United States Attorney

Re: United States v. City of Shreveport,
et al.

Dear Mr. Shaheen:

As you may recall, Judge Dawkins awarded costs to the Government and against the City of Shreveport in United States v. City of Shreveport, et al., and indicated in chambers some limits he would impose on what was properly taxable. Before leaving Shreveport following the trial, I requested the Marshal to forward to us his Bill of Costs.

I enclose a copy of the Marshal's Bill of Costs. You will note that he has listed all costs incurred by his office in the case, some of which may not be taxed against the City according to the wishes of Judge Dawkins and others which are not properly taxable either. I have indicated on the form the corrections needed and we would appreciate your requesting the Marshal to prepare a new Bill of Costs following this revision.
