HONORABLE SHIRA A. SCHEINDLIN
UNITED STATES DISTRICT JUDGE

WHEREAS, the District Court preliminarily approved the Stipulation and Order of Settlement ("the Settlement") on February 7, 2012;

WHEREAS, on March 8, 2012, the District Court approved the plan for notifying the Settlement Class, as well as the Claim Packet (which included, *inter alia*, a Class Notice and Claim Form) and Summary Notices for posting;

WHEREAS, the Parties have fully briefed a motion in support of Final District Court Approval of the Settlement;

WHEREAS, the District Court found at the fairness hearing on December 14, 2012 that the settlement was fair and adequate, and ordered final approval pursuant to Fed. R. Civ. P. 23(e);

WHEREAS, the Settlement sets forth the agreement, terms and conditions for the proposed settlement and dismissal of this action;

WHEREAS, the Settlement provides for, *inter alia*, monetary relief for members of the classes ("Settlement Class Members" or "SCMs"), who are defined as: "as all individuals who are listed in the New York State Office of Court Administration's Criminal Records and Information Management System ("CRIMS") or Summons Automation Management System ("SAMS") databases; or in the New York City Police Department's Booking Arraignment Disposition System ("BADs") or in the Criminal Court Summons ("C-Summons") databases; or in a Report derived from New York City Police Department databases identifying Attempts to Charge ("Attempts to Charge Report"); or in summonses produced in discovery or in connection with a Claim Form up to the Bar Date, as having been charged in the City of New York prior to the Bar Date: (1) with a violation of N.Y. Penal Law § 240.35(1) after September 30, 1992; or (2) with a violation of N.Y. Penal Law § 240.35(3) after February 23, 1983; or (3) with a violation of N.Y. Penal Law § 240.35(7) after February 17, 1988.";

WHEREAS, the Settlement provides for the creation of a Class Fund in the amount of \$15 Million (\$15,000,000);

WHEREAS the Settlement provides for equitable relief, including a joint omnibus New York State court proceeding to vacate, dismiss, and seal all cases charging the Statutes within New York City that have "qualifying dispositions" as defined in the Parties' and the DAOs' letter agreement dated January 18, 2012; assurance that all qualifying cases under the

Statutes are appropriately maintained in compliance with state sealing laws, including by certifying the destruction of all related fingerprints and photographs; a joint formal written request to OCA and the New York State Division of Criminal Justice Services (“DCJS”) to create a permanent notation of unconstitutionality attached to electronic records of all Loitering Charge Incidents; and prevention policies for a period of two years from Final District Court Approval;

WHEREAS, the Parties have agreed that \$12 Million (\$12,000,000) of that Class Fund shall be paid to members of the Settlement Class who timely filed a signed valid Claim Form, according to the Distribution Formula set forth in paragraph 52 of the Settlement and with appropriate deductions specified in paragraphs 56 and 69 of the Settlement, and the amount paid to each valid claimant shall be called the Award Amount;

WHEREAS, the Parties agree and recommend that the Distribution Formula as defined in paragraph 52 of the Settlement should be applied by the Administrator;

WHEREAS, the Parties have agreed that a total of \$3 Million (\$3,000,000 or “Settlement Costs”) of that Class Fund shall be paid to Class Counsel or to the Administrator to make the following payments: (1) to Class Counsel, incentive payments of \$25,000 each to the eight class representatives of the Settlement Class (Michael Brown, Michael Louis Brown, Bobby Wells, Xavier Grant, Keith Anderson, Paul Casale, Anthony Garcia and Llewellyn Rudy) as defined in paragraph 75 of the Settlement (“Named Plaintiffs”) (totaling \$200,000), and payments to Class Counsel for its own past, present, and future fees and costs in the above-captioned action; and (2) to the Administrator, all payments to administer the Settlement;

WHEREAS, the City previously paid the Administrator \$239,993.55 in Settlement Costs for administering the Settlement;

WHEREAS, the Parties agree that Class Counsel's reasonable attorneys' fees, costs and expenses shall be the \$3 Million in Settlement Costs less amounts paid to the Administrator and the Named Plaintiffs, in addition to the \$560,800.53 previously paid for attorneys' fees, costs and expenses;

WHEREAS, the Administrator has averred that it sent a Claim Packet to each Class Member on June 8, 2012 at the last known address(es) (with re-mailing of returned Claim Packets), and Class Members were given until November 8, 2012 to file a Claim Form;

WHEREAS, the submissions of the Parties indicate that one-page Spanish and one-page English Summary Notices were posted in places likely to be seen by Class Members in accordance with the Settlement;

WHEREAS, the Settlement was widely publicized on the radio, television, the internet, and in newspapers;

WHEREAS, the Settlement was negotiated with the assistance of former Magistrate Judge Theodore J. Katz;

WHEREAS, the Parties agree that persons who submit late claims after the date of this Order but on or before January 8, 2013 will be given 30 days from January 8, 2013 to provide a "good cause" explanation for their late filing as set forth in paragraph 56 of the Settlement;

WHEREAS, no objections to the Settlement or requests for exclusion from the Settlement were received by the Court, the Parties or the Administrator;

WHEREAS, upon reading the papers submitted in support of the motion for Final District Court Approval of the Settlement, and after hearing argument from both Parties on December 14, 2012;

NOW, it is HEREBY ORDERED that:

- (a) The Settlement meets the requirements of Fed. R. Civ. P. 23(e) because it is procedurally and substantively fair, reasonable, and adequate;
- (b) The factors set forth in *City of Detroit v. Grinnell Corp.*, 495 F.2d 448, 463 (2d Cir. 1974) weigh in favor of approval of the Settlement;
- (c) The \$25,000 service awards to the eight Named Plaintiffs, totaling \$200,000, from the Settlement Costs are fair and reasonable given the time and effort they expended assisting in the prosecution of this litigation;
- (d) The agreed total amount of \$3 Million in Settlement Costs for past and future attorneys' fees, costs and expenses (in addition to \$560,800.53 previously paid), Administrator fees and costs, and Named Plaintiff awards (\$200,000) is approved as fair and reasonable;
- (e) Notice to the Settlement Class was the best practicable notice under the circumstances and complied with Fed. R. Civ. P. 23(c)(2);
- (f) The Settlement is therefore finally approved;
- (g) Pursuant to Paragraph 44 of the Settlement, the City is required to pay the Administrator within 61 days of the date of this Order the amount of \$12,000,000, less deductions due to valid timely claimants' child support liens (hereinafter the amount to be paid to the Administrator is called the "Remainder"), and those amounts deducted for child support liens shall be sent to the beneficiary of the child support lien;
- (h) Prior to the payment of the Remainder to the Administrator, the City in consultation with the Administrator, shall make its best good faith estimate of

the maximum amount that should be deducted due to child support liens, and shall pay the Administrator \$12,000,000 less that amount;

- (i) If additional money is determined to be owed to the City due to child support liens due to a change in the Award Amount, acceptance of late claims, or for any other reason, the Administrator shall return that amount to the City;
- (j) If less money is determined to be owed due for child support liens due to a change in the Award Amount, or for any other reason, the City shall pay the Administrator that additional money and that amount shall be added to the Remainder;
- (k) Pursuant to Paragraph 56 of the Settlement, the Administrator shall place \$100,000 of the Remainder in reserve to pay late claims filed after the date of the Order but on or before January 8, 2013 for "good cause" shown;
- (l) The Administrator shall distribute the Remainder to timely valid claimants in accordance with the terms of the Settlement;
- (m) Within 61 days of the date of this Order, the City shall pay Class Counsel \$2,760,006.45;
- (n) From this \$2,760,006.45, Class Counsel shall pay: (1) the eight Named Plaintiffs \$25,000 each, for a total of \$200,000; and (2) themselves the remaining amount for attorneys' fees, costs and expenses.
- (o) All checks mailed to Class Members shall bear the notation, "CASH PROMPTLY, VOID AND WILL NOT BE RE-ISSUED 120 DAYS AFTER DATE OF ISSUANCE";

