Honorable Fred J. Cassibry
Judge, United States District Court
Eastern District
New Orleans, Louisiana

Re: Schol v. Perez
CA No. 67-243

Dear Judge Cassibry:

This is to advise you that the parties in this case are agreeable to submitting the motion of the United States to intervene on the written briefs previously filed with this Court. I spoke to Mr. Provencal, attorney for the defendants, and to Mr. Bronstein, attorney for the plaintiffs, today by telephone and each indicated his agreement. I have not discussed this matter with the attorney for the State of Louisiana since the State is not presently a party to this case; but if the State is made a party to this case, and this is done before October 25, 1967, and if the State wishes to be heard orally on the motion of the United States
