11/19/2020	655	MINUTE ORDER, pursuant to the direction of District Judge James O. Browning, notifying the parties that the Court will not dictate how, or the mode in which, the hearing, scheduled for 12/4/2020, takes place. The Court has deferred to the parties in the past to conduct these hearings, who speaks, and the order in which people speak. The Court is most eager, however, to hear the United States Department of Justice (USDOJ) state its views on: (i) the Independent Monitor's most recent Status Report 625 ; and, (ii) the recent developments concerning the Albuquerque Police Department. Nonetheless, although the Court wants most to hear the USDOJ's views, and perhaps they could educate the Court early in the hearing, if the parties prefer a different order, the Court will defer to the parties' preferred order.