- (p) Claims postmarked after the date of this Order shall be denied as late and shall not be paid as part of the initial distribution from the Class Fund. Persons who submit late claims postmarked after the date of this Order but on or before January 8, 2013 will be given 30 days to provide a “good cause” explanation for their late filing. Class Counsel shall determine if the person had “good cause” to file a late claim, and persons shall have the right to appeal any such determination to the Magistrate Judge. All persons with good cause for filing a late claim after the date of this Order but on or before January 8, 2013 shall be paid a pro-rata share – up to the Award Amount – of the amount remaining in the Remainder due to the failure of claimants to timely cash their checks within 120 days of issuance, as well as from the \$100,000 held in reserve to pay late claims, except that Class Counsel, upon notice to the Court, may decide to reserve some portion of the remaining funds to pay persons who failed to cash their checks within 120 days;
- (q) All late claims that are approved as showing “good cause” will also be subject to the deduction of any valid child support liens;
- (r) Claims postmarked after January 8, 2013 shall be denied and shall not be considered; and
- (s) If money remains in the Remainder, or in the \$100,000 reserve after the payment of late claims filed after the date of this Order but on or before January 8, 2013 for “good cause,” or because of uncashed checks issued to claimants, and as set forth in paragraph 55 of the Settlement, Class Counsel, on written notice to the City and the Court, shall have the discretion to (a)

reissue the checks, or (b) add the amount of the voided checks back to the Class Fund to be divided pro rata amongst eligible SCMs, or (c) issue checks to persons who make late claims for good cause shown pursuant to the immediately following paragraph, or (d) seek an award by the Court consistent with cy pres principles.

STIPULATION AND ORDER OF SETTLEMENT

This Stipulation and Order is made and entered into on this 26th day of January 2012 between the City of New York (hereinafter "the City"), New York City Police Department Commissioner Raymond Kelly and Bronx District Attorney Robert Johnson, ("collectively "Defendants"), and Plaintiffs (hereinafter "Plaintiffs") Michael Brown, Keith Anderson, Michael Louis Brown, Xavier J. Grant, Llewellyn Rudy, Bobby Wells, Paul Casale, and Anthony Garcia, on behalf of themselves and all others similarly situated (collectively the "Parties"), and is made and entered into with reference to the following facts.

WHEREAS, on June 9, 2005, in an action now entitled *Brown v. Kelly*, 05 Civ.

5442 (SAS) (“*Brown*”) and pending before the Honorable Shira A. Scheindlin, a plaintiff filed a putative class action lawsuit alleging that the City of New York, operating *inter alia* through the New York City Police Department (“NYPD”) and the District Attorneys’ Offices (“DAOs”), continued to charge thousands of individuals for violations of N.Y. Penal Law § 240.35(1), although that the statute had been declared unconstitutional on First Amendment grounds in 1992. *See Loper v. New York City Police Dep’t*, 999 F.2d 699, 701 (2d Cir. 1993);

WHEREAS, on March 4, 2008, in an action entitled *Casale v. Kelly*, 08 Civ. 2173 (SAS) (“*Casale*”), and pending before the Honorable Shira A. Scheindlin, a group of plaintiffs filed a putative class action lawsuit alleging that the City of New York, operating *inter alia* through the NYPD and DAOs, continued to charge thousands of individuals for violations of N.Y. Penal Law § 240.35(3) and N.Y. Penal Law § 240.35(7), although the statutes were declared unconstitutional in 1983 and 1988, respectively. *See People v. Uplinger*, 460 N.Y.S.2d 514 (1983); *see also People v. Bright*, 526 N.Y.S.2d 66 (1988);

WHEREAS, in *Brown*, a class was certified pursuant to Fed. R. Civ. P. 23(b)(3) consisting of all persons who have been or will be arrested, charged or prosecuted by employees, agents or representatives of New York City for violating N.Y. Penal Law § 240.35(1) from October 7, 1992 onward, and affirmed by Order of the United States Court of Appeals for the Second Circuit (*see Brown v. Kelly*, 609 F.3d 467, 473 (2d Cir. 2010));

WHEREAS, in *Casale*, a class was certified pursuant to Fed. R. Civ. P. 23(b)(2) consisting of all persons who have been or will be arrested, charged, or prosecuted for a violation of N.Y. Penal Law §§ 240.35(3) or 240.35(7) in New York City after these statutes were declared unconstitutional and a class was certified pursuant to Fed. R. Civ. P. 23(b)(3) consisting of all persons who have been arrested, charged, or prosecuted for a violation of

either N.Y. Penal Law §§ 240.35(3) or 240.35(7) in New York City within the applicable statute of limitations. Subclasses were certified to address potential defenses applicable only to plaintiffs who were never prosecuted and to those charged with additional criminal offenses at the time they were charged with a violation of N.Y. Penal Law §§240.35(3) or 240.35(7) (*see Casale v. Kelly*, 257 F.R.D. 396 (S.D.N.Y. 2009));

WHEREAS, by Opinion and Order dated April 26, 2010, over the objection of defendants, the District Court adjudged defendant the City of New York to be in contempt of court based on the fact that City of New York law enforcement officers charged individuals with violations of N.Y. Penal Law § 240.35(1), N.Y. Penal Law § 240.35(3), and N.Y. Penal Law § 240.35(7) after the filing of the above-captioned *Brown* and *Casale* actions;

WHEREAS, on or about August 3, 2010, by Order of the United States Court of Appeals for the Second Circuit in the matter of *Brown v. Kelly*, the District Court's certifications pursuant to Fed. R. Civ. P. 23(b)(2) of a state-wide plaintiff class and a defendant class were vacated (*see Brown v. Kelly*, 609 F.3d 467, 482 (2d Cir. 2010));

WHEREAS, N.Y. Penal Law §§ 240.35(1), (3), and (7) were repealed by the New York State legislature on July 30, 2010 (2010 N.Y. Laws Ch. 232);

WHEREAS, defendants deny any and all liability and maintain that they have not had at any time and do not have now a policy, practice or custom to enforce N.Y. Penal Law §§ 240.35(1), (3), and/or (7) since the statutes were respectively declared unconstitutional;

WHEREAS, the Parties, seeking to avoid additional protracted, expensive, and unnecessary litigation, agree to the entry of this Stipulation and Order of Settlement (hereinafter "Stipulation") to resolve all issues that were raised in these class actions by the

Plaintiffs individually or as class representatives;

NOW, THEREFORE, with the agreement of all Parties, it is hereby ORDERED, ADJUDGED AND DECREED as follows:

INTRODUCTION

A. The parties enter into this Stipulation for the purpose of avoiding the burdens of further litigation, and mutually to support vigorous, lawful, and nondiscriminatory enforcement of the law. Settlement of this action under the terms stated in this Stipulation is in the public interest because the Stipulation avoids diversion of private and City resources to further adversarial action by the parties.

B. Plaintiffs enter into this Stipulation for the purpose of addressing the allegations in the Complaints filed in the *Brown* and *Casale* actions. Plaintiffs and Class Counsel believe the terms of this Stipulation are in the public interest because they believe they are designed to prevent future unconstitutional enforcement of N.Y. Penal Law §§ 240.35(1), (3) and (7) in the City of New York.

C. Defendants deny any and all liability and deny that they had or currently have a policy or engaged in or currently engage in a pattern or practice of conduct that deprived persons of rights, privileges, or immunities secured or protected by the Constitution and laws of the United States.

