Somewhere in America tonight a little child will be killed.

With him will die the happiness of a Mother . . . the pride of a Father.

He will be killed by the carelessness of a thoughtless driver.

That driver may be someone who is reading this right now. For in this country a human being is killed in an automobile accident every 22 minutes.

Most of these tragedies don't need to happen. They are caused by human acts. They can be prevented by human caution.

DRIVE CAREFULLY
