TABLE J

JUVENILE CASES, SEPTEMBER AND OCTOBER 1963

During the period from September 16 through October 4, 1963, approximately 256 Negro juveniles were brought before the Dallas County juvenile authorities. The warrants of arrest which appear in Plaintiff's Exhibit 28A show that at least five different charges were brought against the juveniles, as follows (as written or typed upon the warrants):

1. Unlawful Assembly

Unlawful assembly in that after having done acts to induce the assembling of a crowd, or having given or knowingly permitted to be given notice or public knowledge that he or other persons would at time or place certain in this State, did aid or assist in doing acts or make gestures or communications which are calculated to or will probably so outrage the sense of decency and morals or so violate or transgress the customs, patterns of life and habits of the people of Alabama as to be likely to cause a riot or breach of the peace at such time or place and does in fact do or aid or assist in doing any such act or gesture or communication.

2. Parading Without a Permit

Violating section 824 of the 1954 City Code of Selma, Alabama, as amended, by parading without a permit.

3. Picketing

Violating section 63-8 of the City Code of Selma, Alabama, Section 7, by demonstrating on a sidewalk, spaced less than 10 ft. apart.

4. Truancy

Truant in that being a child between the ages of seven and sixteen [or seventeen] years did not attend school.

5. Trespass After Warning

This Table consists of four charts setting forth statistics obtained from the juvenile case files which comprise Plaintiff's Exhibit 28A. The charts are as follows:

Chart 1: The Ages of the Arrested Juveniles

Chart 2: The Length of Time the Juveniles Were Held in Custody

Chart 3: The Charges and the Case Dispositions of the Juveniles

Chart 4: The Case Dispositions of Juveniles for Whom No Warrants of Arrest Appear in the Records (Pl. Ex. 28A).

An example of a juvenile case file arising out of the 1963 civil rights demonstrations is set forth as Example 13 in Table F.

Chart 1: The Ages of the Arrested Juveniles

This Chart sets forth the number of juveniles arrested by age. The ages of the juveniles were obtained from their statements* made to the Juvenile Court and from the warrants of arrest.

* During September and October 1963 a form was used by welfare workers to record information about the juveniles. (Testimony of Bernard Reynolds.) On the back of this form a space is provided for the juvenile to give his name, age, and a "statement of ... [his] own free will and accord." An example of this form is in the case file set forth as Example 13 in Table F.

Chart 2: The Length of Time the Juveniles Were Held
in Custody

This Chart sets forth the number of days the juveniles were held in the custody of the Dallas County or City of Selma officials. Only those juveniles for whom warrants of arrest appear in Pl. Ex. 28A are considered in this Chart. The number of days each juvenile was held in custody is counted from the date of the warrant of arrest to the date of the release of the juvenile. In each case the date of release is obtained from the form used by the Juvenile Court to obtain information about and a statement from the juvenile.*

* This form is more fully explained in the note on page J-3.

note book and she was going to leave for a Cosmetology
Class at 5:00. I was with a boy by the name
of Benjamin Jenkins, he lives on small street. When
we got almost to Broad St. a group of kids began to
sing freedom songs, we went on by the kids and
and went on down broad. As we got to the corner
of Small and broad the police came up and told us
we were under arrest. I told the officer that we
were on our way home from school and that we were
not a part of the group behind us. I tried to explain
this to the man who booked me too. I was not in
any public demonstration at the time. I was on my
way home from school. This the whole truth, and
nothing but the truth so help me God.

My name is Clarence Shelton. I am 14 years

old. I am making this statement of my own free will and accord. I have had no threats or promises to cause me to make this statement. The foregoing and following statement is true and correct to the best of my knowledge.

Last week I attended a meeting of the SNCC. at the meeting we were told that the leaders of the Selma drive were trying (asked) for a permit to demonstrate. ^(Rev. Tucker) He also stated that we would have some sit-in demonstrations. No one tried to convince me to join, all they asked was that the ones who wanted to sit-in could do so, and all that didn't want to could stay home. I joined in because I felt it was my civic responsibility to do so.

On Monday, I didn't go to school, instead I went to Brown Chapel Church. When I arrived there some children told me that there were police near Hudson High School trying to get some of the students who were walking out to return. I went into the Church and began to sing. We stayed in the Church until they decided to send some of us out. Some went to jail two were hit. after the two persons were hit the leaders Rev. Tucker and some others that I don't know decided to stage a demonstration. A few blocks after we left we were arrested and carried to jail in buses.

My mother was at home, before I left I told her that I was going to this Church.

I have attended at least five Mass meetings, and some more smaller ones. I went into Thirsty Boys on

Broad st. And asked for a coke. The Waitress told me that they didn't serve colored people. A boy by the name G. Pickett was with me.

My instructions came from Rev. Tucker.