D. This Stipulation does not and shall not be deemed to constitute any admission by defendants as to the validity or accuracy of any of the allegations, assertions, or claims made by plaintiffs. No determinations have been issued by the Court concerning the merit or lack of merit of the allegations made by plaintiffs in their pleadings. This Stipulation does not constitute an admission, adjudication, or finding on the merits of the above-captioned action.

E. This Court has jurisdiction over this action under 28 U.S.C. §§ 1331 and 1343. Venue is proper in the United States District Court for the Southern District of New York pursuant to 28 U.S.C. § 1391.

37. "Settled Named Plaintiff Claims" mean any and all claims, debts, demands, rights, or causes of action or liabilities whatsoever (including, but not limited to, any claims for damages, interest, attorneys' fees, administration fees, expert or consulting fees, and any other costs, expenses, or liabilities whatsoever), whether based on federal, state, local, statutory, or common law or any other law, rule, or regulation, whether fixed or contingent, accrued or un-accrued, liquidated or un-liquidated, at law or in equity, matured or un-matured, whether class or individual in nature, that have been asserted in this action by the Settlement Class and/or Named Plaintiffs against any of the Released Parties.

terminated in favor of the accused person as defined by N.Y. Crim. Proc. L. § 160.50(3) or in a conviction for a non-criminal offense as defined by N.Y. Crim. Proc. L. § 160.55(1).

FUNDING AND RESOLUTION OF SETTLEMENT COSTS

40. Subject to the terms and conditions of this Stipulation, the City agrees to pay Fifteen Million Dollars (\$15,000,000.00) as the Class Fund, which shall be used to pay all claims of SCMs and the Settlement Costs. The Class Fund does not include the \$560,800.53 in attorneys' fees and costs previously paid to Class Counsel.

41. While the parties have agreed to a Class Fund of \$15 Million Dollars, the parties have not agreed on the amount to be subtracted from the Class Fund to pay the Settlement Costs. Class Counsel will not seek more than \$3.5 Million Dollars to pay the Settlement Costs. Defendants reserve all rights to assess, analyze and object to the amount of Settlement Costs upon defendants' receipt of all information that they deem relevant to the final determination of the Settlement Costs, including billing records that they believe are necessary to assess the reasonableness of Class Counsel's past attorneys' fees. Apart from past attorneys' fees, the parties also have not agreed, as of the signing of this Stipulation, on the amount of Class Counsel's future attorneys' fees, the amount of the Administrator's fee, and on the amount or means of calculating Class Counsel's total fee recovery, but the parties will endeavor to resolve these issues in good faith prior to the fairness hearing.

42. In the event that the parties do not agree upon the amount of the Settlement Costs to be subtracted from the Class Fund prior to the fairness hearing, the parties agree to submit their dispute to the Court for resolution on or before the fairness hearing.

43. Within thirty (30) days after Preliminary District Court Approval, the City shall cause to be deposited into a bank account designated by the Administrator an amount equal to

the amount approved by the District Court for payment to the Class Administrator to cover the costs of notice agreed to by the Parties and/or ordered by the Court, and will provide additional funds to the Administrator as approved by the Court, except that the total of said funds shall not exceed Four Hundred Thousand Dollars (\$400,000). Any such payment shall be debited against the Settlement Costs. If the Stipulation is not ultimately approved by the Court, then all such funds paid to the Administrator, to the extent they are available after payment of all accrued class administration expenses, shall be returned to the City. The Administrator will submit monthly bills to the Parties and may pay itself from these funds in accordance with its bill if the Parties do not object to the bill within thirty (30) days of receipt of the monthly bill.

44. Subject to the terms and conditions of this Stipulation and the approval of the Court, on or before the Funding Date, the City shall cause to be deposited into the Class Settlement Fund Account ("CSFA") the Remainder. On or before the Funding Date, the City shall cause to be deposited to the trust account of Class Counsel the Settlement Costs less the amount already advanced under the terms of the immediately preceding paragraph.

- a. Prior to the payment of the Remainder to the Administrator, the City in consultation with the Administrator, shall make its best good faith estimate of the maximum amount that should be deducted due to Child Support Liens, and shall pay the Administrator \$15 Million less the Settlement Costs and less the amount retained by the City of New York for transmittal to the Office of Child Support Enforcement for distribution to the beneficiaries of the Child Support Liens as referenced in paragraph 53c;

- b. If additional money is determined to be owed to the City due to Child Support Liens due to a change in the Award Amount, acceptance of late claims, or for any other reason, the Administrator shall return that amount to the City;
- c. If less money is determined to be owed due for Child Support Liens due to a change in the Award Amount (or for any other reason) the City shall pay the Administrator that additional money and that amount shall be added to the Remainder.

45. Should the settlement not be finally approved after exhaustion of all appellate avenues, the City shall have no claims against the Named Plaintiffs, the Settlement Class, Class Counsel, or the Administrator for reimbursement of funds advanced to the Administrator for notice, except that any advanced funds shall be credited towards any subsequent settlement in this action.

46. The City will join Class Counsel in seeking the Court's approval of the Stipulation, exclusive of the Settlement Costs as set forth in paragraphs 41 and 42 above.

47. No payment shall be made to eligible SCMs before the Funding Date. Claims will be processed to determine eligibility for payment by the Effective Date for Payment. Upon the Funding Date, claims determined to be eligible for payment may be paid.

48. No additional payments shall be paid to Class Counsel for fees and costs before the Funding Date. After the City causes the Settlement Costs to be deposited, as set forth in paragraph 44, Class Counsel may immediately withdraw money from the Settlement Costs to pay its own fees and costs before a final accounting, as long as sufficient money is reserved to pay the Administrator's costs, and service awards to Named Plaintiffs. If the Administrator's

final bill is less than the amount previously advanced, the Administrator shall refund to Class Counsel the remainder. A copy of the Administrator's final accounting, as well as monthly bills, shall be provided to the City.

PAYMENTS TO THE SETTLEMENT CLASS

49. The amount awarded to SCMs who submit Claim Forms shall be calculated as follows. First, the amount paid to the Administrator for costs; to Class Counsel for attorneys' fees and costs; and to Named Plaintiffs for service awards (collectively "Settlement Costs") shall be subtracted from the Class Fund.

50. In an effort to promote both efficiency and fairness, the Administrator will award each Approved Claim points after review and after such verification as the Administrator deems appropriate of the information provided on the Claim Form ("the Distribution Formula"). The details of the Distribution Formula to be applied are subject to Court approval on recommendation by Class Counsel after Claim Forms are received. The Distribution Formula shall be applied uniformly, will not be discretionary after approval, and may be amended only by Court Order.

51. The total points awarded to each Approved Claim pursuant to the Distribution Formula will be aggregated and each SCM's share of the total points will be determined. The SCM shall then be allocated a commensurate proportion of the Class Fund minus the Settlement Costs based on the number of points awarded to the SCM. The resulting amount of payment to the SCM for an Approved Claim based on application of the Distribution Formula shall be the "Award Amount."

