#9200

In captioned matter receipt is acknowledged of your letter dated the 16th instant, together with enclosures.

Notice of Application to Tax Costs was filed on the 20th instant, the hearing thereon having been fixed at 2:30 p.m. on the 21st instant. Service and citation was made upon counsel for defendant, and in discussing the matter with Mr. Bennett Johnston, Jr., he stated that neither he nor Mr. J. V. Marcantel would attend the hearing, particularly in view of the fact that it appeared that the several cost items were allowable. Mr. Johnston further stated, however, that upon further consideration some of the said items might be questioned and request made for review thereof within five days from the 21st instant, as provided by Rule 54(d), Federal Rules of Civil Procedure.
