid ruled the testimony was admissible and if not, an objection was sustained; and 3) Regarding Petitioners' motion to preclude Respondents' from offering evidence of future plans, facts not disclosed in discovery or ID options not disseminated to the public-the Court agreed that evidence of future plans was not admissible and limited any such testimony during the course of the trial. January 17, 2014	Order Filed McGinley, Bernard L.			01/17/2014
Comment: AND NOW, this 17th day of January, 2014, the Court addresses the sealed transcripts corresponding to in camera proceedings, and objection to same lodged by Petitioners during trial. As background, Petitioners objected to evidence related to the exclusion of a number of exceptions (144) from the Sharepoint Database excel spreadsheet maintained by the Department of State (DOS) and the Pennsylvania Department of Transportation (PennDOT) to track the number of applications received for the DOS ID. See Pet'rs' Ex. 2136. The Court admitted that evidence, and asked the parties to stipulate to the number of "exceptions." "Exceptions" are those cases in which applicants did not receive DOS ID although they applied for one. The parties were unable to reach an agreement. As a compromise, DOS submitted additional information it obtained from PennDOT, a non-party, regarding the disputed exceptions. The submission enabled Petitioners to discern whether the exception was properly included in the Sharepoint Database as it related to a DOS ID, or was recorded in error by PennDOT because the applicant already possessed a form of PennDOT ID. A request to seal or unseal judicial records is a matter within the trial court's discretion. In re Estate of DuPont, 606 Pa. 567, 2 A.3d 516 (2010). As a matter of prudence, recognizing that confidentiality, once breached on the stand, cannot be restored, this Court conducted proceedings in camera. The Court closed proceedings for part of the day on three separate days of trial and sealed the transcripts of testimony delving into the disputed exceptions. However, upon review of the sealed portions of the transcripts, there are no confidences expressed that necessitate a seal. In the spirit of the openness of our courts, and pursuant to common law protecting same, there must be sufficient grounds to close proceedings to the public. PA. CONST. art. I, §11; Katz v. Katz, 514 A.2d 1374 (1986) (public right to know applies in civil trials). This litigation involves a matter of public importance, implicating constitutionality of legislation that impacts the right to vote, in which the citizenry of the Commonwealth has an interest. As there is no confidential information protected by the seal, the balance weighs in favor of disclosure. Accordingly, the portions of transcripts corresponding to in camera proceedings held July 24 (day 8), July 30 (day 10), and July 31(day11) of2013 are UNSEALED. The exhibit Respondents submitted under seal which compiles information received from PennDOT, remains sealed. Petitioners submitted a public version, from which identifiers were redacted. See Pet'rs' Ex. 2138.

January 17, 2014	Permanent Injunction Granted McGinley, Bernard L.			01/17/2014
	Document Name: Memorandum Opinion (103 pages) Comment: AND NOW, this 17th day of January, 2014, after a full trial and upon consideration of the arguments of counsel regarding Petitioners' request for declaratory relief and permanent injunction as to the Act of March 14, 2012, P.L. 195, (Act 18), also known as the Voter ID Law, and related motion for compulsory nonsuit, it is ORDERED and DECREED as follows: Upon consideration of Respondents' motion for compulsory nonsuit, or in the alternative for a directed verdict, and the parties briefing as to the issues raised therein, Respondents' motion is DENIED. Based on the foregoing Determination on Declaratory Relief and Permanent Injunction, Petitioners' request for relief is GRANTED as to Counts I and II in their Amended Petition for Review; Petitioners' request for relief is DENIED as to Count III (Equal Protection). Accordingly, I DECLARE Section 3 of Act 18, as to the in-person voting requirements in Section 1210 of the Election Code, 25 P.S. §3050, is invalid and unconstitutional on its face as the provision and issuance of compliant identification does not comport with liberal access and unreasonably burdens the right to vote; and I DECLARE Section 2(b) of Act 18 invalid as it cannot be implemented consistent with its terms; I further DECLARE the DOS ID does not comport with the terms of Section 2(b), and thus is ultra vires. AND FURTHER the Respondents and their agents, servants and officers are hereby PERMANENTLY ENJOINED from: Implementing or enforcing Section 3 of Act 18 which requires qualified electors to produce limited compliant photographic IDs for in-person voting; and Implementing or enforcing Section 2 of Act 18 to the extent it pertains to in-person voting requirements here enjoined, including subsection (b), which is not and cannot be implemented according to its terms. Nothing in this Permanent Injunction shall preclude the enforcement of the remaining provisions in Act 18 unrelated to the in-person photographic identification provisions, including, but not limited to those pertaining to absentee voting, as they are severable from the remainder of the statute. Moreover, absentee voting under Act 18 is not challenged by Petitioners, and those provisions have been enforced since enactment. Therefore, the remaining provisions of Act 18 continue in effect. In addition, the preliminary injunction previously entered by this Court shall be DISSOLVED upon entry of judgment. Lastly, Petitioners' request for attorneys' fees is hereby DENIED. Post-trial motions shall be filed and heard consistent with Pa. R.C.P. No. 227.1, and in accordance with Scheduling Order III, as amended by the undersigned Judge's order issued on July 31, 2013. Following the filing of all briefs, they shall be scheduled for argument at the next available argument session.