52. The Distribution Formula shall be as follows:

- a. Pool One will be comprised of all SCMs from the Subsection One Recent Group, the Subsection Three Recent Group or the Subsection Seven Recent Group who submit an Approved Claim and who either (1) were arrested and charged with a violation of the Statutes; or (2) were issued a summons (the court records of which include an arrest or bench warrant recorded in CRIMS or SAMS) charging a violation of the Statutes. Every SCM in Pool One will receive 12 points.
- b. Pool Two will be comprised of all SCMs from the Subsection One Recent Group, the Subsection Three Recent Group or the Subsection Seven Recent Group who submit an Approved Claim, and who were issued a summons (the court records of which do not include an arrest or bench warrant recorded in CRIMS or SAMS) charging a violation of the Statutes. Every SCM in Pool Two will receive 4 points.
- c. Pool Three will be comprised of all SCMs from the Subsection One Older Group, the Subsection Three Older Group or the Subsection Seven Older Group who submit an Approved Claim and who either (1) were arrested and charged with a violation of the Statutes; or (2) were issued a summons (the court records of which include an arrest or bench warrant recorded in CRIMS or SAMS) charging a violation of the Statutes. Every SCM in Pool Three will receive 2 points.
- d. Pool Four will be comprised of all SCMs from the Subsection One Older Group, the Subsection Three Older Group or the Subsection Seven Older Group who submit an Approved Claim and who were issued a summons (the court records of which do not include an arrest or bench warrant recorded in CRIMS or SAMS)

charging a violation of the Statutes. Every SCM in Pool Four will receive 1 point.

53. SCMs who timely file a completed and signed Claim Form and who are eligible for an award shall each be entitled to receive an Award Amount from the Class Fund in compensation for their claims, subject to the following provisions:

- a. Each SCM shall receive an Award Amount for only one incident of enforcement for which the SCM was charged with a violation of the Statutes, notwithstanding the fact that an SCM may have been charged with a violation of the Statutes on more than one occasion. For those SCMS who were charged with a violation of the Statutes on more than one occasion, that SCM shall be compensated for the single incident of enforcement of the Statutes against him or her that is eligible to receive the highest number of points under the Distribution Formula.
- b. In addition to the Award Amount, the Named Plaintiffs in this action shall receive additional service awards as set forth in paragraph 75 below. The additional amounts referred to in this sub-paragraph shall be paid from the Settlement Costs.
- c. If an SCM who submitted a Claim Form has a New York City Child Support Lien for arrears (hereinafter "Child Support Lien"), the Award Amount shall be deducted to satisfy the Child Support Lien, pursuant to the provisions in paragraph 69. The amount paid by the Administrator to these SCMs will be their share of the Class Fund minus the Settlement Costs, minus the amount of any Child Support Lien. The City of New York shall retain the aggregate amount of the Child Support Liens for transmittal to the Office of Child Support Enforcement for distribution to the beneficiaries of the Child Support Liens.

54. Based on good faith calculations made by the Parties, the parties believe that as of

January 26, 2012, the Settlement Class contains SCMs who were subjected to approximately 22,800 incidents where the Statutes were charged.

55. Class Counsel has the discretion to void checks mailed to SCMs and not cashed within 120 days of issuance. Notice of this procedure will be provided at the time the checks are issued. Class Counsel, on written notice to the City and the Court, shall have the discretion to (a) reissue the checks, or (b) add the amount of the voided checks back to the Class Fund to be divided pro rata amongst eligible SCMs, or (c) issue checks to persons who make late claims for good cause shown pursuant to the immediately following paragraph, or (d) seek an award by the Court consistent with *cy pres* principles.

56. The Administrator shall place \$100,000 of the Remainder in reserve to pay late claims filed for “good cause” shown. Persons who submit late claims will be given 30 days from a date to be determined by the Court at the fairness hearing to provide a “good cause” explanation for their late filing. Class Counsel shall determine if the person had “good cause” to file a late claim, and persons shall have the right to appeal any such determination to the Magistrate Judge. All persons with good cause for filing a late claim shall be paid a pro-rata share under the Distribution Formula – up to their Award Amount – of the amount remaining in the Class Fund due to the failure of claimants to timely cash their checks within 120 days of issuance, as well as from the \$100,000 held in reserve to pay late claims, except that Class Counsel, upon notice to the Court, may decide to reserve some portion of the remaining funds to pay persons who failed to cash their checks within 120 days for “good cause” shown. All late claims that are approved as showing “good cause” will also be subject to the deduction of any valid Child Support Liens. If money remains in the Remainder (including the \$100,000 reserve after the payment of late claims filed for “good cause,” and the reissuance of uncashed checks

for “good cause”), the parties shall confer and seek an order from the Court as to how to distribute same consistent with *cy pres* principles.

57. The Administrator is permitted for good cause shown (including proper documentation and proof of authority) to issue checks in the name of a person other than the SCM.

ADMINISTRATOR

58. The Administrator’s duties shall include administering the Class Fund, including but not limited to the following matters: (1) issuing notice, including information about the right to object or opt out of the settlement; (2) locating class members; (3) distributing Claim Packets to and receiving executed original Claim Forms of same from those on the Final Class List; (4) establishing and administering the Class Fund and upon conclusion of the process, closing the Fund; (5) paying all income taxes, if any, owed by the Class Fund; (6) determining eligibility for awards on the basis of information provided by counsel for the Parties and the SCMs, validating the claims, and providing the Parties a list of those persons found preliminarily eligible every 30 days; (7) calculating the amounts of awards; (8) issuing and mailing checks to eligible SCMs, and issuing and filing all required tax forms and statements; (9) developing procedures and responding to inquires from SCMs and Opt-Outs about this Stipulation and the procedures contained herein, including by the use of a toll-free number; (10) creating a database of SCMs who have filed timely and valid Claim Forms; (11) establishing a toll-free number and toll number (for incarcerated SCMs), which will be included in the Claim Packet and on the Summary Notices; (12) creating a database of Opt-Outs; and (13) providing the Parties with monthly bills and a final accounting.

59. The City agrees to facilitate the work of the Administrator by, among other things, obtaining and providing to the Administrator, information, data, documents, and records in the City's possession, which is relevant and appropriate to facilitate the administration of the Class Fund, to the extent such information is disclosable to the Administrator under federal, state and/or local laws.

60. Within fifteen (15) days of the Preliminary District Court Approval, Class Counsel will provide the City and the Administrator with an Excel spread sheet containing the full names of all the SCMs and any and all identifiers available to Class Counsel, which may include Social Security Number, date of birth, NYSID number, arrest number, arrest date and summons date. Upon receipt, the City shall check certain databases to which it has access, including DOC records of more recent admissions, the New York City Department of Probation records, Human Resource Administration records, and Department of Homeless Services records, for updated address information. The City shall also check DOC and NYPD databases in order to locate social security numbers of SCMs. Where necessary and/or appropriate, the Parties shall cooperatively seek appropriate court orders to obtain the addresses of SCMs. The City's obligation regarding the information listed in this paragraph only extends to the extent SCMs provided accurate and complete information. Within sixty (60) days of the Preliminary District Court Approval, the City will provide the Administrator and Class Counsel with an Excel spread sheet containing any additional identifying information about the SCMs located through its database search including where available, date of birth, NYSID number, driver's license, social security number (from DOC and NYPD databases only), and last-known address. On behalf of Plaintiffs, Class Counsel reserves the right to seek orders from the Court directing defendants to provide additional identifying information as necessary in order to effectuate

notice to the class. In addition, at least sixty (60) days prior to the Bar Date, the City agrees to join Plaintiffs in making a formal written request to OCA to provide the Parties with one final update of all data in OCA's custody relating to the Statutes.

61. To the extent that the Administrator and/or Class Counsel receive inquiries that they cannot resolve, the Administrator and/or Class Counsel shall group such inquiries and submit them in writing to a designated person at the Office of Corporation Counsel on a recurring basis, but not more often than a weekly basis. Results of the investigations will be provided in writing.