TABLE K

JUVENILE CASES, JULY 6-9, 1964

During the period from July 6 through July 9, 1964, a total of 21 juveniles were arrested and charged with the following offense:

Picketing, parading or demonstrating near a building housing Court of the City of Selma, Dallas County, or State of Alabama.

These juveniles were Negroes. This table sets forth under the day of arrest the name of each arrested juvenile, his age, the date that he made a "statement"* to the juvenile authorities, the date of the Judgment, and the Judgment of the Juvenile Court, and the date of the juvenile's release from jail. Also set forth is a description of the affidavits and warrants of arrest for these juveniles. This information appears in the juvenile court case files for each juvenile, which comprise Plaintiff's Exhibit No. 21, except that the age of each juvenile and the date of release from jail are set forth in the Register of Prisoners Committed to County Jail, Plaintiff's Exhibit No. 20. An example of a juvenile case file is set forth in Table F (Example 12).

*Juvenile cases are held in the Dallas County Probate Office or conference room. (Testimony of Eugenia Gusdorf). As the juveniles were brought in, a welfare worker took information about the juvenile. A form was used to record the information. (Testimony of Bernard Reynolds). On the back of this form a space is provided for the juvenile to give his name, age, and a "statement of... [his] own free will and accord."

The July 6 Arrests

Twelve of the juveniles were arrested on July 6, 1964. Deputy Sheriff L. C. Crocker signed each affidavit swearing that he had probable cause for believing that the offense of "Picketing, parading... [etc.]" was committed and that the named juvenile was guilty of the offense. In each case the affidavit is dated July 6, 1964, and it is sworn to and subscribed before T. L. Pyron, Lieutenant, Selma Police Department, whose signature is stamped. Each warrant of arrest is dated July 6, 1964, and the signature of T. L. Pyron again is stamped.

I left my house at 1:25 to come down town. I went to the SCCC office. At the office was Jerry Shaw, Willie C. Robinson. Then I was told that all of my friends were going to jail, and I'm sitting down and not going. Jerry Shaw and Willie C. Robinson fixed paper chairs and two other girls to go down in front of the City Court Building. We followed Jerry and Willie, and they crossed the street and we stayed on the other side. We walked in front of the Building, and in a few minutes at 3:45 we were arrested.

TABLE L

**Adult Cases (Contributing to
Delinquency), July 6-10, 1964**

TABLE L

ADULT CASES, JULY 6-10, 1964
(Contributing to Delinquency)

During the period from July 6 through July 10, 1964, a total of 50 adults were charged in connection with civil rights activities with contributing to the delinquency of a minor. These adults were Negroes.

This table sets forth under the day of arrest the name of each adult arrested for contributing to the delinquency of a minor, the number written on his Juvenile Court Warrant of Arrest (which is the same as his county booking sheet number), the date of issuance of the warrant, the minor named in the Juvenile Court Complaint and the date the juvenile was arrested. This information appears in the Juvenile Court files which comprise Plaintiff's Exhibits 15, 17, 18 and 19. An exception is made for the arrests made July 6, which can be described as a unit, without listing each arrested person. An example of the case file (consisting only of a Juvenile Court affidavit, or complaint, and warrant of arrest) of an adult who was charged with contributing to the delinquency of a minor is set forth as Example 11 in Table F.

July 6 Arrests

Forty of the adults were arrested on July 6, 1964. Deputy Sheriff L. C. Crocker signed each affidavit swearing that the named adult

has, within twelve months before the making of this affidavit, in said County, aided, encouraged, or caused [the named juvenile], a child under sixteen years of age, to become dependent, neglected, or delinquent or has, by word, act or omission, threats, commands or persuasion, induced or endeavored to induce, aided, or encouraged such child

in such County to do or perform an act, or to follow a course of conduct which would cause or manifestly tend to cause such child to become or remain dependent, neglected or delinquent, in that the said [named juvenile] did within said twelve months within said county,

Picketing, parading or demonstrating near a building housing a court of the City of Selma, Dallas County, or State of Alabama.

against the peace and dignity of the State of Alabama.

In each case the affidavit is dated July 6, 1964, and it is sworn to and subscribed before Bernard Reynolds, Judge of the Juvenile Court of Dallas County. The delinquent minor in each case is Claude Nelson, who was arrested on July 6, 1964. Each warrant is signed by Judge Reynolds; each warrant recites that it was dated July 6, 1964. The "Witnesses for State" listed on each warrant are Deputy Sheriff L. C. Croker and Sheriff James G. Clark, Jr.

July 7 Arrests

Three of the adults were arrested on July 7, 1964. Deputy Sheriff Crocker again signed each affidavit. Judge Reynolds again witnessed each affidavit and signed the warrants. And each affidavit names Claude Nelson as the delinquent juvenile; the affidavit and the warrant in each case is dated July 6, 1964.

July 8 Arrests
