| 12/28/2015 | 543                 | Paperless ORDER: A telephone conference was held today with representative counsel for both sides to discuss the court's concerns with respect to ECF 541. Plaintiffs' counsel will promptly submit, with defense counsel's approval, a proposed order for preliminary approval of the proposed settlement. In addition, counsel will modify ECF 541-3 to provide for filing of comments with the Clerk, not directly with the judge, and informing the class to include the case number on all filings. Plaintiffs' counsel will also include a deadline for posting of the notice and for filing comments; the dates for submissions by counsel to address the comments and/or the proposed settlement; and reference the need for a hearing to be set at which the court will consider the joint request for approval of the class action settlement.