62. Information provided to Class Counsel and the Administrator by the City of New York pursuant to the preceding two paragraphs shall be confidential, and may not be disclosed to anyone except Class Counsel, Defendants' Counsel, certain City agencies (including DOC, Department of Probation, Department of Homeless Services, Human Resources Administration, and the Comptroller's Office), the Administrator, or the Court under seal. Class Counsel and the Administrator shall not disclose the confidential information to any person not a member of their staff. To the extent Class Counsel or the Administrator seek to disclose this information to any other person or entity, they must first seek Defendants' Counsel's consent in writing. Defendants' Counsel shall not unreasonably withhold consent. In addition, after consent is given, but before disclosing the confidential information to anyone else, including, any agent, contractor, or expert, the Administrator or Class Counsel shall first have such person or organization sign the confidentiality agreement attached hereto as Exhibit B. A signed copy of Exhibit B shall be provided to Defendants' Counsel by expedited transmission immediately but no later than two business days after execution. Class Counsel and the Administrator shall take all reasonable steps to insure that the confidential information concerning all proposed class

members and SCMs, remain private and confidential. In addition, the information provided to Class Counsel and the Administrator regarding the proposed class members and SCMs will not be used for any other purpose other than in this litigation and for the administration of this Stipulation. Similarly, the City will not use any information concerning SCMs or proposed class members that is provided by the Administrator or Class Counsel for any other purpose other than in this litigation and for the administration of this Stipulation, and the City shall keep such information confidential.

63. The Administrator will apply for a tax ID number, if necessary, and take all necessary steps for the timely creation of the CSFA prior to the forty-fifth (45th) day from the Final District Court Approval.

64. The Administrator shall provide the City with the Employer Identification Number for the CSFA, and a completed W-9 Form and bank routing information for the trust fund account, within forty-five (45) days from the Final District Court Approval.

65. The Administrator will treat income taxes as the first priority for payment, and therefore, shall, on a quarterly basis, set aside an amount sufficient to pay all income taxes, if any, owed by the CSFA on interest earned to date. The Administrator shall pay all income taxes, if any, on a quarterly basis. The City Comptroller shall have the right to inspect and copy all tax forms (and worksheets), and monthly bank statements of the CSFA. The Administrator will provide to Class Counsel, Defendants' Counsel, and the City Comptroller with a monthly statement of expenses paid. The City will not be responsible for taxes, penalties, or interest incurred on the Class Fund. The Administrator shall issue all required IRS forms.

66. Within thirty (30) days of receiving the additional identifying information about the SCMs from the City as described in paragraph 60 above, the Administrator shall generate the

Final Class List, and the Administrator shall mail a copy of the Claim Packet by first class mail, postage prepaid, to all persons on the Final Class List for whom an address is available.

67. Subject to approval from the District Court, the Administrator and Class Counsel shall be responsible for determining a plan to ensure that as many SCMs as reasonably possible receive the Claim Packet and see the Summary Notices. A copy of the plan should be sent to Defendants' Counsel.

68. The SCM must submit a completed Claim Form to the Administrator by the Bar Date unless such date is extended by order of the Court. The Administrator shall reject claims that are untimely. A Claim Form is deemed submitted upon deposit in a postpaid properly addressed wrapper, in a post office or official depository under the exclusive care and custody of the U.S. Post Office, or when submitted for delivery by a commercial express carrier, or when actually received by the Administrator, or if a Claim Form is submitted to the Administrator by electronic means, upon successful transmission of the Claim Form as indicated by an electronic receipt provided by the Administrator, whichever date is earlier.

69. Every thirty (30) days, after the Preliminary District Court Approval, the Administrator shall provide the Parties a list of those persons who are preliminarily eligible so that the City may on a rolling basis determine whether that person's Award Amount will need to be reduced due to New York City Child Support Liens. The City will not exercise its right to reduce the payments set forth in this Stipulation by exercising its right to recover any other amounts, including but not limited to amounts due for unpaid City taxes including personal income tax, real estate related taxes, unpaid parking tickets, unpaid Environmental Control Board fines, or any Medicaid costs correctly paid against bills from the New York City Health and Hospitals Corporation. No benefits currently received by SCMs may be terminated or

reduced as a result of Award Amounts unless mandated by federal or state law or regulation. This does not constitute a waiver of any right to separately recoup overpayments or any amounts owed solely to federal or state governments if such is required by federal or state law or regulation. Within thirty (30) days of receiving what the Administrator identifies as the last list of those persons eligible to receive an Award Amount, the City shall provide the Administrator and Class Counsel with a list of those persons who have New York City Child Support Liens and the amount that shall be deducted from each persons' Award Amount to pay, satisfy and/or partially satisfy the Child Support Lien, with subtotals for the amount owed to a governmental entity and the amount to be forwarded to the custodial parent (non-governmental) beneficiary of the Child Support Lien. Prior to providing this list, the City shall send each person owing Child Support Liens, and to Class Counsel, a notice describing that they owe these liens and information on how to file a challenge regarding the deduction of the Child Support Liens from the Award Amount. If the City later determines that the amount of the liens was incorrect, the City shall directly pay that person the over-deduction of the amount that was withheld from that person's Award Amount.

70. Any SCM who fails to submit a Claim Form by the Bar Date or any court-mandated extension, shall be forever barred from receiving payments pursuant to the Stipulation. Such person shall be bound by all of the terms of the Stipulation, and the Judgment entered herein, including but not limited to the release of all Released Persons of all Settled Class Claims, as defined in paragraph 106.

71. The Administrator shall mail letters and/or otherwise contact SCMs who by the Bar Date submit partially completed Claim Forms that are deficient to provide them up to forty-five (45) additional days to validate their Claim Forms. The absence of a social security number

or other identifying information shall not be a basis for not issuing an award to a SCM if the Administrator can otherwise confirm the identity of the SCM.

72. Rights and claims hereunder shall survive the death of SCMs. If a SCM who is eligible to receive monetary relief under this Stipulation is deceased, the amount payable to such deceased SCM shall be paid to the appropriate representative of his/her estate. The representative of the estate shall provide proof of death and appropriate documentation to show that she/he is properly a representative of the estate. If the Administrator determines, after reasonable opportunity has been given, that there is insufficient information or proof regarding the deceased person's estate to permit such payment, the deceased person's share shall be distributed in accordance with the terms set forth in paragraph 55 for the distribution of returned checks.

EXCLUSION FROM THE SETTLEMENT CLASS

73. Any potential SCM who wishes to be excluded from the Settlement Class must by the Bar Date mail a request to be excluded from the Settlement Class ("Request for Exclusion") to the Administrator. Any Request for Exclusion must be in writing and state the name, date of birth, address, and telephone number (if any) of the person requesting exclusion and contain a clear statement communicating that such person elects to be excluded from the Settlement Class. Originals of all Requests for Exclusion shall be retained by the Administrator until such originals are filed with the Court. Named Plaintiffs will not request exclusion pursuant to this paragraph. A list of all exclusions, as well as a copy of the written Requests for Exclusions sent to the Administrator, shall be provided to Class Counsel and Defendants' Counsel.

74. Any SCM who does not timely file a Request for Exclusion shall conclusively be deemed to have become a SCM and to be bound by this Stipulation and by all subsequent

proceedings, orders, and judgments herein.

SERVICE AWARDS FOR NAMED PLAINTIFFS

75. In addition to the Award Amount, each of the Named Plaintiffs will be paid an additional \$25,000 each as an award for services provided to the class and for any inconvenience, pain, suffering, and other non-pecuniary loss experienced as a result of having been a Named Plaintiff in this action. Class Counsel shall pay these service awards from the Settlement Costs.

ADDITIONAL NOTICE

76. To augment the Administrator's efforts to ensure that as many persons as reasonably possible receive notice, the Parties will work cooperatively together to ensure that the Summary Notices are posted in places where SCMs are likely to see them. The Administrator will provide the Parties with the requested number of copies of the Summary Notices, and will email the Parties a PDF version of the Summary Notices.

