06/11/2014	<u>46</u>	MINUTE entry before the Honorable Mary M. Rowland:Defendants' Motion to Compel Discovery Responses <u>42</u> is GRANTED. Exhibit A to the Motion is Plaintiff's response to Defendant Lopez's Request for Documents and First Set of Interrogatories. With respect to Requests for Production 1-3, 6-21, 24-25 and 27-28, Mr. Lopez provides several paragraphs of boilerplate objections. Mr. Perez is permitted to rely on objections. However, he must also respond to the requests by telling Defendant Lopez whether he is in possession of any documents responsive to the request. Furthermore, in response to both defendants' requests (Exhibit A and Exhibit B), Mr. Lopez indicates that he has "responsive documents and things" which include "Computer Files". The Court understands that Mr. Perez recently produced some documents to counsel for the City and is in the process of burning a CD for the City. So that it is clear, Mr. Perez is ordered to produce all of the documents that he defines as "responsive", including those contained on the CD, to defendants. Mr. Perez also indicates that he will rely on: (1) excerpts from his productions company's "whistleblower documentary"; (2) screenshots of a conversation; (3) video evidence

		gathered so far; (4) evidence recorded by Plaintiff during his encounter; (5) visual images of damages; (6) video of kid transported to gang area; (7) picture of ankle dent left by shackles; (8) April 21, 2013 message from defendant Lopez; and (9) picture of anal injury. Mr. Perez is required to produce copies of all of these documents and images and the recording. Mr. Perez has two weeks, until June 25, 2014, to produce these items to defendants and to supplement his responses to Defendant Lopez's Requests for Documents. 01/14/2016	<u>155</u>	MINUTE entry before the Honorable Mary M. Rowland: Motion hearings held. Plaintiff's Motion to Compel <u>143</u> is granted and Defendants' Motion for Protective Order <u>151</u> is denied as follows: The City agrees that counsel should be permitted to inspect, photograph and video the areas in the Homan Square facility where civilians are detained. According to the City detainees are housed in the middle of the second floor of the facility. (151 at 4). This area includes detainee cells, bathrooms, bullpen holding cells and interview/interrogation rooms. Plaintiff is also permitted to perform testing in these areas on suspected blood and human excrement. The City objects to Plaintiff being permitted to inspect any other portion of the Homan Square facility because several undercover officers work out of that facility. The Court overrules the City's objection. The essence of the Complaint challenges an alleged practice by the police department to take civilians to Homan Square, instead of to one of the numerous police stations, "to hold arrestees 'incommunicado' or 'off the grid,' without processing the arrestee or making any public record of the arrest for long periods of time." (Dkt. 132 at 11). In light of the allegations of secrecy contained throughout the Amended Complaint, limiting Plaintiff's inspection to "the middle of the second floor" strikes the Court as completely inconsistent with the purpose of discovery allowed by the Federal Rules of Civil Procedure. Plaintiff will be permitted to inspect all five floors of the building. However, the Court is committed to protecting the identities of undercover officers and operations. Therefore, any portion of the inspection outside of the "middle of the second floor" shall be done without the Plaintiff's photographer. Furthermore, no photographs or videoing will be permitted. The inspection, which is limited to two hours, is to take place by 1/22/16. If the identity of any police personnel is captured on photo or video, it shall be redacted. All photographs and video will be produced by Plaintiff for the City's counsel to review for attorneys' eyes only. Plaintiff is permitted to bring a total of 7 people to the inspection. No actual plaintiffs may attend only counsel, a photographer, and an investigator who is permitted to bring equipment to test for blood and human excrement throughout the building. Any agreed protective orders shall be submitted to Proposed_Order_Rowland@ilnd.uscourts.gov. Based on a representation by counsel for the City that records of any construction will be maintained, (Dkt. 151 at 6), Plaintiff's request that the Court order the City to cease construction at the location is denied. Defendant's oral motion for a 10 day extension to supplement Rule 26(A)(1)(a) is granted. Plaintiff's unopposed oral motion to have the court attend the inspection is denied. Status hearing set for 3/14/16 at 9:00AM. Mailed notice (mb,) (Entered: 01/14/2016)

01/21/2016	<u>161</u>	MINUTE entry before the Honorable Mary M. Rowland: The Court modifies the January 14, 2016 order as follows: The inspection of the Homan Square facility shall take place during the week of January 25, 2016 on a date agreed to by the parties. The City is asked to file a short response to Plaintiff's other requested modifications (more time to inspect and one additional person attending the inspection) by close of business

01/22/2016	<u>163</u>	MINUTE entry before the Honorable Mary M. Rowland: Plaintiff's Motion to Amend Order for Visit <u>159</u> is granted in part and denied in part. The Court has reviewed the pleadings. The request for a 5 hour inspection is overly burdensome at this point. Per Defendants' response, if after the inspection "Plaintiffs can present credible evidence that additional detention rooms are in need of further scientific analysis, Defendants" are ordered to engage in good faith discussions regarding a further inspection. The inspection is limited to 2 hours. The Plaintiffs are permitted to bring 8 people instead of 7. The Plaintiff is free to bring only 3 or 4 attorneys and increase the number of investigators to allow for more testing in the pertinent areas. But the total number of persons on the Plaintiff's side is limited to 8. Mailed notice (mb,) (Entered: 01/22/2016)
