Dear Mr. Gallion:

As president of the Alabama Association of School Administrators, I have been able to contact a majority of the members of the executive committee to determine their feelings toward a resolution regarding the recent district court order.

The attached resolution is for your consideration in the hopes that some extension may be granted to the 20-day period allowed local boards of education in preparing to carry out the provisions of the court order and decree.

Sincerely,

William N. Eddins