77. The City agrees to ensure that the Summary Notices are posted in the following locations within two weeks of the initial mailing of the Claim Packets and approval of the Summary Notices, whichever date is later:

78. Within two weeks of the initial mailing of the Claim Packets and approval of the Summary Notices, whichever date is later, Class Counsel will forward copies of the Summary Notices to the New York State Office of Court Administration (including local administrative judges) and the New York State Division of Parole (including regional Parole offices) and request that they post the Summary Notices as extensively as reasonably possible, throughout offices and/or locations where arrestees, detainees or individuals on probation are likely to see them.

At least fifteen (15) days prior to submission to the Court for approval, Class Counsel shall provide Defendants with copies of the proposed Claim Form and Summary Notices for review. EQUITABLE RELIEF

Vacatur of Qualifying Dispositions

84. Defendants and the DAOs agree to consent to and cooperate in and make best, vigorous, and timely efforts in an omnibus New York state court proceeding initiated by Class Counsel, in a process to be determined in consultation with the New York State Office of Court Administration (“OCA”), to vacate, dismiss, and seal all cases charging the Statutes within the five boroughs of New York City that have “qualifying dispositions” as defined in the parties’ and the DAOs’ letter agreement dated January 18, 2012.

85. The parties’ and DAOs’ letter agreement dated January 18, 2012, is hereby incorporated by reference and attached hereto as Exhibit A.

86. As part of the District Court’s ongoing jurisdiction over the Parties to enforce and administer the terms of this Stipulation, the parties agree that any disputes regarding cooperation in the omnibus New York state court proceeding shall be resolved by the Honorable Theodore S. Katz or by another Magistrate Judge selected by the Court.

87. The provisions of this section at paragraphs 84-86 shall remain in effect until the omnibus state court proceeding is completed. Plaintiffs will use best efforts to submit the omnibus motion no later than six months after Final District Court Approval.

Sealing

88. Defendants agree to comply with N.Y. Crim. Proc. L. §§ 160.50 and 160.55 concerning any and all Loitering Charge Incidents either terminated in favor of the accused person as defined by N.Y. Crim. Proc. L. § 160.50(3) or terminated in a conviction for a non-criminal

offense as defined by N.Y. Crim. Proc. L. § 160.55(1), including but not limited to Loitering Charge Incidents where (a) following the arrest of such person, the arresting police agency, prior to the filing of an accusatory instrument in a local criminal court, elects not to proceed further; (b) prior to the filing of an accusatory instrument in a local criminal court against such person, the prosecutor elects not to prosecute such person; or (c) a court has issued an order dismissing the action, as follows.

- a. Pursuant to N.Y. Crim. Proc. L. §§ 160.50(1)(a) and 160.55(1)(a), defendants agree to destroy every photograph and photographic plate or proof taken or made in regard to the action or proceeding of a person charged in a Sealed Loitering Charge Incident, and all duplicates and copies thereof.
- b. Pursuant to N.Y. Crim. Proc. L. §§ 160.50(1)(a) and 160.55(1)(a), defendants agree to destroy every palmprint and fingerprint taken or made in regard to the action or proceeding of a person charged in a Sealed Loitering Charge Incident, and all duplicates and copies thereof except digital fingerprint images where authorized by N.Y. Crim. Proc. L. §§ 160.50(1)(e) or 160.55(1)(e).
- c. Pursuant to N.Y. Crim. Proc. L. §§ 160.50(1)(b) and 160.55(1)(b), that for any Sealed Loitering Charge Incidents for which NYPD transmitted or otherwise forwarded to any agency of the United States or of any other state or of any other jurisdiction outside the state of New York copies of any such photographs, photographic plates or proofs, palmprints and fingerprints, NYPD will formally request in writing that all such copies be destroyed or returned to NYPD, and, if returned, NYPD shall destroy them.

- d. Pursuant to N.Y. Crim. Proc. L. §§ 160.50(1)(c) and 160.55(1)(c), all official records and papers, (including, for §160.50(1)(c) only, judgments and orders of a court but not including published court decisions or opinions or records and briefs on appeal), relating to the Sealed Loitering Charge Incidents, including all duplicates and copies thereof on file with any police agency or prosecutor's office shall be sealed and will not be made available to any person or public or private agency except as permitted by N.Y. Crim. Proc. L. §§ 160.50(1)(d) or 160.55(1)(d).

The provisions of paragraph 88 shall remain in effect until the deadline for the certification in paragraph 89 expires, or two years from the Effective Date, whichever is later.

89. Within 30 days after a final granting of the plaintiffs' omnibus state court motion as defined in paragraph 84, plaintiffs will provide defendants with a list, in electronic or digital format, of Loitering Charge Incidents by Arrest Number that should be sealed under state law. Within 180 days of receipt of this list from plaintiffs, defendants, through an appropriate official, will conduct a review and certify in writing as follows:

- a. Pursuant to N.Y. Crim. Proc. L. §§ 160.50(1)(c) and 160.55(1)(c), the City of New York certifies that all official records and papers stored digitally or electronically relating to the arrest Loitering Charge Incidents on the lists provided by plaintiffs on file with any police agency or prosecutor's office have been sealed and will not be made available to any person or public or private agency except as permitted by N.Y. Crim. Proc. L. §§ 160.50(1)(d) or 160.55(1)(d).
- b. Pursuant to N.Y. Crim. Proc. L. §§ 160.50(1)(a) and 160.55(1)(a), the City

of New York certifies that it has destroyed every photograph and photographic plate or proof and every palmprint and fingerprint, taken or made in regard to the action or proceeding of a person charged in the arrest Loitering Charge Incidents on the lists provided by plaintiffs, and stored digitally or electronically, and all duplicates and copies thereof, except as authorized by N.Y. Crim. Proc. L. §§ 160.50(1)(e) or 160.55(1)(e).

c. The City of New York certifies that all official records and papers stored digitally or electronically in NYPD computer databases relating to summons Loitering Charge Incidents are maintained as sealed and will not be made available to any person or public or private agency except as permitted by N.Y. Crim. Proc. L. §§ 160.50(1)(d) or 160.55(1)(d).

90. Nothing in this Stipulation is intended to create a cause of action under N.Y. Crim. Proc. L. §§ 160.50 or 160.55 or otherwise. Plaintiffs in no way waive their rights to enforce the terms of this Stipulation and Order of Settlement consistent with the procedures set forth herein.

Notation of Unconstitutionality

91. Defendants agree to join Plaintiffs in making a formal written request to OCA and the New York State Division of Criminal Justice Services ("DCJS") to create a permanent notation of unconstitutionality, the language of which shall be jointly agreed upon by the parties subject to OCA and DCJS approval, attached to electronic records of all Loitering Charge Incidents. This permanent notation would accompany any report or record containing or referencing Loitering Charge Incidents, including but not limited to an individual's criminal history, produced by OCA or DCJS to any person or public or private agency.

92. The formal request will include, at a minimum, a joint letter from the parties agreeable to the parties and may include reasonable meetings and reasonable contacts with state agency personnel in support of the request.

93. Under no circumstances will the provisions in the preceding two paragraphs remain in effect for longer than two years from the Effective Date.

Joint Request to DCJS to Notify FBI and Request Removal

94. Defendants agree to join Plaintiffs in making a formal written request to DCJS to officially notify the Federal Bureau of Investigation ("FBI") regarding the unconstitutionality of the Statutes and to request removal of all records related to Loitering Charge Incidents, including records of arrest, conviction, fingerprints, and photographs, from databases maintained by the FBI and other federal agencies, including but not limited to the National Criminal History Record File, Integrated Automated Fingerprint Identification System (IAFIS), Next Generation Identification (NGI), Interstate Identification Index (III), National Crime Information Center (NCIC), Law Enforcement National Data Exchange (N-DEx), Automated Biometric Identification System (IDENT), and National Instant Criminal Background Check System (NICS).

95. The formal request to DCJS will include, at a minimum, a joint letter from the parties agreeable to the parties and may include reasonable meetings and reasonable contacts with state agency personnel in support of the request.

96. Under no circumstances will the provisions in the preceding two paragraphs remain in effect for longer than two years from the Effective Date.

Prevention Policies

97. Defendants agree to continue for two (2) years from the Effective Date to do the following:

- a. Continue to provide automated notifications from the NYPD Chief of Department's office in the event of any new Loitering Charge Incident entered into data systems maintained by Defendants,⁴ except with respect to notifications of any attempts to charge the Statutes, in which case, NYPD agrees to provide Attempts to Charge Reports. Defendants shall provide Class Counsel on a monthly basis with a copy of the reports referenced in this subsection.
- b. The NYPD Internal Affairs Bureau ("IAB") will investigate any Loitering Charge Incident occurring after the date of this Stipulation in a process consistent with and at least equivalent to that described in the Declaration of Rosemary DeBellis In Support of Defendants' Opposition to Plaintiffs' Motion for Contempt, Injunctive Relief and Discovery Sanctions dated February 8, 2010, ¶27 *et seq.* Defendants shall provide Class Counsel with the complete documentation of IAB's investigation and report of any Loitering Charge Incident within sixty (60) days of completion by IAB.
- c. In a process consistent with the procedures set forth in the preceding subparagraph (b), the NYPD Internal Affairs Bureau ("IAB") will investigate any attempt to charge any of the Statutes that appears in an Attempts to Charge Report and occurs after the date of this Stipulation, so long as an arrest report for any other charge is not prepared in connection with the same incident. For all other attempts to charge any of the Statutes that are recorded in an NYPD Attempts to Charge Report

⁴ Declaration of Rosemary DeBellis In Support of Defendants' Opposition to Plaintiffs' Motion for Contempt, Injunctive Relief and Discovery Sanctions dated February 8, 2010 at ¶19.

and occur after the date of this Stipulation, the Office of the Deputy Commissioner of Legal Matters of the NYPD will send a letter to the Commanding Officer of any officer who attempts to charge any of the Statutes, requesting that the Commanding Officer or his or her delegate instruct the officer regarding the unconstitutionality of the Statute, review any cheat sheets in the officer's possession to delete the Statutes from that item if found there, and consider any discipline appropriate under Departmental guidelines. Defendants shall provide Class Counsel with a copy of all letters issued pursuant to this paragraph within sixty (60) days of issuance.

d. Affix a notation to all new packages of summonses issued to NYPD containing a warning that the Statutes cannot be enforced.

e. Should a summons issue under any of the Statutes, the NYPD command to which the officer who issued the summons is assigned shall review the "cheat sheets," "Master C-Summons lists," or any other non-NYPD issued compilations of common summonsable offenses in the possession of police officers assigned to the command; delete the Statutes from these items; document the officer to whom the item belonged; and photocopy the relevant page that contained the Statute at issue. Defendants shall provide Class Counsel with a report documenting the results of this "cheat sheet" review within sixty (60) days of its completion.

f. Conduct training, in a manner determined by Defendants, including annual in-service training at NYPD, informing NYPD police officers that the Statutes are unconstitutional and unenforceable, and that any charge incident under the Statutes may result in disciplinary action.

Prospective Obligations

98. Defendants agree that they will maintain a commitment not to enforce the Statutes for a period of two years from the Effective Date. This commitment will be enforceable pursuant to the terms of this Stipulation for a period of two years from the Effective Date.

99. Upon Preliminary District Court Approval, this Stipulation and Order resolves all prospective obligations pursuant to the Court's April 26, 2010 Opinion in the *Brown* and *Casale* matters.

Administration of Agreement and Dispute Resolution

100. The District Court shall retain jurisdiction over the Parties to enforce and administer the terms of this Stipulation and Order of Settlement during the period it, or any of its provisions, remain in effect, upon the filing of an appropriate motion by any party.

101. The parties shall endeavor in good faith to resolve informally any differences regarding interpretation of and compliance with this Stipulation and Order of Settlement prior to bringing such matters to the Court for resolution.

102. Upon the finding of good cause shown, the Court may grant such relief as it deems just and proper.

103. Equitable Relief: At any time prior to the expiration of this Stipulation, should Class Counsel have determined that the Defendants have failed to comply with any term of the Stipulation regarding Equitable Relief only, as set forth above in Paragraphs 84-97, Class Counsel shall forward written notification of such non-compliance to the Deputy Commissioner for Legal Matters of the NYPD and to the Office of the Corporation Counsel.

- a. Should the Defendants agree that they have not complied with the specified term(s), the Defendants shall specifically perform said term(s) within a

reasonable period of time, to be mutually agreed upon through the good faith efforts of the parties and their counsel.

b. Should the Defendants dispute the Class Counsel's determination of the Defendants' non-compliance, or if the parties cannot agree on a time frame within which the Defendants are to perform an obligation with which they agree they have not complied, or in the event the Defendants fail to perform an obligation they have agreed to perform in accordance with the provisions of paragraph 103(a) above, Class Counsel may apply to the Court for an order directing specific performance of that term or terms. Such application may not be made fewer than thirty days after the initial notification of non-compliance to the NYPD and Office of the Corporation Counsel.

c. In no event shall any of the Defendants be adjudged in contempt for proven non-compliance with any of the terms or provisions of this Stipulation, relating to Equitable Relief only as set forth above in paragraphs 84-97, unless and until the Defendants fail to comply with an order from the Court directing specific performance of such terms or provisions, obtained by the Class Representatives and/or class members in compliance with the provisions of this paragraph.

EXPIRATION OF AGREEMENT

104. Unless otherwise noted herein at paragraphs 84-89, this Stipulation shall expire two (2) years from the Effective Date.

EFFECT OF STIPULATION

105. Within five (5) business days of the Funding Date, all claims in the above-referenced action will be dismissed, with prejudice, and without costs, expenses, or fees in excess of the amount authorized by the paragraphs above.

106. The Stipulation, as of the Effective Date for Payment, resolves in full all claims, with prejudice, against the Released Persons by SCMs, including the Named Plaintiffs, arising out of any charges under the Statutes before the Bar Date. When the Stipulation is final, as of the Effective Date for Payment, all SCMs, including the Named Plaintiffs, hereby release all such claims, except for claims against the DA Offices. All SCMs, including the Named Plaintiffs, hereby release all such claims against the DA Offices as of the date that the omnibus state court motion described in Exhibit A is fully submitted to the state court for decision.

107. This Stipulation contains all the terms and conditions agreed upon by the Parties, and no oral agreement entered into at any time nor any written agreement entered into prior to the execution of this Stipulation shall be deemed to exist, or to bind the Parties hereto, or to vary the terms and conditions contained herein.

108. As of the Effective Date for Payment, the SCMs, including the Named Plaintiffs, hereby waive any and all rights to pursue, initiate, prosecute, or commence any action or proceeding before any court, administrative agency, or other tribunal, or to file any complaint with regard to acts of commission or omission by the Released Persons respecting Settled Class Claims.

109. Each SCM shall be deemed to have submitted to the jurisdiction of the Court.

110. No Opt-Out shall share in any monetary benefits provided by this Stipulation.

111. The Parties will take all necessary and appropriate steps to obtain approval of the Stipulation and dismissal of the action with prejudice. If the District Court approves this

Stipulation, and if there is an appeal from such decision by a non-party, Defendants will join Class Counsel in defense of this Stipulation on any such appeal or subsequent proceeding.

112. The Parties hereby agree that a Final Judgment may be entered against the City of New York in accordance with the terms of this Stipulation within five (5) days after the date of Final District Court Approval.

113. The Parties hereby agree not to appeal any aspect of this Stipulation, under any condition or circumstance, or to otherwise collaterally attack or challenge this Stipulation.

114. The District Court shall retain jurisdiction over the Parties to enforce and administer the terms of this Stipulation and Order during the period it, or any of its provisions, remain in effect.

115. Signatures on an electronically transmitted copy of this Stipulation and Order shall be deemed to be original signatures.

Re: *Casale v. Kelly*, 08 Civ. 02173 (SAS) (THK)
Brown v. Kelly, 05 Civ. 05442 (SAS) (THK)

Dear Counsel:

We write to memorialize the agreement between all parties to the above-captioned litigations and the five District Attorneys' Offices of Bronx, Kings, Queens, New York and Richmond Counties ("the five District Attorneys' Offices of the City of New York") to consent and cooperate in an omnibus New York state court proceeding brought pursuant to N.Y. C.P.L. § 440.10 in order to vacate, dismiss, and seal all qualifying dispositions for cases charging loitering pursuant to N.Y. Penal Law § 240.35(1), N.Y. Penal Law § 240.35(3), and N.Y. Penal Law § 240.35(7) ("the Statutes"). This letter agreement sets forth the terms of the agreement. This letter agreement is subject to advice and guidance from the New York State Office of Court Administration ("OCA") regarding the appropriate procedural vehicle and process by which the goals outlined herein shall best be achieved.

I. Purpose of Agreement

N.Y. Penal Law § 240.35(3) and N.Y. Penal Law § 240.35(7) were declared unconstitutional in 1983 and 1988, respectively. *See People v. Uplinger*, 460 N.Y.S.2d 514 (1983); *see also People v. Bright*, 526 N.Y.S.2d 66 (1988). The Second Circuit declared N.Y. Penal Law § 240.35(1) unconstitutional in 1992. *See Loper v. New York City Police Dep't*, 999 F.2d 699, 701 (2d Cir. 1993). After being declared unconstitutional, thousands of people were convicted of violations of the Statutes. Many more received other dispositions that were less than fully favorable or did not qualify for sealing under C.P.L. § 160.50, such as dismissals pursuant to C.P.L. § 730.40. Because these convictions and non-conviction dispositions other

III. Omnibus State Court Proceeding to Vacate, Seal, and Dismiss

The parties and the five District Attorneys' Offices of the City of New York agree to utilize the following general procedure to address all existing qualifying dispositions for violations of the Statutes.

Plaintiffs will file an omnibus motion in state court requesting vacatur and dismissal of all qualifying convictions and other qualifying non-conviction dispositions as follows:

- For cases involving a qualifying conviction and no convictions for other charges, the court should (1) vacate the judgment of conviction, (2) dismiss the entire accusatory instrument, and (3) order sealing pursuant to C.P.L. § 160.50.¹
- For cases involving a qualifying conviction and another, non-qualifying conviction charge, the court should (1) vacate the judgment of the qualifying conviction, (2) dismiss the unconstitutional loitering charge(s), and (3) expressly order that the non-qualifying convictions remain valid judgments *nunc pro tunc*.
- For cases involving a qualifying non-conviction disposition and no convictions for other charges, the court should (1) vacate the disposition, (2) dismiss the entire accusatory instrument, and (3) order sealing pursuant to C.P.L. § 160.50.²

Plaintiffs will also request sealing of any and all cases charging the Statutes that have qualifying case dispositions under C.P.L. § 160.50(3) or C.P.L. § 160.55(1) but are not currently sealed due to error or court order.

Plaintiffs' motion will be filed "on consent" of the five District Attorneys' Offices of the City of New York to the requested relief. Venue will be determined pending further discussions with OCA.

IV. Procedure for Identifying Qualifying Dispositions

Plaintiffs will draft a motion for the requested relief. Attached as an exhibit to the motion will be a comprehensive list by defendant name, docket number, county and category of relief (from Section III, *supra*) of all qualifying dispositions for which vacatur, dismissal, and (where appropriate) sealing is sought ("list of qualifying dispositions by name and docket

¹ It is agreed that the signatories to this letter agreement do not intend to re-open any charges in the same accusatory instrument "covered" by a guilty plea to a qualifying conviction, or otherwise disposed with a non-conviction, and that no known mechanism exists for doing so.

² With the exception of a case held in abeyance pursuant to C.P.L. § 730.50 involving a felony and within the time prescribed by the statute, it is agreed that the signatories to this letter agreement do not intend to re-open any charges in the same accusatory instrument that were disposed with a non-conviction, and that no known mechanism exists for doing so. Notwithstanding the possibility that a case may be re-opened under C.P.L. § 730.50, the DAOs will dismiss the loitering offense in accordance with the procedures set forth herein.

number"). Plaintiffs will generate the list of qualifying dispositions by name and docket number with OCA's assistance, based on counsel's review of the OCA and NYPD databases produced in this litigation to date.

Plaintiffs will provide the list of qualifying dispositions by name and docket number to defendants and the five District Attorneys' Offices of the City of New York at least one hundred fifty (150) days prior to the filing of the motion and within 60 days of the Preliminary District Court Approval. Prior to filing, the five District Attorneys' Offices of the City of New York shall first have the opportunity to review the list of qualifying convictions by name and docket number to confirm that the dockets charge the Statutes and are in appropriate categories (as defined by the remedies in Section III, *supra*) and that the docket numbers are correct. On a rolling basis (at least every thirty (30) days after receipt of the list of qualifying dispositions), the five District Attorneys' Offices of the City of New York will provide Plaintiffs with a list of cases that they believe do not fit into the categories of qualifying dispositions and the reasons for that position.³ The five District Attorneys' Offices of the City of New York shall notify Plaintiffs of all cases that they believe do not fit into the categories of qualifying dispositions by no later than one hundred twenty (120) days after their first receipt from Plaintiffs of the proposed list of qualifying dispositions.

To the extent that Plaintiffs receive updated information from OCA which contains new prosecutions, Plaintiffs will provide a list of only the new qualifying dispositions by name, docket number, county and category of relief ("Updated List") to defendants and the five District Attorneys' Offices of the City of New York. The Updated List must be provided more than 45 days before the filing of the omnibus motion. Within 30 days of receipt of an Updated List from Plaintiffs, the five District Attorneys' Offices of the City of New York will notify Plaintiffs of any cases they do not believe fit into the categories of qualifying dispositions and the reasons for that position. If Plaintiffs seek to add any new cases arising from new prosecutions to the Updated List after the motion is submitted to the court but while it is still pending, the parties shall follow the procedures set forth in this paragraph.

The deadlines set forth in this letter agreement reflect the parties' and the District Attorneys' Offices' best current estimates for how long it will take to complete the tasks described herein. As necessary, plaintiffs will agree to reasonable extensions of time to allow the District Attorneys' Offices to complete the agreed-upon tasks. The signatories will endeavor in good faith to resolve informally any differences regarding the constitution of the final list of qualifying dispositions and of interpretation of and compliance with this letter agreement. As part of the District Court's ongoing jurisdiction over the Parties to enforce and administer the terms of the Stipulation and Order of Settlement, the signatories agree that any disputes regarding cooperation in the omnibus New York state court proceeding shall be resolved by the Honorable Theodore S. Katz, or by another Magistrate Judge selected by the Court.

³ The DAOs also reserve their right to object to a case being included in the omnibus motion if, upon review, it is determined that the procedures set forth herein may present unanticipated or unexpected legal issues which could impact on a valid conviction. Any such objections and the reason(s) for the objection will be made on a rolling basis (at least every 30 days after a receipt of the list of qualifying dispositions).

EXHIBIT B

The undersigned hereby acknowledges that I have read paragraphs 60-62 of the Stipulation of Settlement, dated January 26, 2012, in *Casale v. City of New York*, 08 Civ. 2173 (S.D.N.Y) and *Brown v.
